

BUSINESS IS GOOD---HERE!

For ten years this business has grown, until today it is going ahead more rapidly than ever. Why? There CAN be no reason except standard merchandise at LOWER prices. In this time of uncertain values when every day brings new and unexpected changes in market conditions, new costs necessitate new selling prices. During this period of uncertainty we feel more strongly than ever our obligations to our customers and will do everything within our power to keep our prices down. If you can buy cheaper elsewhere—by all means do it. If you can't—then we want your business. It's your patriotic duty to save—it's a crime to waste money these days.

**HULL'S SUPERLATIVE IS HERALDED AS
NATURE'S GREAT VITALITY BUILDER**

Scores of Richmond Men and Women Greatly Benefited by this Well Known Preparation.

Build up your vitality and drive sickness from your body. You can do it easily and quickly by taking Hull's Superlative just as hundreds of others are doing today. Hull's Superlative is a preparation that has been of undoubted value to mankind for the past 28 years. It has demonstrated to thousands of men and women that it is easier to be well and strong than weak or ailing all the time. Hull's Superlative produces astonishing results because it contains the very salts and minerals lacking in a sick body. That this is true is proven by the fact that when the blood carries enough of these minerals to the tissues, repair work begins and sickness vanishes.

NOT A "CURE-ALL"
Hull's Superlative is not a "cure-all." Neither is it a medicine in the sense that drug poisons are. It is a vitality builder—gives nature

the assistance it needs and must have to maintain a proper health-balance in the body. That's why Hull's Superlative routs colds, grip, tonsillitis and similar ailments in a hurry. That's why it corrects stomach, kidney, liver, bladder and nerve troubles, banishes rheumatic conditions and other ills caused by exposure, careless habits, improper diet and a general run-down condition.

MONEY-BACK GUARANTEE
So absolutely certain are the makers of Hull's Superlative of its undoubted value in any sickness or ailment that they personally have instructed each druggist to say to every customer, "If Hull's Superlative does not give the results you think you should get, bring the bottle back—partly full or empty—and get your money. I don't want a cent of your money if this preparation does not help you. The Hull Medicine Company guarantees it to me. That's why I can afford to make my guarantee to you so strong."
