MRS. RUTH IS CONFIDENT THAT BABE WILL HANG UP MORE HOME RUN RECORDS

Babe Ruth and Mrs. Ruth snapped recently at Los Angeles. Ruth is showing his wife how he holds the ball in pitching.

There is no doubt, as far as Mrs. Babe Ruth is concerned, but what Babe Ruth will more than live up to the expectations of the Yankee owners and fans in general this coming campaign. She's sure that Babe's twenty-nine home runs last year weren't the result of a "flash." The Yanks paid the Red Sox \$125,000 for Babe a few weeks ago.

Quakers Have Chance To Retrieve Defeats

The golden opportunity for Coach Mow's squad of Quaker basketball artists to atone for previous defeats and to climb to a high position in the I. C. A. L. race, will come next Friday night when Wabash comes to town. Pitts, Carey and Gear are the only members of the Quaker first team in shape. Hall and Lawler are possessors of slight colds. Johnson is still too weak to play much basketball, and Raiford has measles. Hinshaw is in the same boat as Johnson.

An overwhelming victory by Earlham will erase the sting of the Wabash victory early in the season and will also give Earlham a claim for I. C. A. L. champion honors. Rose Poly has defeated Earlham twice.

Careless Shampooing Spoils the Hair

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is Multisilf coconut oil shampoo (which is pure and greaseless), and is better than anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get Multisilf coconut oil shampoo at any pharmacy, it's very cheap and a few ounces will supply every member of the family for months.—Advertisement.

WHAT'S A CHAMP WITHOUT A DOG?

Jack Dempsey and his favorite puppy.

Nowadays a ring champion must have a ferocious looking dog lurking about his training quarters or home to be right up to snuff. The puppy that Jack Dempsey is holding can't be called exactly ferocious looking as yet, but Jack has hopes. Dempsey's raising him from a baby into the ways of a champion mascot.

Ohio Youth, Missing Since November, Found With California Marine

(By Associated Press)

LOS ANGELES, Cal., Feb. 13.—Paul Hopping, 12 years old, who disappeared from school at Williamsburg, O., Nov. 7 last, was in charge of juvenile officers here today and Appollo Berviere Murphy, formerly a United States marine with whom he was found, was under arrest. A national search had been made for the boy.

According to the police, Murphy said he had become acquainted with the boy's parents before he went overseas in the world war and that he had become attached to the boy and was convinced it was the latter's prayers which brought him unwounded through Chateau Thierry and other battles. The boy apparently had been well treated. He was well clothed and well fed and, the police stated, had nothing to do except to help Murphy a little around the house where they lived.

CENTERVILLE-CONNERSVILLE GAME BUSTS UP IN SCRAP

As Centerville was leading Connerville 21 to 18 when the pugilistic instincts of the fans and players overcame their sportsmanship Thursday night, the Wayne county five gets credit for the basketball scrap at Centerville. O'Neal and Bertsch starred for Centerville.

A real test of ability of the Centerville five will come Friday night when the Richmond Y. M. C. A. five is bearded in the Y gym.
