DON'T HAVE GRAY HAIR

It's Unnecessary -- Q-Ban Darkens it Evenly—No Dye.

No matter how gray your hair, prematurely gray, faded, bleached, streaked with gray, all you need to do is to shampoo your hair and scalp once a day with Q-Ban Hair Color Restorer. This is a very pleasant experience, and after a few applications you will be delighted to see all your gray hair gradually turn to an even beautiful dark shade. Q-Ban acts on roots, making hair and scalp healthy, restoring the color glands so all your gray hair is naturally darkened and entire head of hair becomes soft, fluffy, long, thick and of such an even beautiful, soft, dark shade no one could tell you had used Q-Ban. Also stops dandruff and falling hair, leaving your hair fascinating and abundant, without even a trace of gray showing. Sold on money-back guarantee. 50c for a big bottle at Flite's drug store, Richmond, Ind. Out-of-town folks supplied by mail.—Adv.
