

## Tomorrow in the Churches

### Jones is Elected 1917 President of Sunday Schools

Officers of Wayne County Sunday School Association were elected yesterday at Cambridge City as follows: President, Edgar P. Jones, of Milton; vice-president, Harry B. Reeves, Richmond; secretary, Miss Laura M. Bertch, Centerville; treasurer, W. A. Tarkin, Milton.

The annual convention held Thursday and Friday in Cambridge City, proved to be one of the most successful ones ever held. Three hundred twenty-five people registered the first day.

The elementary department had its headquarters in the Christian church, and the secondary department in the Presbyterian. Sessions were held in Methodist Episcopal church.

**Departmental Work**  
Reports from the home department showed that out of 82 schools only 33 schools have home departments. East Main Street Friends church has the largest department with an enrollment of 107.

Miss Jessie Cornell, of Cambridge City, superintendent of the County Home department, spoke on the necessity of every school having a home department. She said, "The Home department is for the people; folks who can't come to Sunday school, and folks who won't come. One hour a week will accomplish wonders, if done systematically."

Miss Emma Lemon, of Indianapolis, spoke on "Lesson Preparation." Her principal plan was, use the Bible, get the context of the lesson, use the quarterly, and plan your time.

Prof. F. G. Pickell spoke on the importance of Teachers' training work. He said, "The Sunday school must be efficient; the weakest spot is in the teaching force."

Karl B. Crawford, of Milton, gave a temperance address, and Mr. White, of Richmond gave a short talk on "Go to Sunday school and stay for Church."

The convention ended last night with an address by Rev. M. S. Hinkle, of East Main Street Friends' church. He spoke on "The Great Commission School."

#### THE MAGIC FLUID

Free-drops and come or calluses loosen and lift off with fingers. No pain!

The world owes thanks to the genius in Cincinnati who discovered freeseone, the new ether drug.

Five day bottles of the magic fluid can now be had at any drug store for a few cents. You simply apply a few drops of this freeseone upon a tender, aching corn or a hardened callus. Instantly the soreness disappears and shortly you will find the corn or callus so loose and shriveled that you lift it off with the fingers. Not a bit of pain or soreness is felt when applying freeseone or afterwards. It doesn't even irritate the skin or flesh.

For a few cents one can now get rid of every hard corn, soft corn, or corn between the toes, as well as painful calluses on bottom of feet. Everyone who tries freeseone becomes an enthusiast because it really doesn't hurt or pain one particle. Genuine freeseone has a yellow label. Look for yellow label.

Became Hard Crust Like Scale. Very Irritating and Itched. Kept Awake. Cuticura Healed.

She kept me awake nights and I got discouraged and worn out."

"When I read of Cuticura Soap and Ointment I sent for a sample. I purchased more, and in six weeks she was healed." (Signed) Mrs. Robert Capps, 160 W. Central Ave., St. Paul, Minn., August 28, 1916.
