

MORRIS WILL FILED IN RANDOLPH COURT

WINCHESTER, Ind., Feb. 11.—The will of David Morris has been filed for probate. After providing that all his just debts and funeral expenses be paid, he gives to his daughter, Anna Mary Alderman, the home farm, with the proviso that she shall permit his wife, Clairella Morris, to make her home with her during life. The remainder of the property is to be converted into money by the executrix and is to be distributed between his children, Anna Mary Alderman, Sarah L. Horn, Charles F. Morris and Elizabeth Alice Wood. He appointed his daughter, Sarah L. Horn, executrix. The will was signed on April 15, 1916, and witnessed by Fernna C. Foch and James H. Lumpkin and H. D. Wood.

Saturday three divorces were filed in the Randolph county court. In the first William Circle asked to be granted a divorce from Anna M. Circle, to whom he was married May 21, 1889, separating in September, 1919. He charged her with cruel and inhuman treatment; that she became naggy, faultfinding and wholly unkindful of her duties as a housekeeper. The second suit was filed by Bessie Simmons against Theodore Simmons. They were married on December 24, 1904, and lived together until October 2, 1917. The plaintiff gives cruel and inhuman treatment and failure to provide as one cause for her complaint, also that the defendant used abusive language, became angry, kicked her and threatened to take her life on three different occasions. Proceedings in the third suit were entered by Clara M. Baker against Wardy Baker. They were married December 10, 1904, and separated in September, 1910. The cause given by the plaintiff is failure to support.

"IDEAL CABINET WOMAN," CAPITAL CALLS WIFE OF NEW SECRETARY OF AGRICULTURE

Mrs. E. T. Meredith, at left, and daughter, Mrs. Frederick Owen Bohem.

Naturally, as far as Washington society was concerned, interest aroused by the appointment of E. T. Meredith as secretary of agriculture in the president's cabinet centered about the new secretary's wife. The efficient manner in which she qualified as an addition to the official social group and in finding a home for her family caused her new acquaintances to decide almost immediately that she is "an ideal cabinet woman." Mrs. Frederick Owen Bohem, daughter of Secretary and Mrs. Meredith, is spending a few days with her parents at the capital.

Fourteen Hundred Die With Russ Ship, Report

(By Associated Press)

LONDON, Feb. 11.—A wireless dispatch from the Soviet government at Moscow today says:

"According to a message from Novo Rossyisk, when the volunteer transport Karantin, with officers and officials and their wives and children aboard, numbering 1,400, left Mariupol (in the Russian province of Yekaterinovsk) on the approach of the Bolsheviks, the volunteer army incensed at being left behind, fired on the ship. FORGED CHECKS ARE GIVEN TO MERCHANTS

Forged checks are being passed in Richmond with apparent ease and regularity.

Rubber stenciled names of Richmond industries, in some instances, are being attached and the names of their officials imitated.

Eight checks were fraudulently executed and passed on Richmond merchants within the last few days. The forgers escaped detection. The police have an interesting collection.

The purchase of a pound of coffee was effected with a forged \$28 check. Other recent forgeries follow: Check for \$26.80 after buying some meat; \$28 after purchasing a pair of overalls; \$8.50 on a \$3 purchase of merchandise; \$28 after buying a 30x3 tube; \$3.80 after buying a loaf of bread; \$26.80 after buying a loaf of bread.

Call Police, Advice

The police advise merchants to call them at once when a check whose validity they question is offered. The person should be detained in the store until the police have arrived to make an investigation.

Sometimes, the police say, the forger is not noticed until the check is turned into a bank several days after it was offered. In the meantime the forger has departed from the city.

The name of a manufacturer was attached to a number of checks a few days ago, which were cashed. The name of his plant was stenciled with a rubber stamp and a protectograph was used to indicate the amount of the check. All were fraudulent.

BETTER THAN CALOMEL

Thousands Have Discovered
Dr. Edwards' Olive Tablets
Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "logy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 25c a box.

The number "73", which played a prominent part in the day's proceedings was promptly recognized as the telegraph code for "good wishes" by Mr. Edison, who was an operator in his youth.
