THE NEW GLOBE BASE BURNER

Any Stove May Be Bought on Easy Terms of Credit If Desired

More STYLE More HEAT at Less Expense You Must See It To Appreciate

Burn Less Coal Give More Heat

Globe Base Burners will do both because of their scientific construction. Powerful heaters and beautiful in appearance.

Buy a Perfection OIL HEATER

Good-looking, safe and inexpensive. Come in at any time and let us tell you more about it.

Cosy Gas Heater

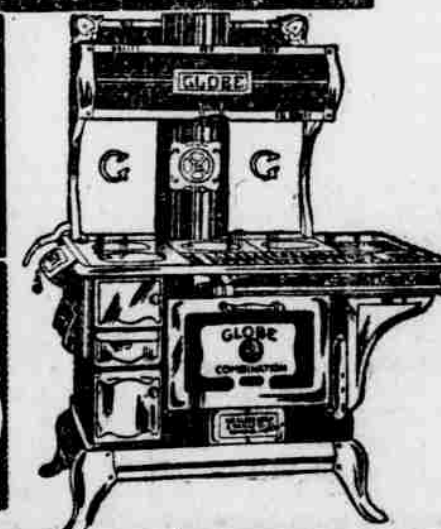

\$2.75

COPPER BACK GAS HEATERS—The well known "Peerless" line in all sizes—a size suitable for any purpose; strongly constructed, neat appearing and good heat producers. They save the gas too. Price \$2.25, \$2.75, \$3.75, \$5.00, \$6.00.

Globe Combination

Globe Combination Coal and Gas Range. Burns Gas or Coal or Both in the Same Range.

There are no complicated and obstructed flue systems. The oven heats as well when burning coal as it does when burning gas. No standard coal range heats the oven better or more evenly. The completeness of the range is in every detail. It is absolutely reliable, efficient, economical, convenient and sanitary.
