

## COUNTY PROHIBITIONISTS CONFERENCE TO BE HELD HERE

Wayne Prohibitionists Will Discuss Coming Fight at Meeting, Feb. 22.

With Indiana's new prohibition law going into effect April 3 and the Federal amendment now up to the state legislatures, Hoosier Prohibitionists claim the best part of their fighting is yet to come. According to State Chairman, J. Raymond Schmidt, there is a threefold purpose to be carried out: To see that the state-wide law is rigidly enforced; that Indiana is one of the first states to ratify the Federal amendment and that our president, congress and senators are constantly reminded of the need of war prohibition as an aid to winning the war against autocracy. Especially are there tremendous possibilities in the movement for war prohibition. The conservation policy of the government to be successful, say the Prohibitionists, must prohibit the astounding waste of food stuffs, fuel, car space and man power occasioned by the manufacture, traffic in and use of alcoholic beverages.

The enlargement of the above program will be the main business of the Wayne county Prohibition conference to be held in the court house, Friday, February 22 at 10:00 a. m. and 1:00 p. m. The conference will also select delegates to the Prohibition state convention which meets in the auditorium of the Indiana Pythian building, on April 2 and 3. Another problem of considerable interest to prohibitionists is that of the proposed merger of the Prohibition party with the National party. A "for and against" referendum will be taken among conference attendants to determine the will of party workers in that matter.

The afternoon session will be addressed by State Chairman, J. Raymond Schmidt, of Indianapolis. He will be a brand new view of the prohibition question under the heading: "War's Challenge—Our Answer." Last year he addressed 356 audience and devoted a month of his time to the Ohio dry fight under the direction of the Ohio Dry Federation.

Rev. A. A. Worth, Martin P. Davis of Fountain City; Zimri Hanson, Jas. H. Pierce, Jesse Reppole of Hagerstown; Mahlon Lindsey, J. E. Eves and Miss Bertha Hogan of Richmond and Mrs. Sophia B. Huff of Fountain City, president of the County W. C. T. U., are lending their time and energies for the success of the conference. They will be glad to have co-workers and friends avail themselves of the opportunities offered by the conference.

## Today's Thrift Stamp Winners

Limericks from all parts of the county are being received by the Limerick editor. The contest is especially for children and all children in all parts of the city and county are urged to contribute limericks on thy thrift stamps should be bought.

Thursday's winners are:

Oh soldier boys in khaki clad  
We know this news will make you glad  
We are going to help you win this war  
By buying Thrift Stamps, more and more.

Mary Virginia Matthews, Centerville.

Oh for a quarter!  
What would you do?  
I'd buy a Thrift Stamp  
Wouldn't you?

Glendower Kenny, 47 South 18th street.

Our boys over there must have meat  
For when a man fights, he must eat  
We can live on corn bread  
And be mighty well fed.

Buy Thrift Stamps and send Sammie the wheat.

Frances Louise Callaway, Cambridge City.

Hurrah for our flag, the red, white, and blue  
I'll lend to my country, of course, wouldn't you?

I'll buy all the Thrift Stamps I possibly can

And would like to do more for Old Uncle Sam.

Raymond Luby, 234 So. Twelfth street.

## Court Records

### Marriage Licenses.

Albert L. Jordan, 28, farmer, Munice, Ind., to Mary Hartup, 27, housekeeper, Williamsburg, Ind.

Grace Williams filed suit Thursday in circuit court for divorce from Elias C. Williams and restoration of her maiden name of Johnson.

They married May 29, 1907, and lived together until September, 1917. Mrs. Williams alleged that Williams called her vile and indecent names, cursing her before other persons.

## On The Screen

WASHINGTON

Over and above a score of others, two smashing big scenes stamp "The Auction Block," by Rex Beach, a spectacular motion picture production, at the Washington the last time to do.

The first of these is the overturning in a Pittsburgh steel mill of a huge crucible of molten metal and the blotting out in a flash of the life of a workman whose daughter, standing at the door of the pouring room, later becomes one of the chief figures of the story.

Director Larry Trimble left nothing undone to provide realism for the mill story.

## HEATLESS DAYS ARE CALLED OFF

WASHINGTON, Feb. 14.—Unless the return of bad weather brings another breakdown in railroad transportation enforcement of the heatless Mondays program has ended in all sections with the probable exception of New England.

Formal suspension of the closing down order was announced yesterday by fuel administrator Garfield with the reservation that it may be put back in force before the ten weeks period expires March 25, if weather conditions make it necessary. The action of the fuel administration was concurred in later by Director General McAdoo, who issued a statement calling attention to the danger of more transportation difficulties and the necessity of saving coal.

The preferential coal distribution list established by the closing order, however, remains in force and Director General McAdoo announced there is still adequate reason for maintaining railroad embargoes on nonessential commodities.

Dr. Garfield gives to the state fuel administrations full power to close all establishments they may think necessary. In this connection J. J. Storrow, New England administrator, indicated that it may be enforced there as the coal shortage is still acute.

scene. Fifteen hundred extra people are in the mob which, led by the girl whose father has been shriveled to a cinder before her eyes, storms the gates of the plant seeking the life of the superintendent, whose mania for high production figures has caused the accident.

MURRAY

The vaudeville bill which opened at the Murray this afternoon is comprised of the dealers in nonsense, "The Doherty's" a couple of clever young chaps in a singing and talking number that is especially good and Sigmund and Manning, musical entertainers who render both classical and popular numbers with equal ease upon the different instruments.

Ruth Stonehouse, the popular screen star is seen in "The Phantom Husband" a story of a country girl, neglected by the other boys and girls of the town, decides to have a "make believe" sweetheart and thereby hangs the sweet story.

The feature picture for tomorrow will be the famous "two gun man" of the screen, Roy Stewart in "Law's Outlaw."

MURRETTE

Love notes are no novelty to Alma Rubens, who is starred in the Triangle play, "I Love You" at the Murrette theatre tonight, but she recently received one that was quite some different.

The letter was postmarked "Yokohama," and Alma was eaten up with curiosity for several days. Then Charles Gunn suggested that Tom Kurihara, Triangle Japanese actor, might shed some light on the mystery.

It took the Orient but a few moments to tell Alma that it was the same old story, only from a different quarter. "Hon. Japanese school boy wants you to picture bride," grinned Kurihara. Alma declined with thanks.

## CITY STATISTICS

### Deaths and Funerals

BANNING — Bridgett Banning, 70 years old, died at Cincinnati Thursday. He was born in Richmond. The body will be brought to the parlors of Jordan, McManus, Hunt and Waltermann Friday evening. Funeral services will be held at 9 o'clock at the St. Mary's church Saturday morning. Burial will be at St. Mary's cemetery.

TONEY — Funeral services for Carey Toney will be held Friday afternoon at 2 o'clock at the parlors of Jordan, McManus, Hunt and Waltermann.

## "BETTER ROADS" ARE DISCUSSED BY SUPERVISORS

Co-operation, efficiency and service were keynotes of Superintendent of Roads Jones' talk to the twenty-one assistants assembled at the courthouse Thursday for the first of the regular semi-annual meetings.

Jones emphasized the need for each road supervisor being wide awake and ready to adopt the best and most advanced methods of road supervision in order to give the taxpayers of Wayne county the greatest return for money invested.

At the opening of the afternoon meeting the men presented Jones with a watch, chain, and charm in token of their respect for him and the good roads he has been instrumental in producing.

He outlined the new work for the year and said he expected to give Wayne county far better roads. In summary he said that Wayne county had the biggest and best system of workers of any county in the state.

Seven short talks were made by the assistants. They were as follows:

"Drainage, the most vital item of efficient roads," by E. L. Norris of Richmond; "Grading, when, how, and the best plan," J. M. Burt, Fountain City; "Dragging roads," Frank Clark, Centerville; "Condition gravel pits should be kept in," Albert Kramer, Greenfork; "The care and maintenance of macadam and cement roads," Ed Doran, Richmond; "The best results in handling labor," Linc Watkins, Williamsburg; and "Care and upkeep of tools and machinery," Alva Study, Fountain City.

FIRST AID CLASSES ARE ESTABLISHED AT Y. M. C. A.

First aid classes have been organized at the Y. M. C. A. in connection with the work of the physical department under the direction of Acting Secretary Schwan. The work will start February 18 and continue until April 15.

Members will be charged 1.00 and non-members \$1.50. Registration may be made at any time.

## File Petition for the Appointment of Executor

Mrs. Eva Sparks and Mrs. Minnie Wiggins filed a petition Thursday in probate court for the appointment of the American Trust and Savings bank as executor of their sister's estate. Their sister was burned to death last April at Indianapolis where she resided.

It was through a disagreement on the settlement of this estate, instead of that of the father who died a few days ago, that James Edward Fuson was fined \$5 and costs Wednesday in police court for striking his sister, Mrs. Minnie Wiggins.

"Y" POOL IS CLOSED

Richmond women will not swim Friday afternoon and evening. The pool has been closed by order of Fuel Administrator Bates. Acting Secretary Schwan said Thursday the water carnival to be held some time this month may have to be postponed.

### TEACHERS WILL MEET

Teachers of the Sixth district will meet in Richmond, March 23-24 instead of March 8-9, according to an announcement made Thursday by Superintendent Giles. The sessions will be held in the high school.

Missionaries from the Y. W. C. A. are assisting in the relief of the blind in China.

## SUDDEN ATTACK BROUGHT THREAT OF OPERATION

Sent For a Bottle of Frutola and Was Quickly Relieved of Gall Stones.

After treating with several doctors for stomach trouble and getting no relief, Mr. T. L. Sherman, 17 Crocker Ave., Johnson City, N. Y., says he was taken very suddenly one night with severe pains, and on calling the doctor was told he had gall stones and that an operation was necessary to remove them. Mr. Sherman writes: "I had heard of Frutola, so sent for a bottle and took it as directed. I was quickly relieved of a quantity of gall stones, and continued the treatment. Now I am quite well, and have regained over forty pounds lost weight."

Frutola and Traxo are compounded from the original Eddas formulas at the Pinus laboratories in Monticello, Ills., and can be purchased in drug stores; a doctor's prescription is not necessary.

Frutola is a pure fruit oil that acts as an intestinal lubricant, and disintegrates the hardened particles that cause so much suffering, discharging the accumulated waste to the sufferer's intense relief. One dose is usually sufficient to indicate its efficacy. Traxo is a tonic alternative that is most effective to rebuild and restore the weakened, run-down system.

A booklet of special interest to those who suffer with stomach trouble can be obtained by writing to the Pinus Laboratories, Monticello, Illinois.
