## Good-Bye, Dollar

Every dollar you send out of town flies away with a value that rightfully belongs to your community. Spend it at home, with our Richmond merchants, where its value stays with you and helps to build up your interests. When you come to think of it, there are only two kinds of dollars—the "Dollar with Wings" and the "Development Dollar." The "Dollar with Wings" goes to build up the Far Distant City, the Big Metropolis. The "Development Dollar" goes to build up the Home Town. It helps build up a nation of real men and women. Then, let us make the dollars we spend "Development Dollars," home-town builders, building for us and our neighbors and our children, making our community more prosperous, more happy, more contented.

The closer at home you keep your dollar, the sooner it will get back to your own pocket. These merchants are leaders in Richmond's commercial life and will serve you at all times to the best of their ability. If the merchandise you want is not in stock, these merchants will get it for you.
