SAVES GIRLS AT RED CROSS NURSES.

A scene on the roof of a Fifth avenue, New York, department store, where 500 employees of the establishment are receiving military instruction. More than 100 of the sales-girls have joined the military organization and are ready to offer their services as Red Cross nurses in the event of war.

## CLUB GIVES CONCERT AT CAMBRIDGE CITY

CAMBRIDGE CITY, Ind., April 4.—The entertainment given Friday evening in the Presbyterian church by the Chaminade club of Connersville, a club of young ladies, was one of the most pleasing entertainments given in this place for some time. The concert opened by the singing of "The Star Spangled Banner," "America," and other national airs, with A. A. Glocks, leader. The first part of the program consisted of solos, both instrumental and vocal; the first chorus, "Hymn to the Night," by Beethoven, being an especially attractive number, showing the strength and the quality of the voices to the best advantage. The "Pink Rose," a vocal solo, by Miss Edith Piegert, and the piano solo by Miss Heeb, were especially pleasing. The second part of the program was the presentation of the little playlet, "Ireland for the Irish," consisting of Irish songs, and jigs, was a most clever, as well as spectacular presentation, the young ladies appearing in the picturesque garb, green skirts, white waists and black velvet bodices.

## CHESTER, IND.

Misses Bonnie and Blanche Carman were Sunday afternoon guests of Miss Marjorie Pickett. Mr. Frank Allen filled the pulpit at the M. E. church here Sunday night, as Rev. Ulmer was attending the annual conference at Huntington, Ind. It is thought that Rev. Ulmer will be returned to the Williamsburg charge. Mr. and Mrs. John Smith were Sunday guests of Charles Albright and family near Middleboro. Charles Huffman and family visited Mrs. Roy Nichols at Reid Hospital Saturday afternoon. Mrs. Nichols was removed to her home on National avenue Saturday evening and is reported to be doing nicely. Charles Strader and family were Sunday guests of Earl Muhl and family.

## Diet, Exercise or Death!

An eminent medical authority writes that most of our city folks die of a thickening of the arteries or of kidney disease. The kidneys become clogged and do not filter the poisons from the blood, and one trouble follows another, high blood pressure damages the heart, arteries and kidneys. Usually its danger signals are headache, pain here or there, swollen feet or ankles, rheumatic twinges or spots appearing before the eyes. The very best remedy is this: Eat meat but once a day or not at all. Plenty of outdoor exercise, and drink pure water frequently. Before meals take a little Anuric, the great uric acid neutralizer that is easily obtained at the drug store. When you have dizziness, chills or sweating, worry, or dragging pains in back, try this wonderful remedy to uric acid, which Dr. Pierce of Buffalo, N. Y., discovered and named Anuric. Anuric, more potent than lithia, dissolves uric acid as hot water does sugar.

## YOUNG GIRLS JUST COMING INTO WOMANHOOD.

Bunker Hill, Ind.—"My mother gave me Dr. Pierce's Favorite Prescription when I was a young girl developing. I think it laid the foundation for my present healthy womanhood and I would never hesitate to recommend it to young girls at this very critical stage of life."—Miss Dosses Wess. Jeffersonville, Ind.—"I have been troubled with woman's trouble for two years and after taking Dr. Pierce's Favorite Prescription I felt much better. I gladly recommend this medicine. I have told many of my friends about it and what it did for me."—Mrs. Lydia Summersville, Route 1. All druggists. Liquid or tablets.

## CAMPBELLSTOWN, O.

The play Friday evening was well attended and the New Paris ladies certainly acted their parts fine. A baby boy was born to Sam Bettleton and wife Sunday morning. The little one only lived a short time and was buried at New Hope cemetery. Mrs. Miller and daughter Martha, are expected home this week. Little Martha has gotten along very slowly from her recent operation at Cincinnati. Mrs. W. C. Swisher visited Eaton relatives the latter part of the week. Mrs. Annie Driskell of Cincinnati, gave an interesting talk at the Central school building Friday afternoon concerning the hot school lunch and the benefit derived from a mothers' club in connection with the school lunch. Not as many were out as should have been to an interesting meeting of this kind. The many friends of Martin Strader were pained to hear of his death on Saturday evening from pneumonia. We extend our sympathy to the bereaved wife and the niece and nephew who made their home with them. Mr. Strader and family have lived near West Alexandria for about four years; prior to that, they were residents of this township. Miss Helen Polneau and brother visited their grandparents, Monroe Campbell and wife Saturday night and Sunday. Charles Runyon and family spent Sunday with Verne Reid time it was "Tillie Wakes Up."

## NOTHING WRINKLES FADES OR SHRINKS

Women save \$5 in an hour by dry cleaning everything with gasoline.

Dry cleaning at home is all the rage here, says a well-known downtown druggist. Any woman can do five dollars' worth of dry cleaning at home at very little cost by dissolving two ounces of solvite in two gallons of gasoline; then immerse the articles to be cleaned; rub a little and in a few moments the gasoline evaporates and the articles cleaned look as bright and fresh as new. Dry clean your own silk waists, dresses, ribbons, belts, kid gloves, satin shoes, evening slippers, fine laces, net work, woolens, dresses, children's coats, furs, veils, neckties, slaw's, gentlemen's garments, fancy vests, lace curtains, rugs, in fact, everything that would be ruined by washing with soap and water. Nothing will fade, shrink or wrinkle, making pressing unnecessary. Dry cleaning at home is inexpensive and affects a tremendous saving in the household and is really just as easy as laundering. Any druggist will sell two ounces of solvite which is simply a gasoline soap and your grocer or a garage will supply the gasoline. Then a wash boiler or dishpan completes the outfit. —Adv.

## Hagerstown Notes

By Miss Florence Bell.

An elaborate dinner was given by Mr. and Mrs. Theodore Sells Thursday complimentary to their daughter, Miss Thelma Sells, and her aunt, Mrs. Reba Rudy, of Anderson, whose birthdays occurred on the same day of the month, and who have celebrated the event together annually for a number of years. Miss Sells is an accomplished young lady, and will graduate from the Hagerstown high school next month. The Anderson party came to the dinner in an automobile and was composed of Mrs. Rudy and her daughter and her husband, Mr. and Mrs. Earl Sells, Mrs. Rudy's sister, Mrs. Charles Miller and their friend, Mr. Newton Rous. Others present at the dinner was another aunt of Miss Sells, Mrs. M. T. Fox, and Mr. and Mrs. Sells and Miss Thelma.

## WHY SPRING COLDS ARE DANGEROUS

If Neglected They Lead to Serious, Perhaps Fatal Results.

If you get cold at this time of year and try to "let it wear off," it frequently develops into a stubborn throat trouble, which may in turn become chronic asthma, bronchitis or worse. It is important to remember that Father John's Medicine relieves colds because of its nourishing body-building elements, which given strength to the system and enable each organ to resume its normal functions. Father John's Medicine is not a patent medicine, contains no injurious drugs, but is a pure food medicine, for those who are weak and run-down.

## CONFIDENCE

Do you know that the foundation of our business is confidence? Your Confidence in us.

We might have succeeded in a way—we might have built up business, in fact, without winning your confidence. It can be done by offering jewelry of inferior quality at bargain prices. But it would not be the kind of business represented by The Jewelry House of Dickinson.

We have built up our business by selling only merchandise of the best quality—merchandise that pleases and satisfies long after purchased.

Our patrons appreciate this.

## A Typical Chalmers Performance

At 12 noon, Monday, March 26, a stock Chalmers seven-passenger touring car with first and second gears removed, was started north on Michigan Boulevard through Chicago traffic.

At noon Tuesday, March 27, the Chalmers was stopped at the starting point. It had gone 586.8 miles through Chicago's densest traffic. The motor had never been stopped. Nothing but high gear was used.

To prove conclusively Chalmers flexibility on high gear, the low and intermediate gears were removed from the transmission.

The car was a standard Chalmers seven-passenger touring model, complete with standard body, top and full equipment. The same model you can buy today.

An average of slightly over 14 miles per gallon of gasoline was attained, an excellent example of Chalmers economy.

586.8 miles, through the famous congested Chicago "loop" district, is a wonderful feat. This performance on high gear is even more wonderful. It is without an equal.

It is an endorsement of the motor. It proves Chalmers reliability. It demonstrates Chalmers cooling. It shows Chalmers flexibility and perfect control. It is a new achievement.

A condensed summary of the signed certificate issued by the Contest Board of the American Automobile Association, under whose supervision the test was made, is reproduced below.

THIS IS TO CERTIFY that the Chalmers seven-passenger car above mentioned was a fully equipped stock car. It was driven for 24 hours through Chicago traffic. Only high gear was used. The motor was never stopped during the run. The mileage obtained was 586.8 miles. The gasoline consumption was an average of slightly over 14 miles per gallon.

## Some Other Chalmers Achievements

## Chicago to New York

On June 7, 1916, a Chalmers stock car shattered all existing road records between Chicago and New York, making the run of 1047 miles in 31 hours. The best previous time was made by a Packard driven by E. C. Patterson, whose time was 35 hours 43 minutes.

## Giant's Despair Mountain Climb

On October 6th, 1916, a Chalmers captured the free-for-all event at the Wilkes-Barre hill climb on Giant's Despair mountain, winning the \$1,000 Hollenbeck Trophy and defeating four 12-cylinder cars, several well-known racing creations

and many of the highest-priced and highest-powered American cars.

## Wins Pike's Peak Climb

August 11, 1916, a Chalmers carried off first honors in the 230 cubic inch class on the terrific grades of Pike's Peak in Colorado. Its time was within a few seconds of much higher-powered, and specially built machines.

## Detroit to Indianapolis

On June 12, 1916, the Chalmers set a new record over the roads between Detroit and Indianapolis, 305 miles, making the trip in eight hours, 23 minutes.

## Atlanta to Chattanooga

June 24, 1916, a Chalmers lowered all records between Atlanta and Chattanooga. The distance of 125 miles was covered in 3 hours, 53 minutes. This is faster than the time of the Dixie Flyer, the fastest railroad train of the south.

## Dallas to San Antonio

Another famous train—the Katy Limited—was beaten by a Chalmers between Dallas and San Antonio. The Chalmers made the run in 9 hours and 22 minutes, 1 hour and 33 minutes faster than train time.
