BROOKLYN, Aug. 20.—Fighting all about the respect due an ex-officer in the United States army, in their mad dash for the league championship, Pat Moran and his leading athletes slapped Lieutenant Cadore for just enough bingles to win the first contest of Tuesday's double bill, and then came right back in the second and increased their lead by defeating Clarence Mitchell in the aftermath.

The first one was close, almost too close for comfort, the Reds shutting out their opponents to 10, but in the second contest, Hod Eller held the Superbas to one marker, while his team mates gathered six big runs.

While this was going on, the Giants, over at the Polo grounds were losing one of their games with the Cubs, and the Red lead in the National league race was increased by one full game. The lead held by Moran's men is now safe enough to practically insure the bunting for Cincy.

With the hardest part of their eastern series over, the Reds have not only held their own in the race, but have increased their lead over the Giants by two full games, and are now out in front with a lead of seven games, and only 33 to go.

Have Walloped Strong Teams.
The Reds have finished the season at the Polo grounds and Ebbets' field, the two eastern stops that have been giving them the most trouble, and in ten games have come out victorious in six. Wednesday the Reds move up to Boston, for a three game series with the Braves, while the Giants meet St. Louis on their home lot.

After three games at Boston, the Reds come back to Philadelphia, and finished their last eastern trip with a four game series there, including a double header. The Reds are confident that they will be able to handle the second division clubs. They expect to come back to Redville with a lead even stronger than the one they now have.

QUAKERS FACE BIG JOB IN TRIMMING FAST DAYTON NINE

DAYTON LINE-UP
Motley, ss.; Sherry, 3b.; Wissel, lf.; H. Jordan, rf.; Hudson, lb.; Lavanor, 2b.; Kavanaugh, cf.; Renssenzahn, c.; Hikes, p.

The Quakers have quite a job on their hands when they play the Dayton Americans, Sunday, August 24, at Exhibition park.

This team is composed chiefly of men who have had recent minor league experience, and one of them, Matthy, has been recommended to the Cincinnati Reds, by "Greasy" Neals, star right fielder of the Reds.
Kavanaugh formerly played center field on the Dayton Central league team and Sherry played third base for Johnny Neel's Dayton Metal Products club, last year. Wissel played left field for Lexington, the Blue Grass league last year and Hudson has held down first base for Bloomington in the old Three I league.

Sam Vigan, Quaker manager, has seen Hikes, the Americans' pitcher in action and declares him to be the best spit ball pitcher he has ever seen, outside of the big leagues.

THAT CHANGE IN WOMAN'S LIFE

Mrs. Godden Tells How It
May Be Passed in Safety
and Comfort.

Fremont, O.—"I was passing through the critical period of life, being forty-one years of age, and I had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so I was forced to stop work, and to do my work, Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Godden, 925 Napoleon St., Fremont, Ohio.

Such annoying symptoms as heat flashes, nervousness, backache, headache, irritability and "the blues" may be speedily overcome and the system restored to normal conditions by this famous root and herb remedy Lydia E. Pinkham's Vegetable Compound.
If any complications present themselves write the Pinkham Medicine Co., Lynn, Mass., for suggestions how to overcome them. The result of forty years experience is at your service and your letter held in strict confidence.

It is probable that both singles and doubles would be played. Further particulars on the tournament will be announced immediately following the finish of the boy's senior tournament.

Why Lack Of Iron In The Blood May Be Costing You Money Every Day

Many a Capable Man or Woman Falls Just Short Of
Winning Because They Don't Back Up Their Mentality
With Physical Strength and Energy

Get some of the money—don't let the other fellow have it all—just because you are too weak, nervous and run down to go after it with the same vim that gets him what he wants. Make yourself a man of blood and iron—a woman of power and vitality.
"Many a capable man or woman falls just short of winning because they don't back up their mentality with the physical strength and energy which comes from having plenty of iron in the blood," says Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital. "Lack of iron in the blood not only makes a man a physical and mental weakling, nervous, irritable, easily fatigued, but it robs him of his virile force, that stamina sold by Thistlethwaite's drug store and all other druggists."

Don't Experiment with Catarrh:

It Often Leads to Serious Trouble

YOU WILL NEVER BE CURED BY LOCAL TREATMENT WITH SPRAYS.

Catarrh is a condition of the blood and can not be cured by local applications of sprays and douches; this has been proven by the thousands who have vainly resorted to this method of treatment.

Catarrh should not be neglected or experimented with. The wrong treatment is valuable time lost, during which the disease is getting a firmer hold upon its victim, and making it more difficult for even the proper treatment to accomplish results.

Though Catarrh makes its first appearance in the nostrils, throat and air passages, the disease becomes

more and more aggravated and finally reaches down into the lungs, and everyone recognizes the alarming conditions that result when the lungs are affected. Thus Catarrh may be the forerunner of that most dreaded and hopeless of all diseases, consumption.

No local treatment affords permanent relief. Experience has taught that S. S. S. is the one remedy which attacks the disease at its source, the blood, and produces satisfactory results in even the worst cases. Catarrh sufferers are urged to give S. S. S. a thorough trial. It is sold by all druggists. You are invited to write to the Medical Department for expert advice as to how to treat your own case.
