The Habit of Taking Cold
With many people taking cold is a habit, but fortunately one that is easily broken. Take a cold sponge bath every morning when you first get out of bed—not ice cold but a temperature of about 90 degrees F. Also sleep with your window up. Do this and you will seldom take cold. When you do take cold take Chamberlain's Cough Remedy and get rid of it as quickly as possible. Obtainable everywhere.

**HOT TEA BREAKS
A COLD—TRY THIS**

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.

POSTPONE SERVICES; EPIDEMIC IS FEARED

NEW PARIS, Ohio, Jan. 6.—As a precautionary measure to prevent the further spread of what is feared may develop into an epidemic of scarlet fever, no Sunday school or church services will be held in local churches Sunday.

HAIR COMING OUT?

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Dandruff, get a 25-cent bottle of Dandruff in your hand and rub it into the scalp. After a few applications the hair stops coming out and you can't find any dandruff.—Adv.

Syrup of Figs For Cross, Sick Feverish Child

If Little Stomach Is Sour, Liver Torpid or Bowels Clogged.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food, gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish, and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "Fruit Laxative." Children love it, and it can't cause injury. No difference what ails your little one, if full of cold, or a sore throat, diarrhoea, stomachache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.—Adv.

RETURNS TO DUTIES

NEW PARIS, O., Jan. 6.—Prof. Sewell Medford returned Thursday morning to his duties at St. Stephen's school, Howes, Ind., after a holiday vacation visit with his sisters, Mrs. Edgar J. Vance and Miss Mina May Medford.... Ice for the New Paris trade was harvested in the nick of time, apparently, since the sudden turn in the weather towards spring-like temperature. The ice was of good quality and uniform thickness, a larger supply than known in years having been put away.

Visits School.

Miss Hester Nelson of Reid hospital, visited the local high school Wednesday.... Emmett Harris returned Thursday to his school work at Miami University, Oxford, O., as did also, Miss Helen Reid and Frank Hawley.... Mr. and Mrs. Hiram Jaqua are moving to the Mary A. The Crown of Womanhood

"Uncared for hair cannot be beautiful. There is no part of the human makeup so revealing as the hair. It cries out: Look at me, care for me, or I will disgrace you! Treat me with consideration and I will be a glory to you."

With the above words, Lillian Russell, an unquestioned authority on feminine attractiveness, places no uncertain value on nice hair as a beauty asset. Unkept, uncared for hair not only cannot be attractive but is actually a disgrace.

But why have ill-kept, untidy hair? By devoting a few moments regularly to brushing and intelligent application of NEWBRO'S HERPICIDE, the hair may be made to yield wonderful returns in increased personal charm.

Dandruff is the direct cause of more hair trouble than anything else. The hair becomes thin, harsh, uneven and falls out in quantities. It looks dead and lifeless; there is no luster. The scalp itches.

HERPICIDE will remove the dandruff which is causing all the trouble, clean the scalp, give the hair life, snap and luxuriance. The hair stops coming out, the itching ceases almost at once and withal there is a most gratifying sense of cleanliness. To the woman who wishes to make the most of nature's gifts by having fluffy, beautiful hair, NEWBRO'S HERPICIDE is a toilet necessity. It is exquisitely perfumed and is a delightful hair dressing.

In 50c and \$1.00 sizes. At drug stores and toilet goods counters everywhere. Guaranteed by The Herpicide Co.

Applications at the better Barber Shops and Hair-Dressing Parlors. Send 10 cents for sample bottle and booklet to The Herpicide Co., Dept. S, Detroit, Mich.

TRAIN HITS WAGON DRIVER IS INJURED

NEW PARIS, O., Jan. 6.—The condition of Samuel Pierson, who was badly injured Monday night at New Madison, remains about the same. While driving a two-horse wagon enroute home from Greenville, O., to his home at New Madison, the outfit was struck by a railroad train near Savona. The team was killed almost outright, the wagon demolished as though split up by hand, and Pierson was miraculously carried forty feet upon a detached portion of the wagon, which caught on the engine. When found Pierson lay between the wheel and the cow-catcher and was dragged out for dead. His face was an almost unrecognizable mass of bruises, in which the gravel was ground in, his head was bruised and the hair clogged with blood, one eye was gouged out, cuts appeared on

the back and throat, both shoulders were dislocated. The train was brought to a standstill and the crew used every method to ascertain who the injured man was, even leaving their train to carry him to the home of Pierson's daughter, Mrs. William Force near New Madison. While Pierson will lose the sight of his eye and be laid up for some time, the attending physician states that he will soon be able to be about.

M. R. Van Houten recently walked from Los Angeles to Chicago to cure his rheumatism.

TURPO THE TURPENTINE OINTMENT

The Turpo which you buy ready-mixed at your Druggist's is better than the turpentine-and-lard you mix at home. Better because the lard is replaced by a clean-looking, clean-smelling base of mineral origin. Better because it has camphor and menthol added, in just the right proportions. You know that turpentine-and-lard loosens colds. Do you know that Turpo—in addition—cleanses wounds, quiets pain and hastens the healing of cuts, burns, bruises and sprains? It does. It's also splendid after shaving. Buy Turpo of your Druggist. 25c, 50c, \$1.00.
