The usual marching column will form in front of the court house at 1:30 o'clock and move to the cemetery.

Clever Rural Comedy Opens At Murray Theatre Today

Elmer Coudy, the comedian, who made such a hit in "The Yankee Princess" at the Murray theatre the first half of the week, has just as entertaining a part in "Paradise Valley," the production which the Woolfolk Musical Comedy Stars opened today. Coudy plays a young college student who is waiting tables in a rural inn and the role gives him an opportunity for "rube comedy" in which he is unusually adept. Myrtle Deloy, who had the lead part in "The Yankee Princess," is just as attractive in the new production, and shows her versatility by the manner in which she plays a very different role. "Paradise Valley" is even better than "The Yankee Princess." The play is a rural drama with clever comedy lines and a number of new songs and dances. It will hold the boards at the Murray the remainder of the week.

Lieutenant Wiley Glass, veteran of Chateau-Thierry and St. Mihiel, who has been taking a business course in the university of Beaune Cote d'Or, is now on his way back to the States, and probably will land next week. Lieutenant Glass is the son of Mrs. Frank Glass of East Main street.

Thrift Gate To Opportunity Points Out U. S. Journal

"A man bought Manhattan Island for \$24," says "Hoosier Thrift" of the latest issue.

"The point about that is that the man had the \$24," says the paper, and points out that there are scores of people who complain vociferously and frequently that the road to wealth is always blocked.

"Yet when the small opportunity comes along opportunity to take it up, make it an advantage, is lacking. 'Where is the man in the United States today who is so poorly paid that he cannot save a fraction of his earnings,' it questions.

"Accumulation of the smallest sums will in time provide for the purchase of a War Savings Stamp which immediately begins work for you."

Former Navy Men Urged To March Memorial Day

All ex-navy men, who wish to be in the Memorial Day parade, are asked by Paul Beckett, secretary of the American Legion, to report at the courthouse at 1.15 p. m. Friday.

The uniform will be white hats, Lib-

erty Blues, and no leggings. All men who have been in the navy, whether members of the Legion or not, are urged to come out for the parade.
