

DEMOBILIZATION OF TROOPS WILL TAKE TWO YEARS

Men Have Year's Work Ahead of Them Removing Barbed Wire France, Says DuPont.

NEW YORK, Nov. 5.—Demobilization of the American forces in France will require a period of two years after peace is declared, according to a statement made here last night by General T. Coleman DuPont, who has just returned from a two months' visit to the western front.

Declaring that his views were the reflection of official opinion among the allied forces, he asked that Americans accustom themselves to the idea of a long demobilization as they had to that of a long war.

"One of our generals asked me," he said, "to tell the people at home that our boys have a year's work ahead of them in removing the barbed wire the Hunns have strung across France."

Asserting that the Civil War had "turned thousands of men back into civil life and purposes," General DuPont said the seven war work agencies should be supported generously in their approaching campaign. He declared that "statesman-like plans are being laid" for the trying period following peace.

"Every hut in France," he said, "will become a university classroom on the day peace is signed. The boys will be given every educational advantage under leading educators and business men from the United States."

Red Cross Makes Call for 50,000 More Nurses

WASHINGTON, Nov. 5.—With 30,000 nurses enrolled, more than 17,000 of whom are serving with the army and navy at home and overseas, the Department of Nursing of the American Red Cross soon will start a campaign to take care of the growing needs of the military forces next year. An announcement last night by the War Council said that 50,000 nurses will be needed by next July, and that 9,000 of these must be enrolled before the first of the year.

The Red Cross has spent about \$850,000 in equipping nurses for duty abroad, while approximately \$1,500,000 has been spent in fitting out base hospitals.

For the navy eight base hospitals and 17 naval station hospital units have been organized or in process of formation.

ON PUBLICITY COMMITTEE.

The Rev. A. F. Mitchell, and Rev. F. A. Dressel were appointed as members of the Church Publicity committee at a meeting of the Ministerial association in the Y. M. C. A. this noon. A conference concerning the proposed work of this committee was held, and regular committee reports heard.

The agent at Saginaw, Mich., of the new United States employment bureau recently placed an eighty-one-year-old man at work.

DRINK MORE WATER IF KIDNEYS BOTHER

Eat Less Meat and Take Salts for Backache or Bladder Trouble—Neutralize Acids.

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush out the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; and get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, and to neutralize the acids in the urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Winchester, Ind.

The workers for the United War Work campaign held their first meeting Thursday at the court house. The Women's section being held in the afternoon and the men's meeting at night. Talks were given in the afternoon on the Y. M. C. A. and the Russian situation, by ladies from Muncie. At the evening meeting Harry Porter of Indianapolis gave a talk on Camp Community service work in the cantonments in this country, and H. M. Kramer, of Frankfort, who has been in France, told of the work the Y. M. C. A. is doing. The ministers of the county will deliver sermons on the work again on next Sunday, November 10th. Clyde Cox, 30 years of age, son of Mr. and Mrs. N. H. Cox, formerly of Lynn, died in Boyne Falls, Mich., of influenza. The funeral was held at Cherry Grove, near Lynn, the Rev. Henry Pickett officiating. Friday night two machines collided south of the city, near the county infirmary. Marshall Moody, county highway superintendent, was driving to his home at Lynn and W. R. Castle of Miamisburg, Ohio, the latter driving a Geneva, Ind., the latter driving the machine, failed to give enough road in passing. Mr. Castle was painfully injured and a wheel was torn from each machine. One hundred and seventy-five hunting licenses have been issued by the county clerk during the month of October. Only three marriage licenses have been issued in the county during the month. There have been 17 licenses to buy dynamite and explosives issued, so far in the year 1918. Leroy and James Stevens were severely injured Monday night when a buggy in which they were riding was struck by a car driven by O. M. Jeffries, of Union City. The accident occurred on the Union City and near Harrisville. The funeral has been received here of the death of Ernest Scott, at Fremont, Nebraska, of influenza. Mr. Scott was the son of Will Scott, former postmaster of this city. The widow and one child survive. Mrs. Elma Hunt, mother of Doctor Hunt, fell at her home on East North street, Wednesday, and suffered a broken hip. The will of Caroline Haselmeir of Union City has been probated. All is left to her husband except she leaves fifty dollars to St. Mary's church for mass for herself and husband. Wilbur Ralston, aged 24, is dead from the effect of wounds received on the French front, according to word received here last night by his father, Frank Ralston. The message did not give any particulars. He has been overseas about four months. The father and two sisters and one brother survive. Herman Coats, son of Mr. and Mrs. Luther Coats, of Lockesburg, Ark., is dead of pneumonia. Coats was born and reared in this county and for many years lived with his parents near Saratoga. A widow survives, he having married just before leaving for France.

American Sailors Teach Scotch Lassies U. S. Jazz

LONDON, Nov. 5.—American sailors stationed at Scotch ports are introducing ragtime dances in Scotland and jazz bands are displacing the bagpipe at many social gatherings there, according to Y. M. C. A. secretaries on duty with the American Naval forces. At one naval base the sailors, aided by Y. M. C. A. men have requisitioned a hall in which they are dancing with the Scotch girls to American airs played by naval bands. These opportunities are leading to some weddings of American sailors to Scotch girls. At one place the sailors and the Scotch lassies were organized by an American actor into a company which has produced an American Revue in the Y. M. C. A. huts at the naval base.

FREED FROM THE PHYSIC HABIT

Says her constipation ended and stomach trouble left. Tells how.

"I had stomach trouble and constipation very bad for a long time. I tried everything, but kept getting worse. I could hardly eat anything and my bowels wouldn't move unless I took a physic every day. I have to support myself and two children, yet I was not able to work."

"What first bottle of Milk's Emulsion did wonders for me, and I have continued its use until now I feel fine and can work every day. I have a good appetite, my stomach trouble has left me, and my bowels are as regular as clock work."—Mrs. Mary Widener, 103 S. Court St. Sioux City, Iowa.

Mrs. Widener found out what all sufferers should know—that pills, salts and physics do not end constipation, but usually make it worse. Milk's Emulsion is a pleasant, nutritious food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milk's Emulsion is strongly recommended to run-down, nervous people, and it has produced amazing results in many cases of tuberculosis of the lungs. Chronic stomach trouble and constipation are promptly relieved—usually in one day. This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. A truly wonderful medicine for weak, nervous children.

No matter how severe your case, you are urged to try Milk's Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price six and \$12.50 per bottle. The Milk's Emulsion Co., Terre Haute, Ind. Sold and guaranteed by Thistlethwaite's & Drug Stores.—Adv.

COUNTY ROADS ARE READY FOR WINTER

"The roads were never in a better shape to endure a winter than this year," said W. O. Jones, county superintendent of highways, today. For the last six weeks gravel has been hauled on the county roads.

The big work on the roads has been done and now they are getting a few finishing touches. Next week gravel will be put on the road from Fountain City to the county line between Wayne and Randolph counties. This will be an eleven mile stretch and three automobile trucks will be used. The Connersville road in the southwest corner of the county was finished last week.

This is the time of year when most of the gravel is hauled. Mr. Jones stated that gravel will be hauled during the entire winter on the days when weather conditions are favorable.

The biggest work that has been done this year and that which is most important is putting on material. Last year 27,000 yards of material were used and that much has been used this year and more will be used later. Owing to heavy traffic it is necessary that this be done. This year it has cost one-third more than last year. Mr. Jones said that had it not been for the prison help the work could not have been done, because of the shortage of labor and the fact that the farmers were unable to help this year.

Chester, Ind.

Misses Marjorie Pickett and Bonnie and Blanche Carman and Messrs. Ralph Buroker and Herman Shaffer, moved to Dayton, Ohio, last Sunday. Mr. and Mrs. William Morrow and Albert Kemp and family attended Corrie Showalter's sale near Lynn, last Wednesday. Miss Marjorie Pickett spent Wednesday in Richmond. Mr. and Mrs. William Morrow received word that their little grandson, Roy Morrow, Jr., son of Dr. and Mrs. Morrow, at Yanketown, S. D., is improving from a serious attack of Spanish influenza. Letters received last week from Wallace Kendall at Camp Devens, Mass., say that he is still improving and is able to walk around a little.

Mr. and Mrs. Jeff Addleman, Mr. and Mrs. Clyde Thomas and family spent Wednesday with Rev. L. F. Ulmer and family. Messrs. James Webster, William Martin and T. S. Martin entertained the Booster class at the home of the latter, Thursday afternoon with a Halloween masquerade party. A delightful time was enjoyed by all. The house was beautifully decorated in keeping with the occasion. A Halloween luncheon was served. The young people at this place formed a Halloween party last Thursday evening and enjoyed a camp supper after which they returned to the home of Misses Bonnie and Blanche Carman and a social hour followed. Those present were Misses Marjorie Pickett, Carrie Boerner, Blanch Car-

man, Opal Skinner, Bonnie Carman, Dorothy Henning, Esther Wilson, and Messrs. Chauncey Morrow, Maurice Hinshaw, Ralph Buroker, Ernest Shaffer, Donald Berry and Everett McMahon. Rev. L. F. Ulmer and family spent Wednesday evening with Mr. and Mrs. A. T. Parker at Richmond. Miss Esther Wilson of Richmond, spent Thursday night with Miss Bonnie Carman. Misses Anna and Clara Kendall visited Mrs. Michael Kendall Thursday afternoon. Miss Dorothy Henning was the guest of Miss Marjorie Pickett Thursday night. Mr. and Mrs. Harry Wilson and family and Mrs. Passy Ayery and son, Charles ate oyster soup with Rev. and Mrs. L. F. Ulmer and family Saturday night. Mr. Elmer Burg's sale was largely attended Friday. The local Red Cross auxiliary has turned into the Wayne county chapter at Richmond eighty-three pairs of socks, thirteen sweaters and one hundred hospital garments. No work has been done for the past two months, as yarn and goods was not given out. Mr. and Mrs. Ollie Boerner and daughter Carrie were in Richmond Thursday.

DR. ROSA LEE OXER DIES SUDDENLY

Funeral services for Dr. Rosa Lee OXER, 50 years old, who was found dead in bed yesterday at the home of her cousin, Mrs. J. A. Walls, 21 South Tenth street, were held at the home of Mrs. Walls, South Tenth street, Tuesday afternoon at 2 o'clock. Rev. L. E. Murray will officiate. Burial will be in Concord cemetery. Friends may call at any time.

Dr. OXER was found dead at the home of her cousin, Mrs. Walls. Coroner Bond, made an autopsy and found that she suffered from an internal ulcer. Despite her medical education, it was said, Dr. OXER had lost faith in medicine and regarded religion as the sole source of healing. Dr. OXER was born in Preble county and with the exception of a short time spent in the Richmond High School, she resided in Campbelltown. She was graduated from Indiana University and took her A. M. degree at Hiram College. She then took an M. D. degree at a Cleveland medical school.

After completing her education she became a missionary in the Christian church, remaining in that work for twenty years. She is survived by her sister, Mrs. Perry Dearborn, and niece, Rasmale Dearborn, Indianapolis, two nephews, Van Tyle OXER and Gerald OXER of Purdue. Besides her cousin, Mrs. J. A. Walls, she has two other cousins residing in Richmond, Dr. E. P. Weist and Mrs. E. R. Churchill.

Need a New Battery?

The Willard trademark branded into the side of the battery tells the whole story. For that mark is the sign of the Still Better Willard with Threaded Rubber Insulation.

It is the outward and visible sign of the most important storage battery improvement in years.

It stands for durable, Threaded Rubber Insulation—for a battery in which the need of re-insulation is indefinitely postponed.

Next time you're in, ask us for the booklet "A Mark with a Meaning for You"—it tells exactly what the Willard Mark stands for.

German Engineers Build New U-Boats

COPENHAGEN, Nov. 5.—The Ribe Stifts Tidende says it learns that German engineers have constructed submarines as ironclad cruisers. They are 340 feet long, and of about 2,000 tons. The vessels carry eighty men in their crew and are armed with 25 torpedoes, two 15-centimeter guns with 4,000 shells and two 8.5 centimeter guns.

AUDITS ARMY CAMP BOOKS

Auditor Dudley of the War Department is in the city today auditing the books of the Richmond Commercial Club Training Detachment, at the Commercial club.

The term Teuton is of Latin origin. In ancient times the part of Europe now embraced in Germany was called Germania, and one of the principal tribes of the country was called by the civilized Romans Teutons.
