HOT TEA BREAKS A COLD-TRY THIS

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.

NEWBRO'S HERPICIDE

No woman can afford to be indifferent to the appearance of her hair. A mass of nice snappy hair, becomingly dressed, will add more in genuine looks than a pretty face, or an expensive gown. Don't allow the scalp to become clogged with dirt and dandruff. Don't allow dandruff to destroy your hair. If your hair is uneven, dead, dull and brittle and comes out by the handful every time you draw a comb through it, dandruff is the cause. To rid your scalp of the dandruff and check the loss of hair should be your first anxiety.

NEWBRO'S HERPICIDE will do this and at the same time put the hair and scalp in a sanitary condition. HERPICIDE appeals to those of greatest refinement on account of its exquisite odor, its purity and cleanliness. It contains no grease and does not stain or dye. There is nothing more dependable than this remarkable scalp prophylactic. The hair responds readily to a regular and intelligent use of NEWBRO'S HERPICIDE.
