

# PRESSES GRIND OUT FIRST OF LIBERTY BONDS

U. S. Will Turn Out 500,000  
Bonds Daily Until Issue is  
Printed.

WASHINGTON, Sept. 24.—Within a few hours after the Treasury Department had determined the terms of the next Liberty Loan, more than 500,000 of the fourth issue had been printed by the Bureau of Engraving and Printing and this institution is prepared to print that number or more daily until 35,000,000 separate bonds have been printed. A large proportion of these will be "baby bonds" of the \$50 denomination.

Announcement was made by the treasury department that the rate of interest will be 4 1/2 per cent. They will be dated October 24 and the first interest payment will be made April 15 for the 173 days intervening. Afterward semi-annual payments will be made on October 15 and April 15. It is considered probable that the fourth loan will be for maturity in either fifteen or twenty years.

It is believed the amount sought in this next loan has been fixed at \$6,000,000,000, but announcement is still being withheld. It was stated that payment of 40 per cent will be required on purchase, and 20 per cent additional as installments on November 21, December 19 and January 16, with a payment of 30 per cent as the final January 30.

May Still Pay Bonds Monthly.  
The initial payment, although due at the time of pledging, need not be paid until October 19, the end of the subscription period and loan campaign.

The installment dates will not interfere with the practice by which many subscribers have bought bonds through banks or other agencies and pay 10 per cent a month for approximately ten months. That arrangement, officials explained, is a transaction between the bank and its customers and the treasury is not involved.

Secretary McAdoo will make his first Liberty Loan address tonight at Carnegie hall, New York, before a rally arranged by the New York Loan organization.

## SURPRISED AT MODESTY OF U. S.

(By Associated Press.)  
LONDON, Sept. 24.—One Englishman writes from Kansas City to a London newspaper to express his surprise because Americans are not boasting over the achievements of the American soldiers in the war.

Before the Americans began to fight he was much impressed by evidences of great enthusiasm for the war and little realization of the sacrifices involved.

"I wonder what would happen when the Americans had their first big affair," he writes. "I anticipated an unprecedented burst of patriotism which would probably exaggerate what had been accomplished by the American troops."

"The German drive started, and the reports came in of the way the boys had held the line and stood firm, and in fact had done all that their home folks had expected of them. There seemed to be an ominous calm when the news arrived. I began to look for the uproar, for the enthusiasm which my previous experience had led me to expect."

"Now the enigma. The calm continued. One man said, 'We're getting a lot of credit. I wonder it's true.' Women, whom I had heard again and again making remarks to the effect that the boys would show them how to fight, were absolutely subdued. Not a single boastful expression have I heard. On all sides people are wearing a quiet smile. The external enthusiasm seems to have vanished right into their hearts, and today the United States is realizing with quiet pride the seriousness and tremendous possibilities of the cause it has undertaken."

## FOUNTAIN CITY

A party was given in honor of Ernest Fahien, Wednesday night, at his home west of town. Those present were Misses Gladys and Goldie Gifford, Dorothy Williams, Geneva Wright, Dorothy Shute, Olive Harrison, Ruth Fulghum and Alsie Fahien; Messrs Cecil Chenoweth, Harold Reynolds, Henry Macy, Kenneth Koonitz, Clarence Hannah, Roy McMath, Virgil Spencer, Clawson Keene, Harold Ross and Ernest Fahien. Games were played the fore part of the evening after which light refreshments were served. The following young people motored to Dayton Tuesday to the aviation field: Misses Geneva Wright and Mabel Bockhoffer; Messrs. Clyde Squiers of Centerville and Herbert Hodgins. Mrs. C. C. Fulghum was the guest of relatives near Richmond Tuesday. Miss Laura McDonnell, from Chester and Mr. Leonard Brown were Sunday guests of Miss Eva Rothermol. Miss Jessie Foreman spent the week end with relatives at Richmond. Miss Eva Rothermol gave a birthday party Sunday, Sept. 5, in honor of her brother, Charles Rothermol. Those present were Misses Ruby Leibold, Ruth Harter, Ruth Williams; Messrs. Robert Eubank, Herbert Burg, Robert Pike, Lawrence Brinkley, Lawrence Ryan, Forrest Harter and Charles Rothermol. Dinner was served at six o'clock and a good time was enjoyed by all. Several young ladies met at the home of Miss Orla Hunt, Tuesday evening, and organized the Yankee Girls' club. It will be a social organization, but at each meeting some form of war work will be engaged in. At this meeting the girls made comfort bags for the soldiers who have gone from this township, and knitted caps for French orphans. Those present were Misses Helen Carter, Grace Brennan, Shirley Harter, Mildred Davis, Mary Bonner, Helen Pegg, Katherine Pegg, Grace Pitts, Olive Hunt and Mrs. Floyd Pyle. The club will meet next Thursday evening with Miss Mary Bonner. The New Garden township organization of War Mothers will hold a meeting at the home of Mrs. Jennie Scarce, Monday, Sept. 23, at 2:30 o'clock. Every mother who has a son in the service is invited and urged to be present. Quite an odd way of raising money was used here Saturday to reimburse the comfort kit treasury of the Fountain City W. C. T. U. Each person was asked to donate a half dozen eggs or the equivalent in money. By this method \$18.00 was raised. The W. C. T. U. has up to the present time given a comfort kit to each of 29 boys who have entered the service of the United States from this township. Each kit contains scissors, thread, buttons, darning cotton, pins, needles, first aid dressings, a khaki-bound testament, etc. The best quality of each article is purchased and the kits have been greatly appreciated by the boys. The chairman and solicitors of the New Garden township Liberty Loan committee have been selected and are ready to begin work and put the township "over the top." The quota is \$60,975 and should be raised easily. The chairman of the men's committee is Thomas Brennan, and the chairman of the women's committee is Mrs. Lloyd Pyle.

Mr. and Mrs. Paul Williams and baby from Richmond spent last Sunday with relatives here. Miss Lucy Bogue has returned to her home in New York city after spending the summer with her mother, Mrs. R. G. Bogue. Rex Overman underwent an operation on his eye Monday at Richmond. The operation was a success and he is getting along nicely. Several young people from Fountain City attended Yearly meeting of the Friends at Richmond Wednesday evening. Mr. and Mrs. Emmett Fulghum and son of LaGrange, Ind., were the guests of Mr. and Mrs. Harry Wooters during the past week. Mrs. L. N. Hampton, Mrs. Jennie

## Sapho, Famous War Dog, Runs When Gun Goes Off; No Longer a Hero

(By Associated Press.)

CAMP SHERMAN, CHILLICOTHE, O., Sept. 24.—Sapho, the great Belgian shepherd dog, is no longer idolized among officers and privates at Camp Sherman as a hero of the war. Indiana men are among those who no longer look at the dog with a feeling akin to awe.

French officers detailed to this cantonment as instructors last fall told gliding tales of Sapho and the animal's work on the battlefields of Belgium and France. The dog, they said, had saved many lives and on one battlefield had saved the day for a small party of Belgians, according to the stories.

A few days ago Sapho was taken to the artillery range. With the first discharge of a gun, Sapho laid down her ears, stuck her tail between her legs and ran. Laughter broke out among the Americans at an observation point with French officers. "Why, what's the matter with Sapho?" they asked.

"She doesn't like blanks; just lead bullets," responded a Frenchman, who knew that only blanks were being fired. Nevertheless, Sapho is no longer a hero at camp.

Scarce, Mrs. Earl T. Smith and Mrs. Lloyd Pyle attended the meeting held at the Y. M. C. A. at Richmond on Wednesday for the women who are serving on the Liberty Loan Committee in the county. Chas. Hunt and family moved to Richmond Wednesday.
