## Catarrh of Stomach for Years Doctors Said No Hope

Mr. A. M. Ikard, Box 31, West Burlington, Ia., writes: "I had catarrh

of the stomach and small intestines for a number of years. I went to a number of doctors and got no relief, and finally one of my doctors sent me to Chicago, and I met the same fate. They said they could do nothing for me; said I had cancer of the stomach and there was no cure. I almost thought the same, for my breath was something awful. I could not eat anything without great misery and I gradually grew worse. Finally I concluded to try Peruna, and I found relief and a cure for that dreadful disease, catarrh. I took five bottles of Peruna and two of Manalin, and I now feel like a new man. There is nothing better than Peruna, and I keep a bottle of it in my house all the time."

Our booklet, telling you how to keep well, free to all. To those who object to liquid medicines can now procure Peruna Tablets.
