HELP SAVE FUEL—No Dust. Simple to Operate

This shovel is approved by the Director of Conservation, United States Fuel Administration. It is better than scores of other fuel saving schemes on the market because you have no dust to contend with. It takes no unnecessary work to operate and is so simple any child can use it.

See that the flue is open, and the check draft and feed door of your furnace closed. Shake the fuel saver under the fire box and the dust will be drawn up through the chimney. The recovered cinders should not be put on the fire, but be thrown on the coal pile and burned whenever the furnace is fired.

**Five Waists
From One**

"SUCH a lovely pattern! Yet I tired of this waist as I had of others. One day Margaret told me her secret. Each waist—each item of dainty apparel—lives three to six lives of refreshing newness. When, with a few weeks' wear, a garment becomes commonplace—the color lifeless and faded—she revives its first attractiveness with a magic soap that dyes as it cleans. This soap is Cinderella. It requires no boiling. It dyes fast color and won't wash out. I tried Cinderella. It quickly transformed my faded pink waist to a lovely flesh tint. Three times since, I have washed and dyed it with Cinderella, using a different color each time—and thus I have really had five new waists from one!"

Cinderella does not stain hands or utensils. It is harmless to skin and fabrics. A 10 cent cake cleans and colors five waists. Try it!

Millions Are Weak and Ailing Because of Acid-Stomach

There are any number of people who for years have been sick and ailing, weak, run down and in a poor physical condition who will be surprised—even dumbfounded—to learn that their trouble has just been an acid-stomach, which is merely another name for what doctors call superacidity. Yet it is now positively known that acid-stomach is the cause of a very large number of diseases.

Excess acid in the stomach prevents proper digestion and assimilation, thus causing the blood to become thin and impoverished as a result of which people become sallow-skinned, emaciated and anemic.

Excess acid causes irritation all along the intestinal tract—irritation so severe and aggravating as to frequently result in catarrh and even cancer of the stomach.

Excess acid causes stomach and intestinal fermentation, producing poisons which, absorbed into the blood and carried throughout the system, cause auto-intoxication, insomnia, nervousness, irritability, mental depression, melancholia, dizziness, vertigo and, often times, valvular heart trouble and heart failure.

Yes, many people will be greatly surprised to learn that such a long train of physical ailments can be traced directly to an acid-stomach. But there is no need for surprise. Think what acid mouth does to the teeth. The acid eats right through the enamel—the hardest substance in the human body. And that is exactly what makes teeth rot and decay. No wonder, then, that excess acid in the stomach plays such havoc; causes so much ill-health and misery—makes so many people weak and ailing—unfit for either work or pleasure and brings on premature old age.

So often you have heard the remark: "I've taken all sorts of tonics and medicines and tried many different doctors but nothing seems to help me." Nine times out of ten the person making such a remark has an acid-stomach. And until the excess acid is removed, nothing WILL help. Remove that excess acid and the results are truly wonderful. Health and strength return almost like magic.

You can now rid your stomach of its excess acid. A wonderful modern medicine called EATONIC literally wipes it out. It does the work easily, speedily and thoroughly. It makes the stomach pure, sweet, cool and comfortable. It helps you get full strength out of every mouthful of food you eat; and unless you DO get full strength from your food you cannot enjoy robust, vigorous health.

EATONIC is in the form of tablets. They are pleasant-tasting—you eat them just like candy.

Try EATONIC and see how wonderfully different you will feel. See how quickly EATONIC banishes the immediate effects of acid-stomach—bloat, heartburn, belching, food repeating, indigestion, etc. See too, how quickly your general health improves—how much more relish you take in eating—how much more easily your food is digested—how soundly you sleep—how nervousness and irritability disappear—how simply because, by taking EATONIC, you get rid of a lot of excess acid that has been holding you back and making your life miserable.

This is the help you need. You need it to keep your stomach in a strong, healthy condition so that, in turn, your mind and body will be strong and vigorous.

It is so easy to get this help—and it costs so little. So why suffer another hour when sure, quick relief is at hand? Ask your druggist about it. He knows that tens of thousands of people all over the United States have used this wonderful modern remedy and the results have been nothing short of marvelous. Everywhere people who have used EATONIC testify to its power to bring quick relief. The testimonials of some of these people are so enthusiastic and tell of such remarkable results as to be almost unbelievable.

If you are one of those who have "tried everything," but in spite of it are still lacking in physical strength and vigor, begin at once to take EATONIC. Don't put it off. Get back your physical and mental punch. Have the power and energy to work with a vim. Enjoy the good things of life. Learn what it means to fairly bubble over with health. Like thousands of others, you will say that you never dreamed it possible that such a wonderful change for the better could be brought about so quickly.

So get a big box of EATONIC from your druggist today. We authorize him to guarantee EATONIC to please you and you can trust your own druggist to make this guarantee good. If EATONIC fails in any way, take it back—he will refund your money. If your druggist does not keep EATONIC, write to us direct and we will send you a big 50c box. You can send us the 50c after you receive it. Address H. L. Kramer, President, Eaton Remedies Co., Corner Wabash Avenue and 11th Street, Chicago, Ill.
