

PREBLE MEN HOLD PIG SALE; HESSIAN FLY RUINS CROPS

Eaton, O., Oct. 27.—Twenty head of thoroughbred pigs, mostly spring boars and gilts of the Spotted Poland, Berkshire and Big Type Poland breeds, were sold at the first public sale held by the Preble County Pure Bred Live Stock association, on the county fairgrounds. Total sales amounted to \$350, or an average of \$32.50 a head. All stock sold at the sale is eligible to register.

Jesse L. Haston contributed 9 head of Spotted Poland to the sale; J. W. Daffler, 4 head of Berkshires; Jesse Johnson, 4 head of Big type Poland; and Trunk Bros., Wilbur Christman and J. S. Niswander, one head each of Big Type Poland. Auctioneer Bart Foley, Seven Mile, cried the sale.

The association is laying plans for a big cattle, horse and hog sale next spring.

Hessian Fly Loose
Hessian fly is ravaging growing wheat in some sections of Preble county, according to County Agricultural Agent A. J. Swift. He says the pest is worst in early-sown wheat. His inspection up to this time has been confined to the eastern section of the county, where he says the fly is so extensive in some fields that the wheat is practically worthless and likely will be plowed under.

On one stock of wheat Agent Swift says he found 24 specimens of the pest. He expects to visit all sections of the county just as soon as possible to ascertain to what extent the entire county is affected by the fly.

Roosevelt Drive Continues.
Drive for contributions to the Roosevelt Memorial fund in Preble county has been extended to and including Thursday of this week, announces County Chairman Oscar A. Gale. Lateness in the appointment of a local county chairman and in getting the drive under way in the county is the reason for extending the time.

YOUR GIRL AND MINE

"I Say Positively My Rheumatism Was Relieved by Dreo"

Ohio Citizen Was Crippled up
So Badly, Could Not Work
for a Long Time—Joints
Swollen, Muscles Sore,
Neck Stiff.

IS ALRIGHT NOW

"I say, without hesitation, that I am completely relieved of a bad case of rheumatism, and the whole credit belongs to Dreo, the new root and herb juice remedy," is the signed statement made by Mr. V. D. Clark of 7 N. Fifteenth St., Richmond, Ind. "For years I've had rheumatism and have taken all the well known treatments, baths, etc.; my joints were swollen; muscles sore and drawn, and my neck was stiff and very painful. At times my limbs hurt so bad that I was crippled and walked with great difficulty."

"I had taken so much strong medicine for rheumatism, that my stomach was all to pieces, and it frequently filled up with gas and griped me awful bad."

"So many persons right here in town were praising Dreo that I went up and got some to give it a thorough trial, and that was the best money I ever spent; it did me more good than any money I ever spent. I tell you the pains are gone from my joints and muscles. I can turn my head all around and never have a pain in my neck, and I walk without the slightest inconvenience. Dreo also soothes my stomach and it is greatly improved. I am glad to endorse this wonderful medicine, that did so much for me."

The old-fashioned remedies made from roots and herbs, are the best for anyone to take. Dreo is made from twelve different roots, herbs, barks and berries. These act on the stomach, bowels, kidneys and purify the blood. Dreo knocks rheumatism out shortly. Relieves catarrh of the head and stomach; makes you sleep soundly and creates a good appetite. As a blood purifier nothing can equal Dreo. It puts a stop to boils, eczema and other blood affections.

Team play, democratic give and take, in friendly competition, under the direction of trained leaders, are giving an unconscious schooling for life in a great democracy that was never so much needed as now when a generation of girls is growing up who will have a greater effect on their

country's laws and law-making than any girls ever had before.

Mother's Best Wishes.

Mother says that scouting is the best thing that girls can take up in their young lives, and she hopes that the Girl Scouts will have a great success. She also thinks that when a girl takes the Scout Promise she should live up to it. There is nothing that

makes mother so happy as to have me do things to help other people and she hopes that every one will encourage the Girl Scouts.

The canvases displayed in the exhibit have never been shown in Richmond before.
