

START TO PUT UP 150 TENTS AT CHAUTAUQUA

Workmen Arrive to Erect
Canvas Homes—Season
Tickets Changed.

With all of the first consignment of 150 tents for the 1917 Chautauqua camp sold, Secretary Wissler, announced Thursday that arrangements had been made to get a shipment of tents from the Miami Valley chautauqua to make up any further demand that might be made for tents.

The first allotment of tents were sold much sooner than they have been in other years, and as it is impossible to make any new tents, the directors of the chautauqua expected some difficulty in obtaining an additional number. The Miami Valley association, agreed to furnish what tents are needed and there will be ready for use by

the opening of the program on August 19.

Start on Tents.

All of the floors for tents have been built and the first shipment of tents was received Wednesday. Workmen from the tent company in Dayton arrived Wednesday night and began erecting the tents Thursday.

One of the features of the camp this year will be the Red Cross tent. Through the Red Cross society, a Red Cross "first aid" tent will be centrally located within the Chautauqua grounds and here persons who become ill while on the grounds, or who are injured may receive attention.

A representative of the Red Cross society, who will be in charge of the tent, will also have literature and specimens of the work done at the headquarters of the Richmond chapter and will explain the work of the society.

Many organizations of the city have arranged to have tents at the camp, and will maintain headquarters there.

Change Made in Form.
Season tickets, which have been on sale at downtown stores for the last week, are being sold rapidly, and the directors are confident that the required number of guarantee tickets will be sold before the opening of the assembly. A change has been made in the form of the season tickets this year.

Formerly season tickets were made in the form of booklets, with a coupon

for each day of the program. This year the season ticket will be a single card, bearing the name of the holder, and will be good for only one admission. Holders of season tickets who leave the grounds during the days will be given pass-out checks, and their season tickets will not be good for re-admission.

Under this new plan, the practice of some season ticket holders in the past, of allowing others to use their tickets will be eliminated, as a season ticket will be good for one admission only, each day.

PALLADIUM WANT ADS PAY

FORD OWNERS TO GET GOOD SERVICE

Announcement of much interest to all owners of Ford automobiles in Richmond has been made by the Ford Automobile company. The Webb-Coleman company has been granted the sales contract for Ford cars in nine townships of Wayne county, succeeding the F. W. Bethard company, former sales agents in this district. The new sales rooms of the Ford

company will be located at 19 and 21 South Seventh street and will be in Charles E. Webb and H. G. Coleman, of Detroit. Both of the men have had about five years experience in the Ford plant at Detroit and are experts in the assembling and repairing of Ford cars.

In addition to the sales agents, a corps of men from the Indianapolis plant of the company will be brought here to give Ford owners the best service possible in Richmond and surrounding territory. The repair force now maintained by the Bethard agency will continue in the employ of Mr. Bethard.

English Walnuts On Ratliff's Trees

Walter Ratliff has English Walnut trees in his government experimental grove which are bearing.

This indicates, he says, that English Walnuts may be grown in this latitude, although the trees will not bear as well in a colder climate.

There are not more than half a dozen English Walnut trees in Wayne county, Ratliff says.

You Are The Judge and Jury of Any Purchase You Make Here

We don't want you to attend this sale unless you honestly
feel that you are going to get your money's worth.

Dave Teeple Sold Out

His stock was not made up of cheap, no-account shoes; it was clean and consisted of all high quality footwear. We would gladly carry this stock, but Teeple bought too much for us to handle and we must reduce this stock at sacrifice price.

Only Two More Days Remain of This Big Shoe Sale

You can't afford to stay away—if you don't want the low shoes we are offering, then buy the new style High shoes for Fall and Winter as they too are included in this sale at reduced prices.
