

CONDUCTOR OF ORCHESTRA HIT IN BALTIMORE

BALTIMORE, Nov. 7.—Former Gov. Warfield denounced Dr. Karl Muck to a big assemblage at a patriotic meeting at the Lyric theater this afternoon. It was in this hall that the Boston Symphony orchestra concert was to be held tomorrow night.

In the course of his address Gov. Warfield read a letter from Cardinal Gibbons, in which he said:

"I regret that I cannot attend the meeting arranged in honor of the 'Star Spangled Banner' but shall be with you in spirit and approve with all my heart of the efforts being put forth to surround the sacred emblem of our country with all the respect which it should command."

"As with the ark of the old covenant, he who touches it with profane hands shall suffer."

Hopes Key Haunts Director.

Capt. Hughes, representing Gen. Kuhn and Gen. Nicholson at Camp Meade, said he was there to voice the protests of his generals of the army here and the army over there. He concluded: "Muck's reference to the 'Star Spangled Banner' was sufficient to make Francis Scott Key turn over in his grave, and I hope that Key will arise in his grave and haunt Muck."

Deafening applause greeted the remarks.

Resolutions were adopted denouncing Dr. Muck for having refused to play the national anthem.

"We consider he has publicly insulted every patriotic citizen, and especially every citizen of Maryland, the state in which the national anthem had its birth," they say.

Encore for Dr. Muck.

WASHINGTON, Nov. 7.—After he had led the Boston Symphony orchestra in the "Star Spangled Banner," Dr. Muck, the German director, was escorted this afternoon by an audience that filled every available space in the National theater.

The encore was given at the close of the program, the audience refusing to leave until Dr. Muck returned to the stage and bowed. Such an encore at dedicated orchestra concerts is said never to have occurred in Washington. Secretary of the Interior Lane and party occupied the White House box.

DR. ZIMMERMAN THANKS VOTERS FOR LOYALTY

To My Friends:

I wish to thank the voters of Richmond who have shown their unwavering confidence in me by electing me for mayor for the fifth time in spite of attempts to destroy that confidence, and I assure you that you have not misplaced that confidence for I shall give you the best administration the city has ever had, asking only that the voters bear in mind the condition of the city when I take charge, and the handicap which I will have from that condition. I want to take this opportunity to assure those who fought me that I bear no malice and when I take office as mayor all citizens will be on an equality so far as my official acts are concerned.

DR. W. W. ZIMMERMAN.

William Stevens also issued a statement thanking the voters for their support.

Constipation Makes Baby Uncomfortable

When its tender little organs are bound up with a congestion of stomach waste in the bowels, baby is a mighty uncomfortable morsel of humanity, and reflects its discomfort in its disposition. If mother will just give it a tiny dose of a mild laxative, such as Dr. Caldwell's Syrup Pepsin, the congestion will quickly loosen and be expelled, and her child be normal and happy once more.

Dr. Caldwell's Syrup Pepsin is especially desirable for children, because it contains no opiate or narcotic drug, being a combination of simple laxative herbs with pepsin, mild and gentle in action, positive in effect, and very palatable. Children like it and take it readily. Druggists sell Dr. Caldwell's Syrup Pepsin for fifty cents a bottle; a trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.
