Reed's Employees PROFIT SHARING SALE of Furniture

Reed's Second Great Employees Profit-Sharing Sale

—Here's the story, folks, of the facts back of this announcement. It is not the usual kind of sensationally advertised sale, it is not a forced sale, it is not a stock reducing sale, neither is it a Clearance Sale. It is a sale that expresses more than can be told in mere type of the interest of the management of this store in the employees.

Last January, after our greatest year's business, the employees were informed that the store would be turned over to us and we were to generously share in the profits in recognition of our efforts and the wonderful gains in business that were made during the year. We conducted an Employees' Profit Sharing sale that made history in the furniture business in Richmond. Everything in the store was placed on special sale and the public bought in unprecedented volume.

NOW FOLKS, GET THIS! IT IS THE MOST IMPORTANT AND SIGNIFICANT PART OF THIS ANNOUNCEMENT. At First the management hesitated on granting us the privilege of conducting another sale. **FIRST**—That all our furniture had been purchased before the recent advances and our prices are already 10 to 20% under present day values. **SECOND**, that the new price as marked on every piece of furniture is at least 10% higher than it was and we could not possibly replace our stock at the old prices, however Mr. Reed finally said he did not believe in doing things by halves and that if this is what we wanted to do, to go ahead.

WE THEREFORE ANNOUNCE THE SECOND EMPLOYEES' PROFIT SHARING SALE TO START TUESDAY, JULY 1st. The reputation of the Reed Furniture Co. in Eastern Indiana and Western Ohio, for carrying the most complete line of home furnishings in this section is too well known to make it necessary for us to quote special prices on each article at this time, so we are going to quote 10 to 30 per cent discount on all merchandise during the month of July. We want to make our business a real pleasure and a helpful one, and we assure you it is a genuine satisfaction to the firm and also the employees to place at your command all of the many facilities of this store that are provided for your convenience and comfort, and with this thought in mind we have inaugurated the most helpful and liberal plans for taking care of charge accounts—no collectors, no unreasonable demands, no embarrassing questions, no interest charged, just your word and during this sale you are at liberty to take advantage of this liberal plan at the reduced prices and open a charge account.

We invite you to our store whether you buy or not and we will be pleased to show you our immense stock and help you plan for your future needs. We, the undersigned employees, will participate in this generous and unusual offer made to us by the Reed Furniture Co. and hope to see all during the month's event.
