

## MOWE HOPES FOR 2 WINS IN WABASH AND EM-ROE GAMES

Practice for the Butler and Em-Roe basketball games will be started by the Earlham basketball squad in the Coliseum Monday afternoon. Coach Mowe's cohorts have lost two games straight, but Mowe is determined that Friday's and Wednesday's scraps will result in wins.

According to "dope" Earlham and Butler should be equal, as both were defeated by Rose Poly by a two point margin in an overtime game. Purdue defeated the Em-Roes and Wabash defeated Purdue. The Scarlet was forced to extend themselves to win. Judging from this, Richmond basketball fans will be treated to two high class games.

The football tactics employed in the Quaker-Wabash game had a telling effect on the entire Quaker squad. Orvall Hall is the recipient of a "black eye." Lawler was considerably bruised and nearly all the players are bearing marks of the hard wood floor at Crawfordville.

Seats for both the Butler and Em-Roe games will be reserved. Tickets will be placed on sale at the Westcott Pharmacy after Wednesday, and will cost 25 cents extra. No curtain raiser will probably be played for the Em-Roe game, next Wednesday, but the Earlham Freshman and a Y. M. C. A. team, will clash before the Earlham-Butler game Friday night.

### Bowling Notes

Monday night's bowling program for the A. S. M. league, on Twigs' alleys, calls for the Kentuckys and Light Drafts to hook up. Shorty Owen's Jumbos are scheduled to clash with Hoosier bowling quintet in the middle engagement. As befitting the champions, Walker Deyoe's league leading Empires will mix it with the Easy Pulls in final clash of the evening.

Tuesday night will see the City League in action. The league leading Feltman Tramps are slated to cope with the fast traveling Kaysee Xmas. The Tramps have not been rolling up to their usual standard, while the Kaysee outfit has been shooting consistent games. The Coco-Colas-Lichtenfels' Haberdasher clash should be replete with good scores. They will meet in the second fracas.

Thursday night the Wilson's Cleaners and A. M. will play. Since the A. S. M. league has been using Twigs' alleys, the City league A. S. M. five has been rolling consistent games. Cap. Ellis is confident his team will do the "cleaning."

There is a faint possibility the Kaysee Number 1 will be able to win a game when rolling against the last place Hill Laddie aggregation in the last league bowling match of the week Thursday. It is doubtful, however, as the Laddies have "perked up" in recent contests and coupled with their top heavy handicap will not be known until after a series of races between "the flag officer's boat," as the Resolute generally is called, and Alexander Smith Cochran's Vanite.

### Cowell Boys Take Prizes At Milton Corn Show

Prizes consisting of three dollars for first prize, two dollars for second and one dollar for third place, were awarded at the farmers' meeting and corn show held in Milton, Saturday afternoon. Carl Cowell, first prize, on white corn; Charles McMann, first prize on yellow corn; Paul Ferris, second prize on yellow corn and Andrew Kerber, third prize on yellow corn. Mixed corn: Harry Cowell, first prize; L. W. Baker, second prize; Ralph Hussey, third prize. Single ear: Paul Ferris, first prize, Ben Wheeler, second prize and L. W. Baker, third prize.

### ECONOMY WALKS AWAY FROM HUNTSVILLE, 51 TO 8

In a slow and uninteresting game, the Economy independent basketball team defeated the Huntsville quintet, 51 to 8, at Economy Saturday night. Clements was the chief scorer for the winning team, caging 12 field goals. The Economy Independents have been showing good form all season and are expected to make things interesting for others when competing in the independent basketball tournament later part of next month. Economy will play at Spartansburg Wednesday night.

### ATLAS WINS FROM J.V.

The Atlas indoor baseball team tore into the perfect percentage of the Jenkins-Vulcan crew Saturday night in the Y. M. C. A. gym, 10 to 9. This was one of the best played games of the season, both teams being considered strong contenders for the silver trophy. Cameron of the Vulcans, and Fifth of the Atlas aggregation, pitched good games. Both whiffed and issued three free tickets.

### BUTLER DEFEATS NORMAL

INDIANAPOLIS, Jan. 19.—Butler's basket ball team broke into the winning column of the I. C. A. L. race at the expense of the State Normal quintet by a 26-to-20 victory Saturday night at Butler gym. This was the first victory won by the team since Coach Head has taken charge of the Orphans and was the first game that the team has displayed reasonable passing and teamwork.

### A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 10c and 25c.

## H. S. Fans See Light of Victory Over Newcastle

Cheered by Richmond's victory over Muncie Friday night, R. H. S. students are all agog over prospects of Friday night's scrap at Newcastle. The Rose City has been a basketball rival of Richmond for a number of years with honors about even.

Although Newcastle has the best aggregation of basket shooters in a number of years, having lost but few games. Newcastle defeated Muncie, at Newcastle, 26 to 13, early in the season. Judging from this, the Green and White is superior to the Red and White. However, the game was played early in the season, and the Muncie quintet was not playing the brand of basketball exhibited against Richmond.

Practice for the high school basketball will be held in the high school gym Monday afternoon, and will consist mainly of limbering up exercises. Coach Fries is pleased with the scoring combination, with Reed as the pivot. Although Monger is the sixth player on the squad, he will break in to at least half of every game.

The team will be accompanied to Newcastle Friday by at least 100 rooters. Their ardor will probably die.

## BAKER TRYING TO STRENGTHEN PHILLIES

President William Baker of the Phillies, is making extensive plans to strengthen the team. The magnate's first move in this direction was to obtain Roy Sanders, a pitcher, from the Pirates. Baker and Manager Cravath are confident of getting Casey Stengel's signature to a 1920 contract. Stengel was traded to the Phillies by the Pirates for George Whitted, but when he was not given more money, he refused to report to the Quaker City outfit.

Instead of playing in Philadelphia, Stengel went to Kansas City and organized a semi-pro team. Sanders, who did not report to the Pirates last season, was one of the pitchers on Stengel's club. The pitcher, however, will not be a holdout this season, as President Baker has announced he has received his signed contract. Stengel is spending the winter on the Pacific coast not far from Manager Cravath's home, and according to reports coming east the player and manager have had several conferences.

If Stengel reports, he will be the club's regular right fielder, and Leo Callahan will be used as utility man and pinch hitter.

In addition to signing Sanders and trying to get Casey to agree to wear a Philly uniform, President Baker has signed several youngsters who will be given trials in the south next spring. Among them are Hellman and Miller, infielders.

Regardless of the fact that there is an impression in the world of yachts that Resolute is to defend the America's cup against Sir Thomas Lipton's Shamrock IV next summer, the honor has not as yet been awarded and the defender will not be known until after a series of races between "the flag officer's boat," as the Resolute generally is called, and Alexander Smith Cochran's Vanite.

The decision to continue the elimination races, called off in 1914 on account of the war, was reached recently by the cup committee of the New York Yacht club.

When Sir Thomas Lipton's challenge was accepted during the winter of 1913-14, three boats were built in America for the honor of defending the historic mug. One was Resolute, built and designed by the Harreshoffs. Another was Vanite, which came from the board of William Gardner, and was built by the Lawleys. The third was "Defiance," called the "Tri-City Syndicate Boat," which was designed by Owens of Goston, and built in Maine.

### FRANKLIN EASY WINNER.

FRANKLIN, Ind., Jan. 19.—In a slow game of track work instead of basketball Franklin College won from the Hanover dev Saturday night by a score of 53 to 14. In the first half Thurber's regulars only ran up twenty-one points to the Hoosiers' seven. With the second team playing most of the last half Franklin warmed up, annexing thirty-two points during this period.

## OPEN SEASON FOR INCOME TAX, FROM JAN. 22-MARCH 15

The federal income tax season opens Thursday, Jan. 22, 1920, with the distribution of the forms for personal returns from the offices of collectors of internal revenue.

From then until the bell rings on the night of March 15, the annual returns covering income for 1919 will be figured out and filed by citizens and residents, together with payments of tax due. The burden of fulfilling this obligation is laid by law squarely on the shoulders of those who are American citizens or residents. Every person must determine for himself whether his net income for 1919, figured according to the Revenue law, was sufficient in income to require a return.

If he is single, a return is required if his net income for 1919 was \$1,000 or over. A widow or widower is classed as a single person. A man or woman living apart from his wife or husband is also classed as a single person.

If he was married and living with his wife on Dec. 31, a return is required if his net income for 1919 was \$2,000 or over. In his net income he must include that of his wife and minor children, if any.

Must Pay with Return. If a tax is due on his income, he must make payment with his return. This payment may be made in whole or in part of the tax due. At least one quarter of the tax must accompany the return.

The filing and paying must be done before midnight of March 15, or he is classed as a delinquent and is subject to severe penalties.

Two forms will be distributed for personal returns. Form 1040A is intended for use by a person whose net income does not exceed \$5,000. A larger form, 1040, is intended for each person having a net income in excess of \$5,000. Both of these forms are now obtainable at internal revenue offices and at banks and post offices. It is urged by the internal revenue bureau that taxpayers obtain their blanks as soon as possible. Failure to have a blank form at hand for an eleventh hour return will not relieve a person of penalty for failure to comply with the law.

## DAD! YOUR HAIR IS FALLING FAST

"Danderine" will check that ugly dandruff and stop hair coming out

To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of "Danderine" at any drug or toilet counter for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair usually stops coming out and you can't find any dandruff. Soon every hair on your scalp shows new life, vigor, brightness, thickness and more color.—Adv.

Each form contains instructions for preparing and filing the return, and these should be carefully read and strictly observed.

There is also provided a "work sheet" which should be used for making the original computations, and which should be retained and preserved by the taxpayer.

Consult Agent if in Doubt. Any person who is in doubt on points affecting his particular case, should bring such matters to the attention of the nearest deputy collector or revenue agent, who will render every necessary aid without charge. When the return is completed, it should be properly executed and immediately filed. Any internal revenue officer will administer the necessary oath without charge.

It is pointed out that accuracy in compiling the return is absolutely necessary. Mere guesses and estimates as to income and deductions should be avoided, and actual facts and amounts should be set forth. And this is equally important in considering the question of whether a return is required.

## President's Stubbornness Causes Delay of Treaty, Says Representative Elliott

That President Wilson's stubbornness has been the cause for the failure of the United States to ratify the peace treaty long ago is the opinion expressed by Representative Richard N. Elliott, of the Sixth district, recently.

"I'm sure that there are a great many Democrats who feel as does Mr. Bryan that the reservations are proper and that there should be a settlement of the peace treaty without making it a football of politics in a campaign," said Representative Elliott.

"I'm sure that the American people, without regard to party lines, find no objection to the reservations—the Americanizing reservations. The Pres-

ident's stubbornness alone has prevented a ratification before now. He would have had us believe that the 'heart of the world' was broken because the American people had not swallowed the treaty, yet now he would cause another delay of 14 months and let the world wait.

But as Mr. Bryan says, the Democratic party cannot afford to take the treaty question to the country and it is especially true that the Democratic party cannot afford to go before the country on the issue raised by Article X.

"The whole country surely approves of the Republican reservation to Article X. The American people surely would revolt against the treaty without that very proper reservation."

You can fool most of the people a large part of the time. That's the reason more money is put into oil than is taken out.

## THE BATTLE WON

Confidence in your physician or the tonic that he may prescribe, is half the battle won. The consistent use of

## SCOTT'S EMULSION

always begets confidence in those who take it. Scott's is a tonic-nutrient recommended by physicians everywhere.

Let SCOTT'S help you win your battle against weakness.

Scott & Bowne, Bloomfield, N. J. 19-14

## Larkin Howell, 86, Dead; Lived Near Modoc, Ind.

MODOC, Ind., Jan. 19.—Larkin Howell, 86 years old, died at his home about a mile west of here, Sunday noon, following an extended illness. He was born in Randolph county, and has lived in the vicinity of Modoc all his life. He is survived by four sons and three daughters. Funeral services will be announced later.

## Milton Alexander Dies at Home, North of Bethel

Milton Alexander, 24 years old, living about a mile north of Bethel, died at his home late Saturday, of dropsy. He had been married about a year. Alexander leaves a wife and baby.

and a father and mother. The funeral will be held Tuesday afternoon from the home, and burial will be in Bethel cemetery.

## Eyes Inflamed?

If your eyes are inflamed, weak, tired or overworked; if they ache; if picture shows make them feel dry and strained, get a bottle of Bon-Opto tablets from your druggist, dissolve one in a fourth of a glass of water and use as an eye bath from two to four times a day. Bon-Opto allays inflammation, invigorates, tones up the eyes.

Note: Doctors say Bon-Opto strengthens eye sight 50% in a week's time in many instances.

## Where Can I Find Relief from Itching, Terrifying, Eczema?

This Question is Ever on the Lips of the Afflicted.

Eczema, Tetter, Erysipelas, and other terrifying conditions of the skin are deep-seated blood troubles, and applications of salves, lotions and washes can only afford temporary relief, without reaching the real seat of the trouble. But just because local treatment has done you no good, there is no reason to despair. You simply have not sought the proper treatment, that is within your reach.

Our chief medical adviser is an authority on blood and skin disorders, and he will take pleasure in giving you such advice as your individual case may need, absolutely without cost. Write to-day, describing your case to Medical Department, Swift Specific Co., 252 Swift Laboratory, Atlanta, Ga.—Adv.

## NO HESITATION BY WELL KNOWN LADY OF KOKOMO

Comes Right Out and Says That the New Medicine Drecto Has Done Her a Lot of Good.

### RELIEVED CONSTIPATION

Says the Gas Does Not Press Against Her Heart; Nerves Are Quiet and She Sleeps Sound Every Night.

"I don't mind telling anybody that the new medicine Drecto has done me a lot of good and I'm glad that I heard about it and bought a bottle," said Mrs. Maggie Rosey, of 709 South Lafayette Street, Kokomo, Ind.

"I've suffered an awful lot from constipation, nervousness, poor sleep, no appetite and gas was in my stomach. This gas often got so bad that it pressed against my heart, causing shortness of breath and hard breathing. My kidneys often ached and I'd have terrible backache so that I could hardly sweep up the house. I read what Drecto did for a lady here in town and got a bottle. It certainly was money well spent for my constipation is entirely relieved, no more gas forms in my stomach, nor presses against my heart. I have a good appetite, my nerves are quiet and I sleep well, and the little catarrh that has bothered me is gone. Drecto has built me up and I'm feeling better than in years."

Drecto, the root and herb tonic acts on the bowels, overcoming constipation, rouses a lazy liver, strengthens weak kidneys, aids the stomach to digest the food, banishes catarrh and enriches the blood.

All good druggists now sell Drecto and it is highly recommended in Richmond by Thistlethwaite Drug Stores.—Adv.

THE THRIFTY WAY OF LIVING—Folks who live the "thrifty way" usually achieve comfort and prosperity. The secret of living the thrifty way is to save before you spend. Make your regular savings deposit on pay-day before you have spent a single dollar. If you wait until later, you may thoughtlessly spend all the dollars you meant to save. SAVE FIRST. Spend afterward.

THE DICKINSON TRUST COMPANY has pioneered the savings and thrift habit in this vicinity. It was the first institution in the city to offer the savings account plan which is now so popular and is used so extensively by men, women and children alike.

THE DICKINSON TRUST COMPANY has always encouraged savings accounts and no account is too small to be most welcome. The development of this branch of our institution has been one of great interest and today we have on deposit more savings accounts than are carried in any other bank in Richmond. Since this department was first inaugurated more than 19,000 persons have opened savings accounts with us.

NEARLY A HALF MILLION DOLLARS IN INTEREST has been paid on savings accounts to our depositors, the exact amount being \$451,983.27. This large sum of money has been earned by deposits, many of whom started with accounts of a dollar a week and less.

We invite you to join the army of people who have joined the ranks of the thrifty. Being thrifty does not mean to stop purchasing any needed articles of any sort, neither does it mean you should be close in your trading. It is simply putting into actual practice the good old American habit of preparing yourself for the "rainy day" that comes to all of us at some time or other. With a savings account you are safe. You can face any situation squarely and the satisfaction and safety that you will feel with a bank account to back you up will be one of the greatest pleasures you ever knew. Besides, a bank account is one of the greatest assets you can have.

We Want to be of Service to You
