GERMAN PLOTS STIR ARGENTINE

BUENOS AIRES, Oct. 12.—There
is much concern among the people of
Argentina over disclosures of German
intrigues to bring about a conflict be-
tween Brazil, Argentina and Uruguay.

The Argentine papers comment exten-
sively on the disclosure that the German
legation at Buenos Aires paid for the
publication of a booklet by the
editor of a newspaper in this city,
predicting war between Brazil and Argentina.

Senor Carlos Rodriguez Larreta,
the former Argentine minister of fin-
ance, declares in a published article
today that a Von Luxburg dispatch
which has not been yet made public,
refers to German intrigues in Argenti-
na and southern Brazil.

He says that the neutrality demon-
stration planned for next Friday is
ill-timed, as it must stamp Argentina
as pro-German, at a time when sister
republics are breaking with the com-
mon foe.

Local Woman Tells of Aid Tanlac Gave

Says She Gained Flesh Until
She Had to Stop Taking
Tonic.

"It's a fact that I had to quit tak-
ing Tanlac because I was gaining too
much flesh," said Mrs. Frank Martin,
1129 Boyer street, this city.

"My stomach was all out of order
before I took Tanlac. I have a heavy
feeling in my stomach after eating
and it would make me feel miserable.

"I often was bothered with a dull
headache, too, and felt draggy and
drowsy a great deal of the time. I
had dizzy spells sometimes, also.
"I read so much about Tanlac in
the papers that I decided to try it. I
took almost a bottle of Tanlac before
it helped me much and then it just
seemed to strengthen me right up. I
got better rapidly after that and
started gaining flesh. I gained right
along after that and finally stopped
taking Tanlac."

Tanlac is a tonic and strength build-
er. It is especially designed for the
man or woman who feels run down.
Get Tanlac today if you are not feel-
ing right. Any good drug store in
Richmond and all surrounding towns
sells Tanlac.
