

RELIEF CORPS PLANS
INTENSIVE CANVASS
TO GET SIGNATURES

Women's Relief Corps will make an active canvass of all voters of Wayne township in the near future in an effort to get enough signatures to petitions to warrant county commissioners asking county council for an appropriation for the erection of a Morton statue.

To date over eight hundred signatures have been secured on the petitions. The corps is well satisfied with results obtained at the primary election, Tuesday. In many places, nobody was at the polls to call attention of voters to the petitions. Only a few persons refused to sign the petitions.

In the canvass of the county voters, roll books for the general election last fall will be used as guides.

United States Senator Robert L. If we had a river like the Amazon, stretching inland from New York, the greatest ocean steamers afloat could sail through the heart of the United States as far as Omaha, Neb.

WOMEN SAVE \$5

Gay's gasoline dry cleans dresses, suits, silks, gloves, draperies, etc.

Here's a way to make soiled or dingy-looking wearing apparel look like new. Any woman can easily clean and restore the original color and brightness to kid gloves and shoes, neckties, ribbons, silks, satins, laces, net-work, yokes, furs, shirt-waists, children's coats, suits, caps, woolen garments, swiss, lawn, organdy and chiffon dresses, draperies, rugs, in fact, any and everything that would be ruined with soap and water.

Get two ounces of solvite at any drug store and put it in two gallons of gasoline, where it quickly dissolves, then put in the goods to be cleaned, rub a little and out they come looking clean, bright and fresh as new. You will find nothing fades, shrinks or wrinkles, requiring no pressing.

It only takes a few moments to do what dry-cleaning establishments would charge five dollars or more for. It is as simple as ordinary laundering and you can't make a mistake. Any drugist will supply two ounces of solvite, which is simply a gasoline soap and you can obtain the gasoline at any grocery or garage. Then a wash boiler or large dispan will complete your dry-cleaning outfit.—Adv.
