CAMP TEAMS GET READY FOR GAME

CAMP GRANT, Ill., Oct. 24.—The Camp Grant football team yesterday began the grinding work of preparing for the big game against Camp Taylor at Weeghman park, Chicago, on army day, Nov. 9.

Capt. Omer admitted that no definite hope on the team could be had at present. The first chance to judge his material will come Saturday when the team goes to Madison. The only chance the coaches have had to get a line on the team was in the game against the remount station last Saturday. In spite of the fact that the remounts had been organized longer they went down to a 45 to 0 defeat.

Lieut. C. H. Gray, line coach, who was formerly center on the Washington and Jefferson team and also on the Dartmouth eleven, said: "Our line compares with any in the country. We have a few surprises in store for Wisconsin."

Two former University of Wisconsin men were on the field. One was Lieut. Wallace Landry, star mat and grid-iron man. He will not be able to get into the game. Herold Stark, former Badger, will be in the back field Saturday.

Stores with Paris Branches Cannot Take Xmas Orders

An Indianapolis store which had arranged to take orders for Christmas gifts to be sent to American soldiers in France through its Paris store, has been compelled to announce that this cannot be done on account of the present congestion of postal service in France. A letter received by this firm says: "We regret exceedingly that we cannot accept Paris shopping orders but in the light of our knowledge of present postal congestion in France, we have no alternative."

"A cablegram just received says that the marketing and postal facilities are already burdened under orders and unshipped parcels that it will be impossible to guarantee any further packages reaching the addressees before Christmas."

Sound of Big Guns Is Music, Writes Soldier

Mrs. Ollie Wolfe has received a letter from her son, Sergeant Oscar Rhinehart, of Company B, 7th Engineers, Class I, American Expeditionary Forces. He says: "I received your welcome letter and was very glad to get it. I have a little news to tell you. We made a trip over the top and got through all right. It takes several Germans to get me. We are having good luck at this writing. I am writing this letter in the front line trenches. Have gotten used to the cannons. They are music to my ears. Every time I hear one spit I know she has gotten several Germans."

Freed British Prisoners Praise American Aid

(By Associated Press)

LONDON, Oct. 24.—Liberated British prisoners passing through Sofia on their way to Saloniki speak gratefully of the work done by the American consul general at Sofia in their behalf, according to a dispatch to the Mail. They said that, although the British and French prisoners endured much hardship, the Serbians were regularly beaten by their Bulgarian captors and often shot without excuse.

One British prisoner said, according to the dispatch, "The poor devils were thrashed, worked to death or slain in a way that no civilized country would allow a dog to be treated."

Some members of the British prisoners are said to have been pitifully pale and thin, but one said, "There are men in far worse condition than we come in."

GRAY HAIR BECOMES DARK AND BEAUTIFUL

Look Years Younger! Try Grand-ma's Recipe of Sage and Sulphur and Nobody Will Know.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

LABOR COMPLAINTS SERVED ON FIVE

The first five complaints which have been drawn up by the representatives of the War Labor Board in accordance with the regulations have been served upon the manufacturers, stated I. K. Russell, field representative of the War Labor Board, today.

These will be served on the manufacturers so that they will be given time to prepare for the hearings. Mr. Russell stated that a field representative from the War Labor Board would be sent out her to aid the laboring men who file the complaints and another would be sent out to aid the capitalists. In this way there will be no chance for partiality on either side and both sides may be well prepared for the hearings, he said.

All complaints that have been offered so far have been taken. Employees from the following factories filed complaints last night: Richmond Casket company, Hutton Casket company, Richmond Standard Mfg. Co., Davis Motor Car Co., Pilot Motor Co., Vulcan Spring Co., F. & N. Co., Miller-Kemper company and Hayes Track Appliance company.

Unfair Trade Practices Are Ordered Abandoned

(By Associated Press)

WASHINGTON, Oct. 24.—Trade practices branded as discriminatory and unfair were ordered abandoned by the federal trade commission today in notice served on three business concerns.

The Wayne Oil Tank and Pump company of Ft. Wayne, Ind., was ordered to discontinue price discrimination, efforts to hamper and discredit

competitors and misrepresentation of its product. John F. Buckie and Son of Chicago, makers of printers' rollers, were served with notice to abandon the practice of giving gratuities to employees of prospective customers. Both companies agreed to the issuance of the orders, waiving the right to introduce them.

The commission filed a complaint against the Commonwealth Color and Chemical Co., of New York, accusing the concern of "commercial bribery."
