

PICNIC PLAN IS COMPLETED FOR EATON FRIDAY

Many Events to Entertain Preble Folks at Annual Fair in County Seat.

EATON, Ohio, August 12.—Finishing touches are being put upon arrangements for the third annual Preble county picnic here Friday of this week on the county fairgrounds. The county fair bureau and the county grange organization are jointly sponsors for the coming picnic. The farm bureau inaugurated the annual picnic.

County Agricultural Agent A. J. Swift and Harry Bragg, of New Paris, county grange master, are active in the picnic arrangements this year. It is expected the doings this year will eclipse last year's efforts in all directions. Last year's attendance was 4,000. It is believed the attendance will be larger this year.

Every citizen in Preble county will be welcome at the picnic, as it is the hope of the management that it will be regarded as a whole-county affair. Harry Caton, of Fresno, O., state representative, will deliver the opening address at 10:30 o'clock in the morning. His address will deal with problems of reconstruction from the rural standpoint and will be of interest to all who are interested in the high cost of living and the relation of the rural community to it.

Colonel George W. Bain, of Lexington, Ky., chautauqua lecturer and public speaker of note, will speak during the afternoon. Wit, humor and common sense is expected to be the nature of his address. Colonel Bain has upon two or more occasions delivered the address to the class at the local high school graduation exercises.

A special feature of the picnic will be a colt show, which will take place in front of the grandstand and prizes will be awarded. All colts competing for prizes must be on the fairgrounds by 10 o'clock in the morning. An exhibit of Percheron and Belgian horses and graded mules will also be staged and prizes awarded. Prizes of \$10, \$5 and \$3 for first, second and third in each class are offered.

A baby show that was scheduled as a feature of the picnic has been declared off, owing to inability to make proper arrangements for the event. It is intended to make this a great big feature of the picnic next year. To the best pitcher of horseshoes in a men's contest a prize of \$5 is offered. The second best pitcher will be given \$3 and the third best, \$2. Amusements of various character will be provided for the entertainment of the crowds. Those unable to bring lunch will be able to procure food and refreshments from a lunch stand on the grounds.

Team To Play Richmond Following a recent movement to revive baseball in Eaton, a team has been formed after a number of local players had been given a try-out. Manager Ellis Long announces the following line-up of the team: Raymond Shaffer, 2b; Stanley Baker, 1b; Charles McLaughlin, 3b; Raymond "Buck" Harris, ss.; Lester Armstrong, rf; Lawrence Gard, cf; Ralph Koppe, lf; Clement Parks or Fred Dawes, p; Leo Markey or Ellis Long, c; John Campbell and Raymond Harris, substitutes.

From the "overflow" players it is expected to line up a second team. This will be done at an early date. The team just organized expects to take on the Y. M. C. A. team of Richmond, Ind., for the first game next Sunday afternoon if present plans carry.

Work has begun today on a ball diamond, at the west end of Decatur street, adjacent to the Hubbard old ice cream house, along Seven Mile creek. The infield will be scraped and the outfield will be rolled and leveled. It is thought the grounds of fun will be in good condition for the expected opening game next Sunday afternoon.

Asks \$20,000 for Alienation Harry Charles, of near Camden, is suing his wife, Clara, for divorce and custody of their minor children, names Curtis E. Kenworthy and near Camden, as correspondent, in his petition. Charles' suit for divorce was followed by his filing a \$20,000 damage action against Kenworthy, whom he charges with alienating the affections of Mrs. Charles. Both petitions were drawn by Isaac G. Kiser and E. E. Ristinger, local attorneys, and were filed by them Monday in common pleas court.

In his damage suit against Kenworthy, Charles Avers Kenworthy has on divers occasions been unduly familiar with Mrs. Charles.

Line in line with the damage action, Charles charges his wife with infidelity. They were married September, 1893, at Lee Summit, Mo., and have four children: Lorimer, 21; Herschel, 18; William, 15; and James, 12. Charles avers his wife holds title to 160 acres of land in Somers township. He asks the court to award him such portion of the property as is just and reasonable.

Will Decision Given. Judge Mannix, of Greenville, has handed down a decision in a case concerning the will of the late H. P. Wehrley, which was filed by Isaac Miller, executor. The decree orders the executor to pay Frank Petry \$90 and Elwood M. Kessler, \$78.50, representing funeral expenses of the late Elizabeth Wehrley, widow of the late H. P. Wehrley. After payment of these claims the balance of the estate is to be distributed according to the terms of the late Wehrley's will. The executor is to pay the costs of the action.

May Be Insurance Agent. Logan L. Brown, who recently retired as clerk of the county of Preble county, has received a flattering offer from the district manager of a New York life insurance company to become its representative for Darke county, in the event he removes from

Eaton to Arcanum. Brown contemplates removing either to Arcanum or Dayton in the event he and his family leave Eaton.

Picnic August 22. Friday, Aug. 22, has been definitely determined as the day and date for the picnic and outing of the Preble County Tobacco Growers' association, which will be staged on the fairgrounds. A program of entertainment will be arranged in a meeting here of members of the organization one night this week.

Wagoner Superintendent. Walter Wagoner of Eaton, has been elected to the superintendency of the Lanier township centralized schools and will take up his duties at the opening of the next school term. Wagoner was superintendent of the southern school district of Preble county, before the recent formation of one district that takes in all of the county.

Careless Shampooing Spoils the Hair

Soap should be used very carefully. If you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is Multisilf coconut oil shampoo (which is pure and greaseless), and is better than anything else you can use.

One or two teaspoonsful will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get Multisilf coconut oil shampoo at any pharmacy. It's very cheap, and a few ounces will supply every member of the family for months.—Adv.

HOW TO STOP BEING NERVOUS

Nothing Like Plain Bitro-Phosphate to Strengthen Weak Nerves and Increase Strength and Vigor

According to a noted French Scientist, the most effective remedy for nervousness, insomnia and ailments due to depleted nerve force, is a form of organic phosphate known among druggists in this country as Bitro-Phosphate.

It is described as a substance which is similar in composition to the phosphorus naturally found in brain and nerve cells and being easily and quickly assimilated, the work of creating nerve force, strength and vigor begins immediately it is taken into the human system.

There are many reports of astonishing results from its use, some showing remarkable improvement even in stubborn cases of long standing nerve weakness. As there are many kinds of phosphates, care should be exercised to procure the genuine Bitro-Phosphate as sold by the Conkey Drug Co. in Richmond and all good druggists.—Adv.
