New State Law Provides Organization—Four Hurt in Auto Accident Near Eaton.

EATON, O., Sept. 4.—Preble county's board of health, as provided for under a new state statute, has been organized and consists of five members, who will serve from one to five years. The board members and the years each will serve are: Dr. H. Z. Silver, Eaton, five years; Dr. J. W. Coombs, Camden, four years; W. L. Pinkerton, farmer, Israel township, three years; Ralph Sever, attorney, Lewisburg, two years; J. M. Kimmel, merchant, Lewisburg, one year.

Mayor Harry L. Rishner, of Eaton, is chairman of the county advisory board, and Mayor Edward L. Young, of New Paris, is secretary. The council embraces the mayors of villages and the chairmen of the board of trustees of the several townships in the county.

Dr. Henry E. Kock, of Cincinnati, district supervisor of the state health department, was present at the meeting in which the county health board and the advisory council were formed.

The new health board law becomes operative January 1, next, at which time all health boards in the county will pass from existence and be succeeded by the county health board. A health commissioner will be appointed. He will be a physician. In addition to the health commissioner a county nurse and secretary will be employed, these three persons being the only ones who will be paid salaries.

Within thirty days the county health board will meet with Dr. Kock for the purpose of preparing a budget for the coming year, which later will be reviewed by the advisory council, and then be presented to the county auditor for process of collection in taxes. It is said that after final action on the budget by the advisory council it is entirely out of the hands of the county budget commission.
