\$10,500 ADDED TO COUNTY'S BANKROLL

An increase of approximately \$10,500 is shown in the general fund of the county on June 30, 1919, as compared with the amount on the same date of 1918, by the annual report of the county auditor to the county council and board of commissioners, which was presented to the council Tuesday morning, at its annual meeting.

In June, 1918, the amount of money on hand in the general fund of the county, which was supposed to be sufficient to carry on the work of the county for the six months following, was \$87,320.95, while on June 30, of this year, the amount was \$97,820.95.

During the last five years, the amount of money in the fund has shown a general increase, the only decrease being in 1916, where the general fund dropped to \$52,910.96 as compared with \$60,476.55 in 1915.

REDS' LEAD CUT TO SEVEN GAMES BY EVEN BREAK

Two Games With Chicago Hold 'em Right Where They Were—Play Today.

CHICAGO, Sept. 2.—Cincinnati's lead in the National league was cut to seven games when the team divided the double bill with the Cubs here Monday. The morning contest was taken over by Chicago, 4 to 3, but through the persistent efforts of Sheriff Slim Sallee, the Reds came back in the afternoon contest and won, 4 to 2.

Ten thousand fans, a large number of them White Sox rooters, turned out to see the Reds gambol over the green, for practically every Chicago fan figures that Cincinnati will play here in the world series. The crowd was doubled in the afternoon, and ground rules had to be established, as the bugs were all over the lot.

Hod Eller had some difficulty in the opening round of the morning contest, and the Reds were unable to get in the lead and stay, a home run by Merkle in the sixth clinching the contest for Chicago.

In the afternoon, Moran's athletes stood up behind Slim, and took a strong enough lead to win the contest in the opening round. Sallee was touched for fourteen hits in the afternoon contest, but he kept the Cubs' bingles well scattered, and clever fielding on the part of his team mates held down the score.

Groh Still Out

Although Heinie Groh's absence from the lineup was noticeable, it was not keenly felt by the Reds, as Schreiber played a brilliant game at the hot corner, and was effective with the stick as any other member of the team. In the morning contest he lined out the double that tied the score, and in the afternoon pastime he contributed a single to the Reds' efforts. Heinie is still nursing a sore finger, but expects to be back in the contest when the club opens at St. Louis tomorrow. He was on the bench in uniform in both games yesterday, but was unable to play.

The team plays its final game against the Cubs this afternoon, and Jimmie Ring is slated for the hurling honors. Hendrix will probably start for the Cubs, and after this appearance, the fans here will begin preparations for the Reds' series against the Sox.

The score of Monday's game:

Morning Game

Baseball Games Feature Liberty Labor Day, Big Crowd at Celebration

LIBERTY, Ind., Sept. 2.—Before a crowd estimated at 1,200 people, the Liberty Miller-Kempers took both the morning and afternoon games from Eldorado, as part of the big program held here Labor Day, the first game by an 8 to 0 score, and the second, 5 to 3.

Hartman and Craycraft and Judy and Kimmel composed the batteries for the morning contest. Boulton and Craycraft, and Baker and Kimmel, were the opposing batteries in the second. The heavy hitting of the Liberty team, Mike Knott leading with a long home run, and the fielding of Hassis, Liberty's new center fielder from Oxford, were the features of the games.

Band concerts were given all day by the Eldorado military band. Before the afternoon ball game, boxing bouts and automobile racing, entertained the huge crowd. At four o'clock, an airplane gave an exhibition flight.

The day was closed with a Labor Day speech at the court house and a big dance followed at the coliseum.

Greensfork Twice Beaten By Hagerstown Players

HAGERSTOWN, Ind., Sept. 2.—Greensfork dropped both games of the double header played here Labor day, the morning game by a 19 to 1 score and the afternoon game, 7 to 2. The heavy hitting of the locals was responsible for the defeat of the visitors in the morning game and their failure to connect with the offerings of Hill, on the mound for Hagerstown, made the game one-sided. Nichols and Thompson composed the Greensfork battery and Hill and Wolf, Hagerstown.

Eli Cates, former major leaguer, pitched the second game for Greensfork but Hagerstown was not awed by his past record and they set upon him and handed the visitors another beating. Hagerstown's battery were in action for both games.

BATFEST ENJOYED AT PARK; QUAKERS WIN WILD CONTEST

The Richmond Quakers evened up the count with the Indianapolis All-Professionals when they took Monday's game at Exhibition Park in a wild and free for all slugfest match, 15 to 9. The game was full of long drives.

Richmond collected a total of 15 hits to the Professionals' 14. The Professionals played a poor game in the field, making 7 errors, while the Quakers had a clean slate. In two instances, Richmond scored a run without the aid of a hit, entirely on errors by the "Pros."

The first five men to face Roop, who was pitching for the Quakers, hit safely and before the inning was over runs had crossed the pan and more would have been scored, had not a fast double play, Roop to Hill to Logan after Ogle had fanned, ended the inning.

Things looked blue, but Dehner, who had a great day, getting two hits out of four, one of them a home run, got on through an error, and aided by another error and by clever base running on his part, brought in Richmond's first run.

For the rest of the game all Richmond did was to run around the bases. In the second inning, Fitzgibbons, who also played a great game, making four hits out of four chances including a long three bagger, made his first hit, stole second and scored on Roop's timely bingle.

In their half of the second, Indianapolis made three hits but were unable to score.

Dehner opened up the third with a long home run to center field. Minner then drove the ball to left for three bases. Hill and Gray followed with singles and when the inning was over, Richmond was leading, 5 to 4.

Richmond scored one in the fourth, one in the fifth, five in the sixth and three in the eighth. The seventh was to only inning in which they were unable to score.

On four hits, including two two baggers, a triple and a base on balls, Indianapolis added four more to their count in the seventh, and in the ninth, a single and a double added another run. Their grand total, however was a long way from fifteen.

Pan Hellenic Council Warns Against Joining Unrecognized Sororities

With the opening of colleges all over the country and the subsequent fraternity "rush" season a warning has been sounded that the National Pan Hellenic congress, of which practically all the national college sororities are members, adopted a ruling in January 1916, to the effect that no girl who becomes a member of an organization bearing a Greek name and calling itself a fraternity or sorority, before entering college, shall be eligible to membership in a national Pan Hellenic fraternity.

This fact is not generally known and many girls have had to learn it, to their regret, after they had entered college, hoping to become affiliated with a national organization.

Under the Pan Hellenic ruling, girls who have joined these local sororities after they have left high school and before they have entered college, are not eligible to membership in the national fraternities, which mean much more to a girl in college and after finishing than the various local organizations.

No Word Yet Received From President Wilson

No word had been received Tuesday by any of the leading Democrats and citizens as to whether President Wilson would stop over at Richmond Thursday afternoon and make a short address on his way from Columbus to Indianapolis.

C. B. Beck, postmaster, who sent a telegram to Joseph P. Tumulty, secretary to the president, Saturday, asking him to urge the president to make a short stopover, had received no word Tuesday.

Joshua Allen, local attorney, who has been in communication with the state democratic headquarters, in regard to the president's proposed stopover, had not received an answer Tuesday.

Other prominent citizens are of the opinion that the president, if he has the least chance, will gladly avail himself of the opportunity of addressing Richmonders.
