"The Secret of Perpetual Life"

One Old Lady Claims This Title for Vitalis
One old lady who had suffered from nervousness and run down condition for years, finally decided to try Vitalis, the universal tonic. She had tried everything else, without avail, but she had only used two bottles of this splendid tonic until her nervousness had disappeared and before she had finished her third bottle she felt that she was on the road to a successful recovery.

She is one of the most enthusiastic users of the Universal tonic and claims that Vitalis contains the secret of Perpetual Life. Vitalis is a remarkable tonic. It is made after an old physician's prescription, and was given to a list of private patients long years before being put on the market.

For the anemic, the run down, the nervous, and over-worked, the expectant mother, or for anyone who is not getting the most out of life, Vitalis is especially recommended.

The Vitalis man is at Quigley's drug store, where he gladly explains the merits of this remarkable reconstructive tonic to all sufferers.

STYLES FOR THE Woman's Eye

Very unusual and attractive is the manner in which fur is applied on many of the new suits. A suit of maroon velours is shown here with three-quarter length coat, semi-fitted at the waistline, showing a border of Kolinsky fur, the upper edge cut in scalloped effect. This fur is also lavishly used on the cuffs and forms a novel convertible collar. High button boots and a smart turban are attractive finishing touches.

Look at Child's Tongue if Sick Cross, Feverish

When constipated or bilious give "California Syrup of Figs."

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of the little bowels, without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—Adv.
