

LOSES TIP OF NOSE IN PITCHED BATTLE OVER SOME TOBACCO

Frank Cook, his face and head almost obscured from view by bandages, and Fred Lehman, limping painfully and his head partially bandaged, dragged themselves into city court this morning like soldiers returning from a truce in the trenches.

In an argument between the two men over a quarter's worth of scrap tobacco, Cook employed brass knucks and Lehman used a penknife. The fight occurred on South E street in front of a saloon. Before the argument terminated Cook lost the tip end of his nose by a knife slash. Fourteen stitches were required to close his wounds after he had been taken to the hospital for treatment. Lehman received bad cuts about the head.

The case was being investigated by the prosecutor this forenoon. The fight occurred late yesterday afternoon. The police are informed that Lehman "dunned" Cook for a quarter which he alleged Cook owed to his mother, Mrs. Louisa Bayer, who operates a grocery on South E street, for scrap tobacco. Mrs. Bayer told her son in Cook's present that the account had been settled, explaining today that she did so to avoid trouble between the two men. Later Lehman went to a saloon to get a can of beer. As he was leaving Cook, it is alleged, met him in the door and gave battle. Cook and Lehman are each charged with assault and battery.

Restored to Health by Duffy's

Over a year ago Thomas Riley was not fit for work, but Duffy's Pure Malt Whiskey came to the rescue, as his letter states:

"I took a severe cold and was generally run down; I tried all kinds of medicine without avail. My physician told me I had consumption, I took outdoor treatment and improved some, but not rapidly, and was unable to work. A friend persuaded me to try Duffy's Pure Malt Whiskey which I did. Thank God! (My friend has taken Duffy's for many years and is the picture of health). I took your medicine regularly. The first bottle improved me very much and the second so restored my vitality that I could do light work. Today I feel a new man. Gentlemen, I can't express my appreciation of your great remedy in words, but my face and feelings tell the tale of my wonderful cure. You may make use of these few simple but true lines."—Thomas Riley, Kenwood Heights, Albany, N.Y.

And today Mr. Riley is just as firm and healthy as ever. In his belief that it is judicious to "Get Duffy's and keep well," for he writes: "My health is as good as I can expect. I am still using Duffy's and always will as long as I can get it. I have recommended it through the hospital where I work, and get many bottles of Duffy's Pure Malt Whiskey for the patients."—Thos. Riley.

Duffy's Pure Malt Whiskey

is made for use in the home, hospital and sick room—free from the injurious elements of the ordinary beverage whiskey. Thousands of doctors rely upon Duffy's because of its purity and it is recognized generally as the one medicinal whiskey. For the aged, for those who are "run down," for persons suffering from stomach disorders, nervousness or similar ailments who need a real builder-up of the whole system, Duffy's Pure Malt Whiskey has brought quick and positive results.
