

## SNOW STORM HELPS ITALY

(By Associated Press.)  
Snow has come to the aid of the Italians and the Austro-German offensive apparently has reached a halt if not an end. The whole mountain front where the enemy had been making slight but steady gains, is buried under from three to five feet of snow making infantry operations impossible and hampering the Austro-German supply lines seriously.  
Heavy snowfalls in the Alps are reported to have blocked the enemy communication system in the Trentino and Carnia leaving them only two long lines across the Venetian plains to the Piave which would be of no help to the snowbound troops between Lake Garda and the Piave. The enemy troops on the eastern bank of the Piave are not troubled so greatly by the snow but previous efforts to cross the river in force have failed. The bombardment on the northern front has slackened with the coming of the long expected snow and only patrol engagements have occurred. It is indicated that the enemy will be unable to begin operations in an effort to complete his conquest of Venetia while his supply lines are snow-bound.

## Dayton Team Unable to Play Scheduled Game

The Dayton bowling team which was to have met the Richmond picked bowling team, Thursday night on the Twigg alley, will be unable to get here owing to an important bowling meeting at Dayton.  
William Agnew, of Cleveland, president of the American Bowling Congress and several of his subordinates will be in Dayton Thursday to make arrangements for Dayton's entrance into the National Bowling tournament and so the Dayton team will not arrive as that team is the one that will represent Dayton at Cincinnati. However a date with the Dayton team will be made later.

## BIBLE STUDENTS GIVEN DIPLOMAS

Diplomas, certificates and memberships were given the boys who had successfully passed their examination in Bible study work at the Y. M. C. A. last season by Acting Secretary Schwan Wednesday evening at the annual dinner.  
Boys' Secretary Orville Brunson arranged an interesting program of musical numbers. Harry Doan acted as toastmaster.  
Rev. F. A. Dressel, of First English Lutheran church, made an interesting talk.  
Places were arranged for 76 boys.

European factories each week make about 16,000,000 pounds of artificial butter with coconut oil as a base.

## GET MACHINE LICENSES NOW

Chief of Police Gorman, Thursday issued a warning to Richmond automobile owners who have failed to get 1918 licenses.

Automobile owners should have obtained their new licenses by the first of the year but only a few in Richmond have complied with the law.

They will be given a reasonable length of time in which to obtain the new licenses before prosecution starts, however, the chief said. After that time, the owner who has put his car up for the winter months will not be "allowed to violate the law in the spring."

Chauffeurs are also warned that they must secure their licenses immediately.

## Weinbrenner Given Penitentiary Sentence

The circuit court Thursday passed a sentence of from two to fourteen years on Arthur R. Weinbrenner, blacksmith, who was found guilty of assault and battery with intent to kill by the jury Wednesday.

Weinbrenner assaulted his wife last Friday night while he was drunk and hurled a lamp at her, cutting a large gash in her head.

The jury was out several hours before bringing in the verdict of guilty. The harsh murder case, which had been set for Wednesday, is postponed to Monday.

## Three Richmond Boys to Officers Training Camp
