Counties May Have as Many Guards as Possible

INDIANAPOLIS, Jan. 8.—In some quarters of the state an erroneous impression is abroad as to the number of companies of Liberty Guards that may be organized in a county, some asserting that only one or two companies are allowed in each county. This is a mistake the Indiana State Council of Defense announces; as many companies will be organized as there are communities that can raise a quota of 50 or more men. Some counties are now organizing four or five companies. In Marion County it is hoped a full regiment of twelve companies will be enrolled.

A Sure Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.—Adv.

THISTLETHWAITE'S

Five Cut Rate Drug Stores

Richmond, Indiana

January 7th, 1918.

Advertising Manager, Richmond Palladium,
Richmond, Indiana.

Dear Sir:—My advertisement in last Thursday's issue of the Palladium announcing the opening of cut-rate Grocery department in each of my five drug stores, demonstrated two facts conclusively:

First—That the people of Richmond are conserving their resources and are eager to follow Mr. Hoover's suggestion and carry their packages home, when they can make a substantial saving by doing so.

Second—That if an advertiser wants to reach all the people of Richmond and vicinity, he can do it through the Palladium.

I ran only one advertisement announcing grocery departments and the enthusiastic response far exceeded my expectations. I had a number of extra clerks but we found it impossible to wait on all, in fact many were unable to get into our crowded stores.

Yours truly,

Clem Thistlethwaite
