The Wadsworth army reorganization bill, providing among other things for universal military training, will be supported by the American Legion with modifications agreed upon yesterday at a conference of representatives of the state departments of the legion throughout the country. These amendments are intended to incorporate more literally the military policy adopted by the national convention of the legion at Minneapolis.

After an all-day discussion of the Wadsworth bill, section by section, Franklin D'Olier, national commander of the American Legion, was authorized to appoint a special committee of nine to co-operate with the legion's national legislative committee to present the suggestions of the conference to congress. It will be the function of this committee to take up with the respective members of congress the recommendations of the conference so that inconsistencies with the principles agreed upon by the conference may be eliminated.

In order that the caucus of Democratic members of the House of Representatives called for yesterday afternoon to consider military policy legislation might have the views of the conference before it, a telegram was sent to the chairman of the caucus early in the day before the detailed discussion of the Senate bill started. Individual members of the conference representing various department organizations of the legion supplemented this action by telegrams

to members of congress from their respective states attending the party caucus.

Yellow Mustard For Rheumatism

A good hot mustard plaster or poultice is pretty sure to overcome most rheumatic pains and even sciatica and gout, but it's a mussy affair and generally blisters. Heat is absolutely necessary if you want permanent relief. Begy's Mustardine made of yellow mustard with other pain relieving ingredients added, is just as hot, is cheaper, cleaner and more effective than the old fashioned poultice or plaster, and cannot blister.

Besides rheumatic pains and swellings, Begy's Mustardine is speedily effective for lumbago, backache, neuritis, pleurisy, bronchitis, sore throat, chest colds, and all aches and pains, because heat cases pain—30 and 60 cents, at druggists or by mail, S. C. Wells & Co., LeRoy, N. Y.—Advertisement.

Dundee put up a stiff battle but the champion out-punched him throughout. Leonard weighed 134 3-4 pounds and Dundee 131 1-2.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to Flush Kidneys and Neutralize Irritating Acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.—Advertisement.
