Accomplishes Most Wonderful Results

"I want to thank you for your wonderful oil," states Mr. J. C. Gibson, of Jonesboro, Ark. "My little girl was low with diphtheria. I had given her two doses of medicine which did not help with no results. I bought a 30c bottle of your oil and one application relieved her. Now she is well. It is the greatest remedy I ever saw." Mr. Gibson made this statement before hundreds of people. Mrs. Florence Meager, 234 Whitney Street, Hartford, Conn., writes: "I have used your Antiseptic Oil for nearly eight years with good effects. Only this fall I have ever had a cold and the pain immediately." Mrs. Williams, Gadsden, Ala., writes: "I have used your great pain oil for rheumatism, stiff joints, also for sore throat. I used to take this oil in the greatest remedy I ever tried. I recommend it to all sufferers." Many cures reported daily from thousands of grateful users of wonderful oil. Satisfaction guaranteed. 30c, 50c and \$1.00 a bottle or money refunded. On sale at Thistletonwaite's Drug Store.

Physician Says Nuxated Iron Greatly Promotes Strength and Energy into the Veins of Men and Brings Ease to the Complaints of Nervous Run-Down Women.

Ask the first hundred strong, healthy people you meet if they have not been greatly relieved by "Nuxated Iron." Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital, (Outward Dept.) New York, and the Worcester County Hospital, Mass., says: "It is a powerful factor from iron deficiency, but not known what to take. There is nothing like organic iron—Nuxated Iron is quickly absorbed by the blood and gives a strong, healthy, active, vigorous tone to men. To make absolutely sure that my patients get real organic iron and not some form of the iron salts, I have them take Nuxated Iron in its original packages. Nuxated Iron will increase the strength and endurance of weak, nervous folk in two weeks time, in most instances."

Many physicians have recommended above by Dr. Sullivan can be obtained from any good druggist, or without a physician's prescription on an absolute manufacturer's guarantee of success or money refunded.
