WILLIAMS HERE IN CHURCH INTERESTS

The Rev. Edgar D. Williams, of Indianapolis, assistant state director of the inter-church world movement, and executive secretary of the church federation of Indiana, is spending Thursday and Friday in Wayne county in the interest of these two organizations and Thursday afternoon was in Cambridge City meeting with the church leaders of the western part of the county.

He is to meet with some of the committees tomorrow and present the work of the world movement, with statement regarding its progress at an evening meeting tomorrow. He has already visited Marion, Hartford City, and Muncie, and reports enthusiastic response from each center. Over 40 pastors from Marion have signed their intention of attendance.

Map showing partial survey of Wayne county in cooperation with the world movement is to be presented to the church leaders at the evening meeting, in order to show the plan of the survey map.

Federation Meetings Friday.

1:00 p. m.—Inter-Church World Movement committee at Y. M. C. A.

2:30 p. m.—County executive committee at Y. M. C. A.

4:00 p. m.—Evangelistic committee at Grace M. E. church.

6:30 p. m.—County Inter-Church World Movement survey committee at Grace M. E. church.

7:30 p. m.—County council meeting at Grace Methodist church.

WHISKY SMUGGLERS FOILED

TOLEDO, O., Feb. 12.—In a revolver battle with drivers of a motor truck railway detectives Wednesday thwarted an attempt to smuggle 30,000 gallons of whisky into Toledo.

The motor was camouflaged as a furniture shipment from Windsor, Ont. Because the shipment was consigned to a soft drink parlor customs officials were suspicious and ordered the car watched.

CHARGED WITH ROBBERY

STUEBENVILLE, O., Feb. 12.—Losses aggregating \$40,000 through stolen shipments in the Stuebenville district the past three years led the American Railway Express company to make investigation here, resulting in the arrests of Archie C. Smith, 21 years old, bill clerk, and driver for the express company, and Charles W. Taylor, 32. The former is charged with larceny and the latter with having received stolen goods. Both are held under \$2,000 bond.

Narcotics and stimulants produce more than half the customs and excise receipts of Australia.

The common sunfish is carnivorous and in hatching season is especially pugnacious.

Keep Shade Trees Properly Trimmed; Increases Life and Beauty

By P. G. HOLDEN.

The best time to trim ornamental trees is late in the fall, after the leaves have fallen, or early in the spring, before the new leaves appear. All the branches are then exposed and it is easy to give them the necessary attention and treatment.

In pruning shade trees we should always trim out:

All dead, dying and diseased wood. All stumps and bruised parts of branches.

Protect Good Branches.

Every branch that rubs against another branch and wears through the outer bark, exposing the growing portion of the tree.

All branches that have grown too long or slender or that extend outward in such a way as to destroy the natural and characteristic form of the tree.

Proper Way to Trim a Tree—Make All Cuts Parallel With Main Trunk or Branch.

All branches (except those of evergreen trees) that hang so low as to make it difficult for people or vehicles to pass under them.

In trimming evergreen trees we should cut out only the dead and unsightly branches. An evergreen is always more attractive when the lowest branches sweep the ground.

How to Make Cuts.

We should make all cuts along the edge of and parallel with the main trunk or branch of the tree. This will leave a flat surface which can be made smooth to conform with the contour of the tree. Never leave a stub sticking out from the trunk or branch. Stubs rot and harbor insect pests. They are unsightly and dangerous. During a heavy wind storm they are apt to be torn loose and drop to the ground, not only injuring the tree but endangering people who may be passing.

We should never use a dull saw. A saw that is sharp and properly set will make the work easier and the cuts will be smooth and clean.

After a cut is made the exposed wood should be covered with coal tar, yellow ochre or white lead. This will keep the rain from saturating the exposed wood and rotting it, and will also help to keep away boring insects.

FIRST ALUMINUM PLANT IN ORIENT IS BEING PLANNED

J. W. Rickey, chief hydraulic engineer of an American company, recently returned to San Francisco from a three months trip to Japan with the word that American and Japanese capital are to be combined to start an aluminum manufacturing plant in Japan. The raw materials are to be shipped from the U. S. by way of Frisco. This is said to be the first attempt to manufacture aluminum in the orient.

THIRTEEN ARE INJURED

LOUISVILLE, Ky., Feb. 12.—Thirteen persons were injured, one seriously, shortly after 7 o'clock Wednesday evening when an inbound Louisville and Nashville passenger train, from Cincinnati, struck a northbound street car at the Fourth street crossing.

INDIANA NEWS BRIEVITIES

DECATUR—Officials of the Decatur Industrial Company have secured an option on the Alto Products company here, for the location of a big foundry, which will employ about 400 men.

LAFAYETTE—Two more deaths have occurred in the Leunichow family, residing near here, making a total of five in eight days. Pneumonia has been the cause of all.

MADISON—George W. Davis, 66 years old, a real estate agent for many years, and a widely-known fruit agent of Southern Indiana, is dead at his home here.

LAFAYETTE—A survey at Purdue University, just completed, shows 37 foreign students representing 11 countries enrolled.

EVANGELIST LEAVES CITY TO ESCAPE SOLDIERS' IRE

LANCASTER, Pa., Feb. 12.—To escape the wrath of hundreds of former soldiers, who had set midnight Wednesday as the "zero hour," Rev. Dr. Henry W. Stough, of Wheaton, Ill., who began an evangelistic campaign here last Friday night, hurried from the rear door of an apartment building this afternoon, leaped into a closed automobile and started for Philadelphia.

UNIVERSITY STUDENTS GET MILK AT LESS THAN COST

BLOOMINGTON, Ind. Feb. 12.—In order that Indiana University students may not deny themselves of the use of sweet milk as an article of food, President W. L. Bryan has requested the management of the cafeteria maintained by the university, on the campus, to lower the price 2 cents and sell at less than actual cost. The request has been complied with.

ROAD TO BE REORGANIZED WHEN GIVEN BACK BY U. S.

PHILADELPHIA, Pa., Feb. 12.—Radical changes in the operation of the Pennsylvania railroad system with a reorganization of officials affecting many of the higher officers, was announced Thursday by Samuel Rea, president of the company, to become effective when the railroads are turned back to their private ownership. The system will be divided into four regions—eastern, central, northwest—with each in charge of a vice president. Respective headquarters will be at Philadelphia, Pittsburgh, Chicago and St. Louis.
