WANTS TO TELL THE WHOLE WORLD HOW HE GOT RID OF IT

"I want to tell the whole world what Truslers Rheumatic Tablets have done for me. I suffered with muscular rheumatism for five years. I tried almost every remedy and several doctors. That has been three years ago and I have been at work ever since."—George Young, East State St., Huntington, Ind.

After the "Flu" -Fever or Cold

Clean the Acidity and Toxic Poisons Out of the Digestive Tract

Millions are now suffering from the after effects of the deadly "flu," a fever or a cold. Their appetites are poor; they are weak, and they are waiting for their strength to come back. If these people could only realize that the return to health and strength would be greatly helped by giving attention to the stomach—that is, removing the acidity and toxic poisons from the entire digestive tract, making it act naturally, so that the body will receive the full strength of the food eaten—a great deal of suffering would be saved to humanity.

Everyone knows that the disease itself, and the strong medicines that have been taken, upset the stomach, leave it hot and feverish, the mouth dry, the tongue coated, a nasty taste, and no desire to eat. This is a poor foundation to build new strength on. Now, tens of thousands of people all over this country are using EATONIC for the purpose of cleaning these poisonous after-effects right out of the system and they are obtaining wonderful results—so wonderful that the amazingly quick benefits are hardly believable, just as shown in the remarkable letter which is published upon the request of this sturdy old Civil War veteran. He is 77 years old. Read what he says EATONIC did for him:

"I am an old soldier, past seventy-seven years, had the Spanish influenza and it left my stomach in an awful shape. I tried three different doctors but got no relief. As a last resort I bought and got a box of EATONIC and to my greatest surprise the very first tablet I took helped me. I can now eat anything I want, and feel fine."

Yours faithfully,
Fowler, Indiana Dec. 4, 1918 C. S. Martin

P. S.: If you can make any use of this letter for suffering humanity, you are at liberty to do so. C. S. M.

This is only one case out of thousands. You should make the EATONIC test in your own case at once. You have everything to gain—not a penny can you lose, for we take all the risk. Your own common sense, your own feelings, tell you that a good appetite, good digestion, a good stomach, with the fever poisons and effects of strong medicines out of your system, will put you on the road to strong, robust health again.

You want to enjoy life again after you have battled with the "flu," fever or cold, or any other illness that has taken your strength. You want to get back your old-time vigor, be full of pep and enthusiasm—be able to work with ease, instead of listlessly, half-heartedly dragging out a mere existence.

So be sure to take a box of EATONIC home with you today. We cannot urge this too strongly. If EATONIC fails to give you positive beneficial results, it will not cost you a penny. There is no risk—the benefit is surely all for you.

Nine out of ten cases of Deafness and Head Noises are caused by catarrhal mucus (matter) in the Eustachian Tube, which connects the nose and the ears. Leonard Ear Oil removes the mucus, opens up the tube and the other air passages of the head, and the result is improved hearing and relief from Head Noises. It is not put in the ears, but is "Rubbed in Back of Ears" and inserted in the nostrils, and "Common Sense Directions for Care of Hearing, which accompanies each bottle, tells you exactly how to take care of your own case. Do not be misled by substitutes or imitations. The only genuine "EAR OIL" is A. O. Leonard Ear Oil. It is the original and has been on the market since 1907, and every year it has relieved hundreds of people of their Ear Troubles.
