

FLU DOESN'T STOP COUNTY GAMES; MANY HOT CONTESTS SEEN

Unless flu, bad roads or heavy snow storms interfere, several good basketball scraps are listed for teams of this district during the week-end.

Chief among these is the game between St. Mary's, of Dayton, and Liberty, at Liberty, Friday night. The Ohio team has been going at a rapid clip all season and expects little or no trouble in trimming the Hoosier team.

The Centerville-Cambridge City scrap at Cambridge City Friday night is equal to the Liberty scrap in interest. The towns are basketball rivals and a large Centerville rooters delegation will be on hand. However, Cambridge City expects little difficulty in annexing the long end of the score.

Newcastle Expects Win.

Newcastle basketball fans predict their team will have no trouble in running up a score over the Hartford City five, at Hartford City, Friday night. Newcastle won from this team early in the season.

Mooreland and Spiceland will hook up in a 40-minute scrap at Spiceland Friday night, with the odds favoring Spiceland to come out on top. Mooreland has a strong team, however.

McGuffey high, of Oxford, will clash with Coach Echols' Eaton basketballers, at Eaton, Friday night. The winner of this scrap would be hard to pick.

Fountain City Cancels.

Fountain City was forced to cancel two scraps for this week-end. One with Economy on Friday night and the other at Hagerstown on Saturday night. This makes the third game in two weeks cancelled, and Fountain City fans are growing uneasy.

The Richmond Shamrocks are scheduled with the Eldorado Independents Saturday and a good scrap is hoped. Eldorado has won many games this season and is confident.

EARLHAM MAY PLAY POSTPONED GAMES

If possible, all three of the postponed basketball games on the Earlham schedule will be played, according to Coach Mowe. He has already obtained the consent of Coach Thibault of Franklin, to play off the game in March. Mowe also expects Coach John Head, of Butler, to grant Earlham another date. Of DePauw, however, prospects are not very bright as the Tigers have been encountering stiff battles all season and Coach Buss seems to think one game is enough for the Quakers.

Only one practice will be held by the Earlham squad this week. However, next week will see the most strenuous program instituted by Coach Mowe since before the first Wabash game. The Scarlet will oppose the Quakers on the coliseum floor next Friday night and it will take stiff workouts Earlham's part to get into condition.

Bowling Notes

The Spender bowling five of the Mateo League, did not live up to its handle Wednesday night, but instead turned "Miser" and caused the High Coasters to spend three games. Hunt grabbed high score for the evening with 186 in the final games. High average was captured by Gehring, of the Spenders, with 162.

Huntington Game Called Off; Illness Is Cause

As three members of the varsity, along with Coach Fries, are out of the game, Manager Vernon was forced to call off the scheduled Richmond-Huntington scrap for Friday night. This action caused great disappointment among the student body but Vernon thought it would have been unfair to Huntington and Richmond, who have taken a team to Huntington and the services of Dollins, Motley and Monger.

Only one more practice will be held this week, that in the high school gym Friday afternoon. Practice will start in earnest next week, as Richmond is listed to oppose the Steele high school quintet, of Dayton, in a curtain raiser to the Earlham-Wabash game on Feb. 23.

The Steel high game will prove an acid test to Richmond.

MUNCIE Y. M. I. WILL MEET

RICHMOND H. S. RESERVES

The Muncie Y. M. I. basketball five will furnish opposition to the R. H. S. Reserve basket quintet in the Y. M. C. A. gym, Friday night. The game will be a curtain raiser to the Y. M. C. A.-Centerville scrap. The Reserves have been idle for about two months, their last engagement being a 22 to 16 trimming of the Newcastle Junior Y five.

ARE YOU LOSING "PEP"?

Do you feel tired all the time? Does your back ache? Do you feel you are not so spry as you used to be? Middle-aged men and women often blame on "aging" old age for loss of ambition and energy when it is overworked or disordered kidneys that cause them to feel old before their time. Foley Kidney Pills tone up and invigorate the kidneys, banish backache, rid the blood of poisons. Rev. W. P. M. THE FASTEST MEN ON LAND AND SEA

Above, Ty Cobb, at left, and Bobby McLean. Below, Duke Kahanamoku, at left, and Jole Ray.

Some sport fan asks, "Whom would you call speed kings?" That's a pretty general question, but confining it to men who depend upon their own strength and skill alone and not on modern inventions, we'd say that the fastest men on land and sea are Jole Ray, runner; Bobby McLean, skater; Duke Kahanamoku, swimmer, and Ty Cobb, representing other forms of athletics.

FIVE MEN NAMED AS PROBABLE LEADERS OF BASEBALL BODY

(By Associated Press)

CHICAGO, Feb. 12.—Selection of a chairman of the national baseball commission to succeed August Herrmann of Cincinnati, rested today with President John Heydler of the National league, and B. Ban Johnson of the American league, and attention of various league representatives here turned to efforts to effect a resumption of relations between Major and Minor organizations. Virtually all other business of the five leagues—National, American, Three Eye, Western and American association—which held annual meetings here was completed yesterday.

Five men from whom a new national commission chairman might be chosen were recommended to a joint session of the American and National leagues by a joint nominating committee and their names were passed on to the two league executives. They were: Federal Judge K. M. Landis and Harvey T. Woodruff, sports editor of the Chicago Tribune, and William Edwards, J. Conway Toole and State Senator J. E. Walker, the last three of New York.

Herrmann announced he favored Woodruff, saying a newspaper man was especially acceptable. A high baseball official said selection of Judge Landis was improbable.

Two attempts were made yesterday to hold a joint meeting of Major and Minor League heads. At the meeting called for today it was hoped to bring about a resumption of the relations broken off three years ago. It was initiated from an authoritative source that the outcome would be a "gentlemen's agreement," and that relations would be resumed without a written understanding.

FOUNTAIN CITY TRIMS ANSONIA INDEPENDENTS

In a close and hard fought basketball game, at Ansonia, Wednesday night, the Fountain City Independents took the measure of the Ansonia Independents by a 37 to 33 count. Not more than four points separated the teams throughout the game. Pounding with field and 11 foul goals, led Ansonia in scoring. Reigel came in for second honors. Simmons and Hough starred for the winners.

HASSIG SIGNS CONTRACT.

OXFORD, O., Feb. 12.—Carl Hassig, a clerk in the Oxford National Bank, yesterday signed a contract to pitch during the coming season in the Southern baseball league. He will report at Chattanooga, April 1. Hassig formerly was a telegraph operator on the C. I. & W. railway lines. He has pitched baseball during the last two seasons for Liberty and Connorsville teams.

Elliott Against Garden Seed Distribution as Waste

Richard Elliott, of Connorsville, Sixth District United States representative, does not believe in garden seeds, says a dispatch from Washington.

"I have come to the conclusion that I have one of the best districts in the United States because there does not seem to be anybody out there poor enough up to this time to ask me to vote to appropriate money to buy garden seeds," Representative Elliott of the Sixth district said.

"I have been against this garden seed proposition ever since I have been in the congress, because I came to the conclusion that it was a waste of money. I have taken these garden seeds which have been assigned to me and have tried to do the best I could with them because they were forced on me and because they belong to my district. The first year I advertised in all the newspapers in my district that I would send garden seeds to anybody who asked for them. These advertisements were copied in Ohio, Kentucky and Illinois and after being copied in all those papers I received less than 1,500 inquiries for garden seeds.

"Then I tried the proposition of sending out the garden seeds to the newspapers. I did not get anywhere with that, and this year I thought I would try the other route, and I have mailed them to everybody in my district whose name I could get and so far I have not received any particular praise or commendation for doing."

Dudley Foulke to Speak at Diploma Presentation

Final plans for the presentation of French Memorial diplomas were discussed at the meeting of Harry Ray post, Wednesday night. The presentation will be public, and will be in the High school auditorium, Feb. 22, at 3 p. m. Invitations will be sent to the next of kin of service men who lost their lives during the war.

William Dudley Foulke will deliver the principal address. Music will be furnished by the Junior High school orchestra, under the direction of Miss Edna Marlatt. The diplomas will be presented by a representative of the post.

Socialist Arrested at Oxford for Disturbance

OXFORD, O., Feb. 12.—E. Curtis Ikenhaus, of Hamilton, was arrested here last evening on the charge of disorderly conduct and disturbing the peace. He is said to be a Socialist, and it is alleged he came here for the purpose of boosting the circulation of "The Liberator," a Socialist magazine.

Ikenhaus, witnesses will affirm, was impudent in his demands, and frightened several housewives by his "crazy" talk. He insisted upon invading the classrooms of Miami university for the purpose of expounding his doctrines, but was ejected.

Mayor Hughes will hold Ikenhaus until United States government officials in Cincinnati are heard from.
