

THREE RAIDS ON FARMER'S GRAIN BINS REPORTED

Preble County Farmer Offers Reward for Detection and Arrest of Thieves.

EATON, O., June 19.—Thieves have made within the last few months three successful raids upon the grain bins in the barn of George Fader, north of West Alexandria. In the last raid, which was made a few nights ago, a quantity of oats, corn and middlings were taken, in addition to a set of work harness. It is said the grain was hauled away in an automobile that was traced eastward on the Dayton pike to a point near the Six Mile hill, where the trail was lost. Fader has offered \$100 reward for detection and arrest of the thieves.

In the first raid, Fader and John Habekost, between them, lost about two tons of millfeed. Karl E. John Schillmiller and Samuel Schneider, Dayton men, were arrested and accused of the job. All were indicted by the grand jury. Schneider stood trial and was acquitted. Pine and Schillmiller pleaded guilty. Pine was given a term in the state reformatory at Mansfield, while Schillmiller was given a suspended fine of \$100 and 30 days in jail.

New Teachers Announced.
Two additional teachers for the local schools have been employed by the board of education, according to announcement by the board. Miss Marian Highland, of Eaton, has been employed to teach Latin in the high school, while Miss Amy Von Kemel, of Hamilton, will teach domestic science. Miss Highland is a daughter of Mr. and Mrs. W. E. Highland and graduated recently from DePaul university. Miss Von Kemel is a graduate of Miami university.

Divorce Granted.
In a decision handed down by Judge U. S. Martin, of Dayton, and received here at the office of clerk of the county courts, Myrtle Nabor is granted a divorce from Adolph Nabor. In the decision, Judge Martin declares that neither of the litigants is entitled to a divorce, but that the circumstances in the case are such that a reconciliation is impossible, and therefore a decree is granted the wife. Their two children are committed to the county orphanage. The Nabors formerly lived at New Paris, but later removed to a farm south of Eaton. Mrs. Nabor is now living in Eaton.

Crowd Hears Concert.
An immense crowd assembled here Wednesday evening to hear the concert given by the Preble County band, the first of a series of ten to be given each Wednesday evening during the next ten weeks. The band made a decided hit. Its membership is made up of musicians from Eaton and West Alexandria, and the concerts are financed by local merchants. The concerts are staged upon the esplanade at the court house.

Roy Shaffer in Canada.
Roy Shaffer, 15, son of Val Shaffer, four miles of Eaton, who disappeared from home last Saturday, has advised the family in a letter written from Detroit, Mich., and received here Wednesday, that by the time the letter reached them he would be in Canada, where he has relatives.

When young Shaffer disappeared the family found comfort in the belief that probably he had just slipped away to go to Canada to visit.

Wires Placed Underground.
Wires of the Eaton Telephone company in the city will be placed underground, work of laying the conduits now being under way. Four conduits will carry the wires in the business section and three in the residential section.

Demented Negro Held.
George Sloan, demented negro, is held here temporarily in the county jail, following his appearance at Gratiot, where his actions frightened the residents of the village. Sloan is said to have been at one time an inmate in an asylum.

Attend Bank Meeting.
John M. Gale, cashier of the Eaton National bank, and Charles W. Sylvester, assistant cashier of the Preble County National bank, are representing the two local banking institutions at the meeting of the State Bankers' association at Toledo.

Clerk Names Deputy.
Vernon O. Rookstool, Republican, of Lewisburg, county clerk elect, has announced the appointment of J. A. Barnhisser, of Harrison township, as deputy county clerk. Clerk Rookstool will assume office August 9, at which time Barnhisser will become his deputy.

Streets to be Oiled.
It will require 16,000 gallons of oil to oil the streets of Eaton, according to estimate of the city council, which is advertising for bid for street oil. Bids will be opened the evening of June 27. The streets to be oiled in whole or in part are: Spring, Deem, High, Decatur, Somers, Wadsworth, Israel, South Cherry, Maple, Franklin, Vine, Monfort and Aukerman.

Hog Brings \$101.
In a load of hogs sold by H. S. Widener, local farmer, at the local stock yards was a sow of the big type Poland China, for which he received \$101.75.

Edward T. Stotsbury, the Philadelphia banker, is an honorary member of the Machinists' Union, while his wife is an honorary member of the Boiler-makers' Union.

For Itching Torture

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with Zemo, which generally overcomes all skin diseases. Eczema, itch, pimples, rashes, blackheads in most cases give way to Zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, easy to use and dependable. It costs only 35c; an extra large bottle, \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

Italy Wants Share Of Austrian Crown Jewels

VIENNA, June 18.—A new turn has been given to the dispute between Italy and Austria over art collections by the statement that former Emperor Charles has carried off to Switzerland the imperial jewels, the whole of which are regarded in Austria as being his private property, but claims for which have been filed by Italy, particularly the Florentine diamond of 133 and one-third carats.

The Italian Commissioner, Professor D'Ancona has stated that this diamond formed part of the collection left to the city of Florence under the will of Anna Maria Medici, but that it was carried off by the House of Austria in 1748, when Duke Leopold became Emperor of Austria. He said that the Austrian government had been notified of the Italian claims to this jewel months ago, and that if it permitted Emperor Charles to carry it away it would be necessary to obtain possession of it again. It is unknown here whether the Emperor has disposed of the diamond while in Switzerland in order to pay his living expenses.

Professor D'Ancona has carefully traced the history of this remarkable stone which, legend relates, was lost on the battlefield of Granson by Charles Duke of Burgundy six centuries ago. It was then picked up and believed to be a piece of glass and was sold for a small sum. It found its way to Switzerland where it was sold for eleven thousand ducats to the Duke of Milan and brought to Rome in 1601 by Ferdinand Medici. It has been on exhibition of late years in the Hofburg museum.

Professor D'Ancona pointed out to The Associated Press correspondent that the Austrians cannot claim that in surrendering this stone they would be injuring Vienna's art collection since they were willing to part with it to the former Emperor who is now a private citizen and has left the country.

Economy, Ind.

Mrs. Minnie Beard was called to Spiceland by her father's serious illness. She arrived home Monday. Mrs. Louise Albertson spent the week end with her sister, Mrs. William Thorburn, at Richmond. Mrs. O. T. Knobe of Richmond spent the week end with her mother, Mrs. Nan Crook. Art Denny, who is working at Muncie, spent Sunday with his family. Mrs. Henry Rose and children spent a few days with her mother at Losantville, last week. Mrs. G. E. Sweet's mother, Mrs. Beramas, arrived here from New York to spend a few weeks with her daughter. The Friends will have Children's Day exercises at their church Sunday evening. A good program will be given. Rev. O. M. Frazer returned home from New York Tuesday.

John Osborn and daughters, Miss Agnes and Miss Opal, spent Sunday with Mrs. Agnes Osborn and Miss Daisy. The daughters remained to visit a week with their grandmother. Miss Blanche Fennimore left Sunday evening for Muncie for summer term at normal school. The M. E. Aid had a very interesting meeting last Thursday. Mr. and Mrs. H. E. Cain were at Richmond Tuesday. Mr. and Mrs. Orange Howell and daughter of Blountsville and Mr. and Mrs. Nathan Howell of Peoria, Iowa, were guests of Mr. and Mrs. George Ballenger Tuesday. Miss Eva Campbell of Marion is visiting friends and relatives here for a few days and will attend the wedding of Miss Marcella Cain Wednesday evening.

She visited U. G. Manning and family and Edgar Manning and family. Mrs. Ellen Fox attended the meeting of the History club at Hagerstown at the home of Mrs. Wm. Porter Tuesday. Edgar Manning and family and U. G. Manning, wife and daughter, spent Sunday with Mr. and Mrs. Joe Burgess at Modoc. Mrs. Brammer of Crawfordsville is the guest of Miss Carrie Cranor. Mrs. Wade Kennedy was called to Williamsburg to assist in the care of Mr. Anderson, who is quite sick. Mrs. Anderson is also in very poor health. Mrs. J. B. Swain drove to Richmond Tuesday.

GEORGETTE PARASOL AND HAT TO MATCH IS SMART NEW WHIM FOR SUMMERTIME

Dainty and becoming is this set of a hat and parasol to match, but it is not what you would call a serviceable sunshade, for, as everyone knows, georgette is very transparent. Both the hat and parasol are white. The latter has a hemstitched border in rich brown and has a beautifully embroidered motif in yellow and scarlet. The hat has a band of white straw about the crown and is also embroidered in scarlet brown and yellow to match the sunshade.

News Dispatches From Surrounding Communities

PHILOMATH—Impressive services, the recent shearing one clip from a sheep owned by Bert Carver weighed 24 pounds, and a clipping from the neck measured 11 inches and from a quarter, 16 inches.

A carnival will be given by the Best Ever class of Methodist Sunday school at the school building Saturday evening, June 21. A novel entertainment will be given in each room, of which there is no foot comforter equal to Allen's Foot-Ease, the antiseptic, healing powder to be shaken into the shoes and sprinkled in the foot-bath, for hot, tired, aching, perspiring, smarting, swollen, tender feet, corns, bunions, blisters or callouses. What wouldn't you give to be relieved of one day's pain of your corns and bunions? Here is relief for every day. You won't realize this until you have tried Allen's Foot-Ease yourself. You simply forget all about your feet after you are so comfortable. Ask your druggist to-day for a package of ALLEN'S FOOT-EASE.

ECONOMY—Vine Scott, the oldest sheep shearer in this vicinity, has finished his spring clip. He started on April 14 and finished June 17, in which time he sheared 741 sheep. Scott is now 65 years old, and he is urging younger men to learn the art of shearing sheep, as he fears he will not be able to do the work many more years. He holds the sheep while shearing them with a peculiarly shaped crook made and given to him by his father. At the present time Scott can shear 35 sheep a day, but says that he could formerly do much more than that. In

a minstrel show will be a feature. A parade will be given before the performance. Home-made cakes will be sold.

HOLLANSBURG—Miss Ruby Moore and Edward Rife were quietly married here at the home of the bride's parents, Mr. and Mrs. George Moore.

COLLEGE CORNER—Funeral services for Michael McDonough, 74 years old, who died at his home in Seven Mile, were held Monday at St. Mary's church, with burial in the church cemetery. His six nephews acted as pallbearers. Mr. McDonough was born in Ireland, but had lived in this vicinity since he was 14 years old. He is survived by a widow and two daughters, Mrs. C. L. Meeks of Seven Mile, and Mrs. E. H. Shaefer of Bethany.

Miss Grace Smith, daughter of Mr. and Mrs. Caleb B. Smith, and William Bradley of near Oxford, were married at the bride's home west of College Corner, the Rev. F. B. Stearns officiating. They will live on the Bradley farm north of Oxford.

Corporal Andrew Irrgang, who recently returned from France, told of his experiences at the front before a

large audience at the Methodist church here.

Sergeant Russell Gilmore, of the medical corps; Denzil R. Thatcher of the First Division, and Captain Julian Paxton, of the engineers, have arrived home from service.

GREENVILLE, O.—More goods said to have been stolen by Cliff Dispensette, Tony Sovine and Frank Hartle, the three men recently arrested for theft, have been recovered at the home of James Marks, father-in-law of Hartle. The loot recovered consisted of a case of condensed milk, two dozen pairs of girls' slippers, pair of automobile gloves, several pairs of overalls and jumpers.

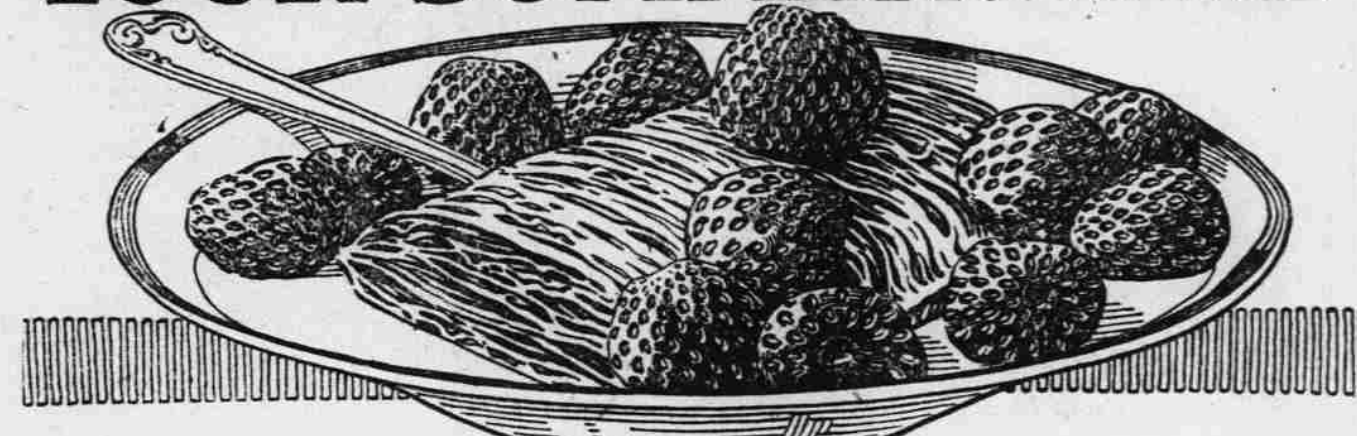

Charging that her husband, Elsey Dawson, has been cruel and neglectful in his treatment toward her, Ethel Dawson filed petition for divorce Tuesday. She alleges he has abused her many times, also broke her wrist. She asks for divorce, alimony and custody of their child.

CONNERSVILLE, Ind.—Thirty-seven strikebreakers, brought here from Indianapolis to work in the plant of the Connersville Foundry company, were prisoners in the McFarlan hotel Tuesday until noon, when they returned to their homes. Sympathizers of the moulder's union, members of which are on strike demanding a revision of their wage schedule and other concessions, picketed the building and would not permit the men to leave.

OXFORD, O.—Robert S. Ashe, of Richmond, Ind., last night told the village council that he was building a three-phase electric line into College Corner, and that he had secured the right of way for a continuation of the line to this village. Mr. Ashe suggested that the village purchase current from his company at about three cents per K. W. H. during the off-peak period, and thus be able to retain its light plant. It is estimated that by this arrangement the town can sell current to consumers as low as six cents per K. W. H., and make about \$600 a month. No action was taken on Mr. Ashe's proposition, as bids for the sale of the plant are to be opened tomorrow at noon.

Dr. Stephen Bishop of Tasmania, Persia, the Bolshevik mission has been put under arrest.

POWDER IN SHOES AS WELL AS GUNS

Foot-Ease to Be Added to Equipment of Hospital Corps at Fort Wayne.

Under the above heading the Detroit Free Press, among other things says: "The theory is that soldiers whose feet are in good condition can walk further and faster than soldiers who have corns and bunions incased in rawhide."

The Plattsburg Camp Manual advises men in training to shake Foot-Ease in their shoes each morning. There is no foot comforter equal to Allen's Foot-Ease, the antiseptic, healing powder to be shaken into the shoes and sprinkled in the foot-bath, for hot, tired, aching, perspiring, smarting, swollen, tender feet, corns, bunions, blisters or callouses. What wouldn't you give to be relieved of one day's pain of your corns and bunions? Here is relief for every day. You won't realize this until you have tried Allen's Foot-Ease yourself. Then Let us Show you the

'DEXTER'

and we are certain it will be your choice.

That's a mighty broad statement but the Dexter is the sort of article that will back it up. In single or double tub models with washing gearing in both tubs. Made in types to fit any power plant.

Eight Good Reasons for Buying a DeLaval

Greater Capacity: New capacities have been increased 10%, without increase of speed or effort required in operation.
Skims Closer: The improved bowl design, together with the patented milk distributor, gives greater skimming efficiency.
Easier To Wash: Simpler bowl construction and discs caulked only on the upper side make the bowl easier to wash.
Easier To Turn: The low speed of the DeLaval bowl, the short crank, its unusually large capacity for the size and weight of the bowl, and its automatic oiling throughout, make it the easiest to turn and least tiring to the operator.

The Majority Choice: More DeLaval's are sold every year than all other makes of separators combined. More than 2,225,000 are in daily use—thousands of them for 15 or 20 years.

Time Tested: The DeLaval was the first cream separator. It has stood the test of time and maintained its original success and leadership for 40 years the world over.

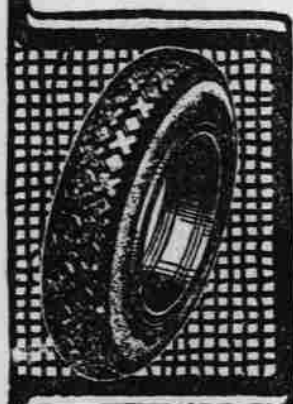

Equipped With Speed Indicator: Every new DeLaval is equipped with a Bell Speed Indicator, the "Warning Signal" which insures proper speed, full capacity, thorough separation and uniform cream at all times.

Service When You Need It: The world-wide DeLaval organization, with agents and representatives ready to serve users in almost every locality where cows are milked, insures the buyer of a DeLaval quick and efficient service whenever he needs it.
