

“And a Little Child Shall Lead Them”

¶ Are values in our community shrinking? Are you allowing our larger nearby cities to get ahead of ours? Are you allowing your money to be spent out of town and with mail order houses instead of patronizing Richmond merchants. Have you cause to wish you had done differently? Then this old familiar picture (one the best known in the world) may start you thinking on the right track--home values are bound to shrink, if your policy of trading is wrong. You only need borrow the wisdom of a child to appreciate the value of trading in Richmond. **PATRONIZE RICHMOND MERCHANTS**
