Pimples Disappear

There is one remedy that seldom fails to clear away all pimples, black heads and skin eruptions and that makes the skin soft, clear and healthy. Any drugstore can supply you with zemo, which generally overcomes all skin diseases. Acne, eczema, itch, pimples, rashes, black heads in most cases give way to zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is safe, clean, easy to use and dependable. It costs only 25c; an extra large bottle, \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skin. Zemo, Cleveland.

LIKE CLOCK-WORKS!

(By N. B. Cook, M.D.) The machinery of the body needs to be oiled, kept in good condition just as the automobile or bicycle. Why should the human neglect his own machinery more than that of his horse or his engine? Yet most people do neglect themselves. Their tongue has a dark brown color, skin sallow, breath bad, yet they fail to see that their machinery needs attention. Everybody should take a mild laxative at least once a week. A pleasant way to clear the tongue and the highly colored water noticed in the morning is to take a laxative which will cure the inactive liver and biliousness. A pleasant vegetable pill is made up of May-apple, leaves of aloes, and jalap, made into a tiny pellet and coated with sugar. First put up by Dr. Pierce nearly 50 years ago. Druggists sell these vegetable pellets in vials, simply ask for Dr. Pierce's Pleasant Pellets. If backache, scalding urine or frequent urination bother or distress you or if uric acid in the blood has caused rheumatism, gout or sciatica, if you suspect that you have kidney or bladder trouble, write Dr. Pierce at Invalids' Hotel, Buffalo, N. Y., send a sample of urine, and describe symptoms. A physician and chemist will examine it without charge and you will be under no obligation whatever. Dr. Pierce's Anuric tablets cannot fail to help you, because their action flushes the kidneys of impurities and puts strength into them. Obtain a 50-cent box of these tablets today from your druggist here in town. From personal observation in large hospital practice, Anuric will give you speedy relief.—Adv.

Another Woman Tells

How Vinol Made Her Strong
Beallsville, Ohio.—"I wish all nervous, weak, run-down women could have Vinol. I was so run-down, weak and nervous I could not sleep. Every time I ate I felt sick, and the medicine I had taken did me no good. I decided to try Vinol, and before long I could eat anything I wanted and could sleep all night. Now I am well and strong and in better health than I have been for years.—Mrs. Anna Millison, Beallsville, Ohio.

Try this easy way to clear your skin with Resinol Soap

Bathe your face for several minutes with Resinol Soap and warm water, working the creamy lather into the skin gently with the finger-tips. Then wash off with more Resinol Soap and warm water, finishing with a dash of clear cold water to close the pores. Do this once or twice a day, and you will be astonished how quickly the healing, antiseptic Resinol medication soothes and cleanses the pores, lessens the tendency to pimples, and leaves the complexion clear, fresh and

velvety. If the skin is in bad condition through neglect or an unwise use of cosmetics, apply a little Resinol Ointment* and let it remain on ten minutes before the final washing with Resinol Soap.

Resinol Soap contains no harsh, injurious alkali, and is not artificially colored, its rich brown being entirely due to the Resinol balsam in it. Sold by all druggists and dealers in toilet goods.

*Physicians have prescribed Resinol Ointment for over twenty years in the treatment of skin and scalp affections.
