### RHEUMATISM LEAVES YOU FOREVER

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poisons Start to Leave the System Within Twenty-four Hours. Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment. Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiable and where the patient was helpless. Allenru relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels. It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days. Any druggist can supply you.—Adv.

There are about 14,000 oysters in a ton.

**TOOK OUT DREADFUL SORENESS.** When the kidneys are weakened or overworked so that they fail to filter and throw all impurities out of the blood, the poison remains in the system and backache, soreness, lameness and rheumatic pains are likely to develop. Mrs. David Henry, 65 S. Lincoln Ave., Washington, N. J., writes: "Goley Kidney Pills are doing me much good, both my kidneys and the rheumatism. They took all the dreadful soreness out of my limbs. ## Blackheads are a confession

Blackheads are a confession that you are using the wrong method of cleansing for your type of skin.

Try the treatment given here and see how easily you can keep your skin free from this disgusting trouble.

Apply hot wet cloths to the face until the skin is reddened. Then with a rough wash cloth, work up a heavy lather of Woodbury's Facial Soap and rub it into the pores thoroughly—always with an upward and outward motion. Rinse with clear, hot water, then with cold—the colder the better. If possible, rub your face for thirty seconds with a lump of ice. Dry the skin carefully.

Do not expect to get the desired results by using this treatment for a time and then neglecting it. But make it a daily habit and it will give you the clear, attractive skin that the steady use of Woodbury's always brings.

To remove blackheads already formed, substitute a flesh brush for the wash cloth in the treatment above. Then protect the fingers with

a handkerchief and press out the blackheads. Thereafter, use Woodbury's Facial Soap in your daily toilet.

See how lovely your skin can be

Get your first cake of Woodbury's today. Begin now to overcome whatever condition is keeping your skin from being as lovely as it should be.

Blackheads, conspicuous nose pores, oily skin and shiny nose, blemishes, a sluggish, sallow skin—treatments for these and others of the commoner skin troubles are given in the booklet "A Skin You Love to Touch" which comes wrapped around the soap.

You will find a 25c cake sufficient for a month or six weeks of any Woodbury treatment and for general cleansing use during this time.

Get a cake today. It is on sale at all drug stores and toilet goods counters throughout the United States and Canada. The Andrew Jergens Company, Cincinnati, New York and Perth, Ontario.
