TWICE-TOLD TESTIMONY

Richmond People Are Doing All They Can for Fellow Sufferers.

Richmond testimony has been published to prove the merit of Doan's Kidney Pills to others in Richmond who suffer from bad backs and kidney ills. Last any sufferer doubt this evidence of merit, we produce confirmed proof—statements from Richmond people who again endorse Doan's Kidney Pills—confirm their former testimony. Here's a Richmond case:

J. A. Williams, lumber man, 221 S. Ninth St., gave the following endorsement in July, 1912: "Doan's Kidney Pills have done a lot of good in our family and we are glad to recommend them. I used Doan's when my kidneys were weak and when my back was aching. They strengthened my kidneys and stopped the pains."

On November 22, 1917, Mr. Williams said: "Doan's Kidney Pills are the best kidney remedy I ever used. I know they are worth a trial by anyone who needs a good kidney medicine."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Williams had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more sniffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night. Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Get Ely's sure. (Adv.)

During the evening Mr. Nushbaum was presented with a comfort kit. He leaves tomorrow for Chicago to enter the quartermaster's reserve corps, and will be assigned to some camp in the south.

FIGHT FOR YOUR LIFE
Duty Demands Robust Health
Fight to get it and keep it!

Fight—fight day in and day out to prevent being overtaken by ills and ailments. Keep wrinkles from marring the cheek and the body from losing its youthful appearance and buoyancy. Fight when ill-health is coming with its pallor and pains, defects and declining powers. Fight to stay its course and drive it off.

But fight intelligently. Don't fight with weapons that can win the day for without the intelligent use of effective weapons the pallor spreads and weakness grows and a seemingly strong man or woman oftentimes becomes a prey to ills after all. You will not find this class of persons in the hypochondriac ranks. No unhealthy, dull, draggy, droopy persons in that line. It is a hale, hearty, robust aggregation of quick-stoppers who view life in a joyous frame of mind and are mentally and physically equal to any emergency. Hypochondriacs stand for sound body and sound mind—It is the invigorating tonic of the times—powerful and unsurpassed as a health restorer, vivifier and health preserver. Fight to hold the vigor of a sound body with hypoferrin or to stay the process of decay and restore health and strength—you win. This tonic of amazing, wonder-working properties has been approved by physicians as a restorer and safeguard of health. It is a thoroughly scientific preparation of the very elements necessary to tone up the stomach and nerves, to build strong, vital tissue, make pure blood, firm flesh and solid, active, tireless muscles.

Hypoferrin contains those mighty strength-producing agents, lecithin and iron peptonate, in a form best adapted to benefit the body and its organs. Its ingredients are absolutely necessary to tone up the system, to get out of a run-down condition, to allow pale complexions that "all in" feeling and frail bodies are due to lack of lecithin and iron peptonate in the system. Your mental and physical strength and endurance depends upon a lecithin and iron peptonate laden blood; steady, dependable nerves and a healthy stomach. With these you can meet life at any angle.

This wonder tonic, hypoferrin, which is as perfect as science can get to nature meets every essential demand of the human organism. It is safe and sure and a boon to run-down, worn-out men and women. Hypoferrin means nature's own way of bringing strength to the cheeks, strength to the body and keeping the vigor and buoyancy of youth. The powder of white sugar of effervescent beauty is not needed by hypoferrin women and girls. Their blood, filled with nature's beauty stores, creates conditions that give firmness and grace to the body and the glow of health to the cheeks.

Mrs. Foulke Gives Junior Red Cross Ten Scissors

Mrs. William Dudley Foulke gave the Junior Red Cross department ten pairs of scissors, Tuesday. The scissors were needed for the many children who assist with the snipping each day. There has not been enough equipment for them to work efficiently.

Mrs. Frank Crichton, head of the department, said Tuesday seventy-one snipping pillows are ready for shipment.

THOUGHTS TO THINK ABOUT

Mind is more valuable than muscle, but neither is worth anything if it is idle.

Rich and poor alike must hew out their own destinies. Wealth cannot bring success.

Life's problems are solved by him who works; he thinks as he labors, he never shrinks.

The success-seeker is the success finder; the doubter always fails.

FAT REDUCTION IS NOT SINFUL

The purpose of Beauty is to refine the native uncouthness of human nature. We all bow to its power. It is the only autocracy that has no nihilist shadow. Alas! this means the fat woman must serve instead of rule, for beauty in woman is a composite of both line and feature.

Thousands of fat women are beautiful of face. But they lag behind in the race for preference—because a too voracious outline dashes the favor their face has gained them.

Now, pretty fat women can reduce hat fat (not the good pure-lined flesh) in a very simple way. No exercise—no dieting is necessary. Let them take one Marmola Prescription Tablet after each meal and at bedtime for a month. The fat will simply fade. No wrinkles or pouches of skin will form, but the loss will be uniform. The fat will go as stealthily as it came; fade away. The health will improve, the eye grow more brilliant, the wit sprightly. Marmola Tablets are a boon—and harmless (being made from the famous fashionable prescription: 1/2 oz. Marmola, 1/4 oz. Fl. Ex. Cascara Aromatic, 4% oz. Peppermint Water), and are likewise cheap, a large case of the druggist or the Marmola Co., 864 Woodward ave., Detroit, Mich., costing only seventy-five cents.—Adv.
