EARLHAM PLAYS ST. MARY'S NEXT WEEK

The first game of the Earlham football season will be played next Saturday with St. Mary's college at Dayton. Mary's will come here for a return game on November 23. Coach Ray B. Mowse of Earlham is making plans for a big day on the 23d, as all the proceeds of the game will be given to war relief agencies. The government has asked all colleges to play a benefit game of this sort. Mowse will take eighteen men with him to Dayton next Saturday. He said that the backfield was strong and the line not quite so good. Raiford, Titsworth, Hoerner, Nicholson, Moon, Huff and Day will go with the team as the backfield men. The line men will not be announced until later. "Basketball practice will start immediately after the football season closes," Coach Mowse said today.

Reports Death of Oxford Soldier

OXFORD, O., Nov. 2.—Mr. and Mrs. John R. Coulter, living near town, yesterday received a letter from W. E. Cunningham, claiming to be a chum of their son, Edwin Coulter, a member of the United States Marine Corps on duty in France, announcing that Edwin was killed on October 4. The letter was written October 11. The parents of the boy do not believe the story, for they say that if their son had been killed they would have received official word from the government.

THE DRIVE FOR RECORDS

The Drive for Records which begins today should meet with a hearty response from everyone. This drive will continue all of next week and Richmond should furnish her full quota which should be 2,500 records. There can be no more pleasure-giving gift for our boys over there than these music records; for who does not enjoy music? Just a word about the kind and class of records. While all kinds will be acceptable, we do not wish to give our old "beat off," but let us include such records as we would give, if we handed them to the boys personally. The best boys of the nation are over there and they enjoyed good music while here at home and will enjoy it even more "Over There." Include some good records when giving. LEE B. NUSBAUM.

ing railroad connecting the extreme wings of the German armies in France. Valenciennes surrounded. Nov. 1.—By The Associated Press.—At dawn this morning, the Germans were seen retreating towards Audenarde, on the Scheldt. The roads were choked with German traffic and the allies guns were turned on them, reaping a terrible harvest.

The allies starting the day's advance by pushing on ahead through Gyselbrechtgem, Boschkan, Wortegem and Nokere. As the morning advanced it was apparent that the enemy intended to offer only slight resistance, having withdrawn over considerable stretches of the line during the night. By morning, a greater part of the ridge system between the Lys and Scheldt was in allied hands. The fighting today, there was down hill toward the Scheldt.

Allied operations around Valenciennes have been completely successful.
