PENNANT HANGS ON STARR-SEEDER GAME AT PARK SATURDAY

Saturday afternoon at 1:30, the A. S. M. and Starrs began play, with the Swayne-Robinson and Way Works waiting on the sidelines to begin their game.

Of the two games, that of the Starrs and Seeders is most important. The pennant hangs on this contest. If the Seeders win they will practically clinch the hunting, as the league leaders will not meet again this season, and but two games remain to be played.

Next Saturday the season really ends, but the games postponed from August 16 will be played off on September 6, thus making two scheduled games remaining. But if the Starrs beat the Seeders this afternoon, a special game will have to be played, as the two teams would be even in percentage.

Sam Vigran, president of the league, announced they would be a meeting of the four managers sometime next week, to wind up the season's business and to discuss plans for the annual smoker and banquet to the players and managers, which is held every year.

BUTTER PRICES BOOSTED

BOSTON, Aug. 23.—With 2,000,000 pounds of butter in cold storage here, prices have gone up like a skyrocket. The reason for this is being sought by the Federal Grand Jury, which today examined a dozen dealers in butter, eggs and cheese. Prices of other foodstuffs also are soaring, while thousands of tons of these necessities are said to be in storage.

EDDIE ROUSCH IS THIRD IN NATIONAL LIST; HITTING .323

(By Associated Press)

CHICAGO, Aug. 23.—Eddie Murphy, the star pinch hitter of the Chicago White Sox, who had "delivered" with regularity in the past few weeks, is topping the American league batters with a mark of .476, according to averages released in 28 games made an average of 403.

Ty Cobb, of Detroit, is the real leader, more than 100 points behind Murphy. The Detroit star has been tagging safe blows consistently and has an average of .374 made in 90 games. Jacobson, of St. Louis, is the runner up to Cobb with .352.

George Sisler, star of the St. Louis club, is showing the way to the base stealers with 25 thefts, but is being pushed by Johnston of Cleveland and Hooper of Boston, who have pilfered 22 sacks each. In addition to being the leading base stealer Sisler is in front in total bases with a mark of 219, which is better than that of "Babe" Ruth of Boston, the slugging home-run king, who has a string of 19 homers to his credit. Ruth lacked on three circuit drives in the past week.

Other leading American league batters for 40 or more games: Yeach, Detroit, .352; Sisler, St. Louis, .351; Pockinbaugh, New York, .333; Jackson, Chicago, .323; Heilman, Detroit, .326; Fewster, New York, .326; Flagstead, Detroit, .317; Rice, Washington, .315; Gandil, Chicago, .314; Ruth, Boston, .313; Chapman, Cleveland, .312; Weaver, Chicago, .311; E. Collins, Chicago, .311.

Max Carey Leads.

Max Carey, of Pittsburgh, had a great week with the bat in the National league, and boosted his average over the .300 mark. Last week, the Pittsburgher was hitting at a .284 clip, but he batting .301, but Carey has played in only 31 games. Barber, of Chicago, also has been doing some timely hitting and is in fourth place with a mark of .315.

"Gavy" Cravath, the Philadelphia manager and leading home run hitter in the senior league, is topping the batters with .340. Jim Thorpe of Boston, is next with .326 and Rousch, of Cincinnati is in third place with .323. Cravath broke the tie for home run honors, which he shared with Kauff New York, last week by cracking out a pair of circuit drives. He has eleven.

E. Wheat, of Brooklyn, continued to lead in total bases with 175. Cuthaw of Pittsburgh, stole his 30th base during the week and is topping the base stealers. Other leading hitters who participated in 40 or more National League games: Hornsby, St. Louis, .308; Stock, St. Louis, .308; McHenry, St. Louis, .306; Wheat, Brooklyn, .305; Doyle, New York, .299; Luderus, Philadelphia, .299; Groh, Cincinnati, .298; Meusel, Philadelphia, .298.

Becher Steals 41 Bases.

There was little change of position among the batters of the American Association. Hendryx, of Louisville, continued to top the list with .350, with Becker of Kansas City the runner-up with .347. Good, of Kansas City is third with .340. Miller of St. Paul bagged a brace of circuit drives during the past week and tied Becker. Each has made eleven homers.

Becher of Louisville is burning the paths with his speed and, with 41 pilfered sacks, is far in front in base stealing. Other leading American Association batters for 40 or more games are: O'Mara, Indianapolis, .330; E. Miller, St. Paul, .321; Leary, Indianapolis, .320; Kirke, Louisville, .319; W. Miller, Kansas City, .317; Owens, Minneapolis, .314; Covington, Indianapolis, .313; Hyatt, Toledo, .312; George, Columbus, .303; Yerkes, Indianapolis, .301.

FAST CONTESTS ARE PROMISED SUNDAY IN SEMI-PRO GAMES

GAMES
Dayton Americans at Richmond.
Richmond Senators, at Liberty.
Richmond All-Stars, at Eldorado.
Connersville Reserves, at Centerville.
Peru C. & O. team at Boston.
Richmond North Stars, at Eaton.

Of all the games to be played Sunday, August 24, that of the Dayton Americans versus the Quakers, will be the fastest, for the Americans are one of the strongest teams that have played here this season. Richmond ball fans are urged to come out and cheer.

The locals aren't positive of beating the Americans but they are going to try hard to trim them. The diamonds should be in splendid shape, providing it does not rain before Sunday.

Centerville vs. Connersville.
Another contest which is attracting much attention is the Centerville and Connersville battle, which is to be staged at Centerville, Sunday afternoon.

Centerville has been beating all comers so far this season, but they are trying to take an awful big bite when they tackle the Reserves. The latter have a very powerful line up. Down at Liberty a regular ball game is promised when the Miller-Kempers, who are representing Liberty, take on the Richmond Senators. The Senators are claiming the semi-pro championship of all the Richmond teams playing out of town games. Madge and Aubin will compose the Senator's battery while Boulton and Short are expected to oppose them.

All Stars at Eldorado.
Two times this season the Richmond All-Stars have handed Eldorado a tromping, but Eldorado believes the third time will be the charm, and the All-Stars will be forced to accept the short end of the score. Eldorado has been playing fast ball lately and has won the support of the Eldorado fans, and for this reason a large crowd is expected at the game.

The Peru C. & O. team will play the Boston C. & O. team Sunday at Boston.

These two teams are after the championship of the Chicago division of the C. & O., and for this reason a keenly contested game is expected.

The water in a public drinking fountain in a Kansas City park is cooled by running it through a coil of pipe sunk in an old well.

REDS COME FROM BEHIND AGAIN AND BEAT BRAVES, 7-4

Gowdy and Rudolph, Catcher and Pitcher, Make Home Runs in Succession.

RED-GIANT STANDING

W.	L.	Pct.	Win	Lose	
Reds	76	.84	.691	.694	.685
Giants	67	.88	.639	.641	.632
Reds, win 2—	696	—	639	—	679

BOSTON, Mass., Aug. 23.—Again did the Reds step up from the rear of the procession, in Friday's game with the Braves here, and in the last three innings, overcame a healthy lead and took the game, 7 to 4. Friday's victory makes it three straight wins for Morán's men.

The Reds left last night for Philadelphia, where they start a five game series Saturday, the last of their eastern trip.

Two Homers in Succession.
For the first five innings, both pitchers hurled excellent ball, but in the sixth, Eller weakened, and allowed two runs. Rudolph held tight in the sixth, but blew up entirely in the seventh and allowed four runs.

In the Braves' half of the seventh, Gowdy and Rudolph, catcher and pitcher, tied the score with a pair of home runs, the first event of this kind in baseball history.

Once started, the Reds could not be stopped, however, and in the eighth they made two more and another in the final round. Eller was relieved in the seventh, and Ring finished the contest. He held the Braves tight while his mates went out and won the game.

Unless bad luck overtakes the team at Philadelphia, the Reds will return from the eastern trip with a better record than they have ever before carried from an eastern series. In fifteen games, they have won ten, losing two out of four to the Giants, one of four to the Robins, and taking three straight from the Braves. It has been a clean sweep, and the Reds are anxious for their return to Cincinnati, where they wind up the season in the west and at home.

Walter Ruether will start Saturday's game against Philadelphia, and it is probable that Jimmie Ring, who only pitched three innings yesterday, will hurl the aftermath.

The scores at Boston and New York:
Cincinnati 000 000 421—7 1 5
Boston 000 002 200—4 11 1
Eller, Ring and Winch; Rudolph and Gowdy.

St. Louis 012 000 012—6 11 3
New York 410 200 000—7 8 4

Moran Warns Reds Not To Take Chances; Don't Want Any Stars Hurt

Manager Pat Moran of the Reds, sees a pennant in sight and is not taking any chances of having his successful combination broken up at the late stage of the race by injuries to the players.

The catchers, Jake Daubert, Heinie Groh and Larry Kopf have been warned against running into grand stands while chasing foul flies. Recently at Ebbets Field two valuable members of the club, Ivy Wingo and Heinie Groh, were each slightly injured.

Wingo was hit in the groin by a foul tip and Groh's left wrist was hit by a ball thrown around the infield during practice. In both cases their teammates quickly gathered round the injured athletes to find out the extent of the hurts. Neither one, however, was hurt enough to leave the game.

Monday Is First Day of National Roque Meet

Dr. C. A. Hawley of the Interstate Roque Association, of New Paris, O., has announced that a two weeks' roque tournament will be held by the association, beginning Aug. 25 and ending Sept. 6. The first week of the tournament will be for local (New Paris) players, but the second week will be turned over to visiting players. As the association is located only six miles east of Richmond, and as they have some of the finest courts in the country it is thought many followers of roque sport here will participate in the tournament. The association has one covered court, the only one of its kind in available for tournament use in the United States, which permits a perfectly level surface upon which to play.

The tournament will be played under American Roque league rules, with \$2 club fee, and \$2 tournament privileges fee, being charged.
