

PREBLE BOYS OF 83D INVITED TO COLUMBUS MEET

Many of 70,000 Veterans of State Division in Western Ohio—Celebrate Victories.

EATON, O., Aug. 15.—Reunion of soldiers of the Eighty-third division will be held Labor Day in Columbus, at which time the colors of the division will be turned over to the state, according to a communication received today from Columbus by Oscar Sheppard, of West Alexandria, who was chairman of the late selective service board of Preble county, who is requested to acquaint members of the division in the county of the fact that the reunion is to be held at Columbus. The former chairman is requested to send word to some live-wire members of the division in the various localities in the county in order to spread the information and work up interest in the reunion. The communication to Mr. Sheppard states that the Eighty-third division included fully 70,000 men from Ohio.

Must Have Discharge.

It will be necessary for officers, enlisted men, field clerks and army nurses to present their discharge order, where no certificate was furnished, when they apply for the Victory buttons that are to be distributed at the postoffice in Eaton Saturday between the hours of 10 a. m. and 4 p. m.

In cases where the applicant cannot appear in person the button will be issued to relative or friend upon presentation of discharge papers. Or the discharge certificates may be left with the postmaster or editor of the local newspapers and the buttons will be distributed through them. A silver button is given to those who were wounded and a bronze button to those who were not wounded. Captain See, of the air service, will have charge of the distribution of the buttons here.

Want Will Construed.

Application has been made to common pleas court by Elias D. Snyder and Ada Mumma to place construction upon the will of the late J. G. Snyder, of which they are executors. Some items of the will are not wholly clear to them, they aver.

Tax Rate \$1.85.

Eaton's tax rate for the next taxing year will be \$1.85 for each \$1,000, as against \$1.70 last year. The increase is said to be due to a state highway levy. A decrease in the rate would have been shown had it not been for this levy, it is said.

Hoover Administrator.

Probate court has appointed Grant L. Hoover administrator of the estate of this late mother-in-law, Mrs. Clara M. Clawson. He was required to furnish \$6,000 bond. Walter Tyrrell, Frank Scheid and J. Lee Kelly were appointed by the court to appraise the estate.

Application has been made to the court to admit to probate and record the will of the late Hannah M. Peters. Action upon the application will be taken Aug. 20.

Ball Game Sunday.

Eaton's newly-organized baseball team will play its first game Sunday, meeting a M. C. A. team from Richmond, Ind. Grounds are being gotten into condition for the game.

Meeting to Be Held.

Twin Valley chapel will hold a basket meeting Sunday in William Davis's grocer, one mile west of the church. Rev. J. A. Watson of Harrisville, Ind., will address the meeting.

Will Receive Notice.

Mayor Harry L. Risner has been advised by the state board of health that he will receive notice in due time when the board will be ready to assist in organization of the Preble county health board.

Schools Open Sept. 8.

Schools of Dixon township will re-open Sept. 8 for the next school term, Superintendent Perry S. Potts.

WHERE CAN I FIND RELIEF FROM ITCHING, TERRIFYING ECZEMA?

THIS QUESTION IS EVER ON THE LIPS OF THE AFFLICTED.

Eczema, Tetter, Erysipelas, and other terrifying conditions of the skin are deep-seated blood troubles, and applications of salves, lotions and washes can only afford temporary relief, without reaching the seat of the trouble. But just because local treatment has done you no good, there is no reason to despair. You simply have not sought the proper treatment, that is within your reach.

You have the experience of others who have suffered as you have to

Rotarians Hold "Wonderful Meeting," in Winchester, With Club From Muncie

"It was a wonderful meeting," said every Rotarian who attended the joint meeting of the Richmond and Muncie Rotary clubs at the Christian church in Winchester, Thursday evening. Dinner was served by the women of the church to 80 persons, 44 of whom were Richmond Rotarians, 26 Muncie Rotarians and 10 Winchester men.

Richmond made a great hit with its entertainment. The crowd was wild with enthusiasm over Harry Frankel, a part of the Richmond entertainment. He gave a number of songs.

Mrs. Fred Bartel, accompanied by Miss Alice Knoebelberg sang a number of selections which were received with enthusiasm. The club sang several songs a proposal of the occasion, composed by Lee Neubaum.

Will R. Keller, gave a splendid address on "What Rotary Means to Me" and Charles Watkins, district governor and a member of the Muncie club, gave a talk on Rotary. Carl Easterling, president of the Muncie club, presided.

It is probable that a Rotary club will be organized soon in Winchester. Ed Wilson and Raymond Mathurin composed a committee to promote a club in Connersville, and it is expected that a meeting will be held there soon.

One of Lee's Offerings

(Tune—"Till We Meet Again.")

Know your friends by what they try to do.

We have come half way to visit you; You have done the same 'tis true.

All the way from dear old Muncie.

Social evenings pass so pleasantly,

Hearts and hands are joined in Rotary,

So think of us we'll think of you.

Till we meet again.

"Earth Currents" to Blame For Failure of Telegraph and Telephone Service

Has your telephone failed to operate at times for a minute or so?

George Brinkley, district commercial manager of the Western Union offices in Chicago, has a reason.

The telephone and telephone lines throughout the world, he says, are being affected by some strange power,

known as "earth currents" which affect the power from batteries and leave instruments "dead" for a few seconds at a time.

These strange currents, which remain a mystery even to scientists, according to Brinkley, recur every two years or so.

Telegraph and telephone lines have been held up for short periods at a time by these so-called "earth currents" numerous times the last week. Richmond authorities, at the Western Union office here, say that only once have the wires here been held up, and that for a few seconds Friday.

5 CENT, 1 POUND LOAF IMPOSSIBLE, SAYS ZWISSLER

"A five-cent, one pound loaf of bread can not be made until all the ingredients drop back to the old time standard prices," said John Zwissler, Richmond baker, Friday morning, in reply to a statement made by a Cincinnati baking firm which announced that a five-cent, one pound loaf could be made if wheat drops to \$1.46 a bushel.

"Everything that goes into the making of a loaf of bread has doubled, and in some cases tripled an quadrupled, since the discontinuation of the five-cent loaf," said Zwissler. "The government price on wheat is \$2.26, but there is a premium of between thirty and fifty cents, and wheat has been known to go as high as \$3."

"Then flour used to sell for \$5 now is hovering between \$11 and \$12. Every housewife and grocer knows how sugar has gone up, and sugar is essential to a good loaf of bread. Shortening, before prices took a big jump, was 7c, now it is nearer 33c."

Dough Must Weigh More.

"In order to make a pound loaf of bread," added Zwissler, "the baker has to have his dough weigh practically six ounces heavier than a pound, as the baking decreases the weight.

"If the baker uses what is known as stiff dough, he will have to have his loaf weigh seventeen and one-half ounces before baking in order to get the stipulated pound loaf. If he uses slack dough, which is the same dough with water added, his loaf must weigh eighteen ounces."

"Therefore," he concluded, "you see that it is impossible to make a five-cent, one pound loaf, that the housewife would use as a standard loaf of bread, with all the ingredients raised and the high price of labor."

Lazy Life During Hot Months Causes Lazy Liver

AT no other time is the girl so constant a companion of her mother as when she is emerging into womanhood. There are so many questions to ask; so much she needs to know.

And school is over. Hers is now a lazy, inactive, carefree life. No wonder she is not always as lively and as well as she should be at her age. Let the mother inquire if the bowels are functioning properly, for then lies the basis of good and poor health.

A dose of Syrup Peppin now and then is almost a necessity for everyone in hot weather. A bottle can be bought at any drug store for 50c and \$1, the latter being the family size, or a free trial bottle can be had by sending your address to Dr. W. B. Caldwell, 460 Washington St., Monticello, Ill.
