

HURLERS MAY BE TROUBLESOME TO MANAGER MORAN

With Only Four Slabmen Pat Expects Difficulties—Reds Confident of Victory.

NEW YORK, Aug. 13.—With both teams full of confidence, New York and Cincinnati start Wednesday afternoon on the biggest series that the Reds have participated in for a number of years, for on the outcome of the three days' series, during which six games will be played, Manager Moran's chances of driving in another pennant winner are balanced.

The Reds hit New York last night, and with the exception of six first string pitchers, an asset that is vitally important in such a series as is now pending, they have all that the Giants claim, and a little more, including a lead on the Giants of four and one-half games.

Throughout the circuit, fans and players are picking the Reds to cop the pennant, and figure on the six games at the polo grounds during the next three days to decide the Giants' fate for the season.

The Reds have had little success this season on the polo grounds, winning but one contest in four played. They have split even with the Giants on the other games played, however, and Manager Moran hopes that he will be able to even the score all around by the double header series.

Four First String Pitchers. With the exception of his pitching staff, Pat has entire confidence and expects little difficulty in holding Protest John and his crew. The Reds have only four first string pitchers, and these probably will be used during the first two days, leaving the final day of the contest one of doubt as far as pitchers are concerned. Fans are looking for Rube Bressler to enter one of the contest.

Rube was withdrawn from the outfield staff of the Reds last week, and started training to get back on the hill again. He is anxious to pitch, and claims that he will show the Giants a few things about twirling that they have yet to learn.

Manager McGraw has five hurlers, leaving only one game without a slated pitcher. Toney and Nehf, both difficult men for the Reds, probably will pitch Wednesday, leaving Barnes, Benton and Douglas for the second day. Any of the five can be expected to trouble the Reds, but Manager Moran hopes that his swatman will be able to care for a couple in at least one of the games.

Jack Chase Wins City Junior Tennis Tourney

Jack Chase, of Clinton, N. Y., won the junior tennis championship at the play grounds Tuesday afternoon by defeating his brother, "Pete," in three straight sets.

Chase recently entered the state junior tennis meet held at Indianapolis and won his first match but was defeated on the second round of play. Those desiring to enter the Senior meet which is to be held the first part of next week, are to leave their names with S. S. Vernon, at the play grounds, sometime this week.

Single G Feature of Henry County Fair Program Today

NEWCASTLE, Aug. 13.—Several thousand people attended the formal opening of the Henry county fair Tuesday. The work of judging the live stock began Wednesday, the boys' judging contest starting Wednesday morning. Over 100 boys from over the county are entered in the contest.

Wednesday's race program was one of the strongest of the week. The races include the 2:20 trot for a purse of \$800; the 2:24 pace for a purse of \$200, and the 2:17 trot for a purse of \$300. In addition to these three races Single G was to go an exhibition mile.

Manager Pat Moran Pins Faith on Four Pitching Stars Shown Below to Keep Reds on Top in Crucial Series With Giants

Mod Eiler, Ring, Ruether and Sallee

After these, Pat doesn't care what happens to the ball games. Ruether and Sallee are booked to open the double header series with New York at the Polo grounds, and Eiler and Ring will probably perform tomorrow. These four compose Manager Moran's first string slabmen, with the exception of Fisher, who has been turning in several good games. Luque and Bressler may also have a chance at New York.

Here's How Giants and Reds Stand Tonight

	W.	L.	Pct.	Win 2	Lose 2	Split	Win 1	Lose 1
REDS	56	31	.680	667	677	684	673	673
GIANTS	59	33	.641	649	628	638	645	634

The Reds started their crucial series against the Giants Wednesday with five possibilities, none of which would mean that they were in danger of losing their position at the top of the league. Rain promises to be a chief factor in the Red-Giant series again, and the above "IF" standing shows how the teams will stand whether one or two of the games are played.

TOURNAMENTS, LIFE SAVING, ARE BOYS' "Y" WORK FEATURES

Members of the boys' department of the Y. M. C. A. are showing great enthusiasm over the ping pong and pool tournaments which Russell Crabb, boys' director, has arranged for the tournament. The tournament is now under way and matches are played every day and night. According to the "dopsters" the championship lies between four boys, Norman Johanning, William Brady, Robert Powell and Wilmer Babylon.

The pool tournament has also created a great amount of enthusiasm, and about 30 boys have signed to enter the tournament. Games are now being played. Howard Mullen and William Marshall are reputed to be the "sharks" who have the greatest chance of winning. The winners will be given prizes.

Life Saving Tests Announced. Crabb announces that the boys' department will be opened on Tuesday, Thursday and Saturday mornings from 8 to 11 a. m., on Monday, Wednesday and Saturday afternoons from 1 to 5 p. m., and on Tuesday, Thursday and Saturday nights from 7 to 9. Crabb further says that a handsome sterling silver watch fob will be given to any member who qualifies in the life saving tests. Up to date two seniors, George Eversman and Rudolph Knode, are the only ones to qualify.

The qualifications for the tests are: Dive into water from 7 to 10 feet deep and bring to the surface 10-pound sand bag; swim 200 yards, the first 100 yards on the back using only the feet as motive power, the arms and hands to remain stationary, and the next 100 yards with any stroke; demonstrate on land five methods of reviving a rescued person; demonstrate in the water two methods of revival; rescue and tow person of own weight for a distance of twenty yards, using two different strokes.

Five Events Offered Grand Circuit Fans

(By Associated Press.)
PHILADELPHIA, Aug. 13.—A card of five events was offered for the second day of the Grand Circuit meeting at Belmont track today. The feature was the Bellevue-Stratford hotel stake of \$3,000 with a splendid entry including Busby's Lassie, Peter June, Prince Correa, Royal Mac, The Toddler and Wilkesbrewer.

The William Penn stake for two-year-old trotters, purse \$2,000 and the 2:13 trot for \$1,000 each had eight entries. The free for all pace, in which the mares are paid at each quarter of the mile in each heat was one of the features.

There was to have been a match race between the trotters Ante Guy and Lu Princeton, but this was postponed owing to a slight accident to Ante Guy and as an added feature Lu Princeton was to be driven to beat the track record of 2:01½ made last year by St. Frisco.

THE IDEAL WOMAN

The great Napoleon once said: "My ideal woman is not the beautiful-featured society belle, whose physician tries in vain to keep her in repair, but the matron who reaches middle age in complete preservation,—that woman is rendered beautiful by perfect health." To attain such health in middle life a woman must guard against those ills which drag her down and produce nervousness, headache, backaches, sleeplessness and "the blues." The standard remedy for such conditions is Lydia E. Pinkham's Vegetable Compound, which for forty-five years has been restoring women to health and strength.—Adv.

Devil-Dog Makes 45 Bullseyes in Meet

CALDWELL, N. J., Aug. 13.—A record of 45 consecutive bullseyes at 600 yards, without telescopic sights, was made here Tuesday by Corporal Clarence P. Kennedy, of the marine corps rifle range detachment, Quantico, Va., in the members' match of the national rifle association.

Although a perfect score consisted of only 10 "bullseyes," Kennedy kept shooting until he made a "four" on the forty-sixth shot. He averaged three shots a minute. Continued bad shooting weather, and a rain squall caused 200 contestants to drop out. Ten of the 400 remaining entrants made perfect scores.

J. W. Hession, of the N. Y. A. C., team won second place by scoring 21 consecutive shots.

It is estimated that fifteen million dead are interred in the Roman catacombs.
