

## MOWE'S QUAKERS HAVE BIG SLATE FOR SEASON END

With the end of the basketball season, only three weeks off, Coach Mowe's Quakers will have to travel fast to cop a lofty position in Indiana basketball.

The first obstacle is the battle with Wabash in the coliseum Friday night. A win for Earlham will bolster basketball morale.

At present, Wabash is the undisputed champion of the I. C. A. L., not having lost a game. Earlham came within nine points of turning this trick, but Wabash badly whalloped all other I. C. A. L. members. Practice for the Wabash tilt will be started by the Earlham squad in the coliseum Monday afternoon. A new combination is liable to start the game.

## Teeth Gritten, High School Faces Grille of Dayton

With the tourney only three weeks off, interest in basketball at Richmond high school is rising.

Coach Fries has had a trying ordeal this season, and Richmond's record has not been glorious. However, Fries has 25 players of whom only four will graduate. Most of these are sophomores.

Friday night's scrap with Steele high, of Dayton, promises to be a real game. Practice will be held in the high school gymnasium Monday afternoon, but Tuesday and Thursday afternoons will see the squad upon the Coliseum floor. Steele is not accustomed to a big arena and this will benefit R. H. S.

**Y. M. C. A., WITHOUT REGULARS LOSES TO FOUNTAIN CITY**  
Fountain City forged ahead in the last ten minutes of play and won a 23 to 21 basketball scrap from the Richmond Y. M. C. A. five at Fountain City, Saturday night. The home team led the visitors 18 to 8 at the end of the first half but Richmond staged a comeback in the first 10 minutes of the second half and tied up the score, 20 to 20. Fountain City substituted fresh players at this point, and rapidly ran up a comfortable lead.

The Y team was handicapped by the absence of E. Porter and C. Porter, regular forwards, and Howard Webb, backguard. Chappel and Bodie led the scoring for the Y team while Long scored most of the Fountain City points.

## Shamrocks Beaten at Eldorado, 34 to 20

The Richmond Shamrocks made the Eldorado Independents spend 40 minutes of hard playing to cop a 34 to 20 basketball scrap at Eldorado, Saturday night. The bulky Ohio five prevented the lighter visitors from getting near the goal. Fitzgibbon, backguard, played the best game for the Shamrocks. Runnels, Shamrock forward, caged 16 of his team's total.

Both the Shamrocks and the Eldorado Independents want games for next Saturday night. Those wishing to get in touch with the Shamrocks are to call the sporting editor of the Palladium. Games with Eldorado can be obtained by calling Harry McCoy, at Eldorado.

## "FLU" IS INFECTIOUS

A Disease Easily Spread Through Close Association.

It passes in the form of minute germs from the coughs or sneezes of people who are in the first stages mingling with others.

Therefore avoid exposure—this may be difficult, almost impossible.

But we can all keep our blood full of vitality and enable it to resist the attacks of disease germs, by taking Hood's Sarsaparilla, the pre-eminent blood purifier and health builder. This good medicine promotes assimilation so as to secure for the body the greatest possible value of food. It aids digestion and "makes food taste good."

After influenza or any other blood-poisoning, prostrating disease, it is remarkable how it promotes convalescence and brings perfect restoration of health. A good cathartic like Hood's Pills helps greatly by keeping the bowels regular.—Advertisement.

The Kaysee Number Ones and the Coca-Colas are listed for the first performance Thursday night. Hill's Laddies and the A. S. M. quintets are booked for the second games.

## A WOMAN'S VERDICT

Tells of Suffering Greatly With Kidney and Bladder Trouble and How Balmwort Brought Relief.

Her Letter. Well Worth Reading

Mrs. Nellie McGinn, 609 East 138th street, New York City, writes: "For the last year I had suffered greatly from Kidney and Bladder trouble, distressing pain in the back and hips, with rheumatic twinges and frequent severe headache, accompanied by nervousness, chills and fever; also a frequent desire to eliminate, a smarting, burning sensation, with pain in the region of the bladder. I would frequently have to arise at night, my sleep being disturbed by the pressure and inflammation in bladder. Beginning the use of Balmwort Tablets I noticed almost instant relief, and continuing to use them I am now totally well and relieved of all pain and distress from which I suffered. I am glad to recommend Balmwort Tablets as a reliable beneficial medicine and trust others may find relief and freedom from pain and distress as I did, etc."

The above letter is a true statement and is on file in our offices. Balmwort Tablets bring relief when other medicine has failed. Sold by leading druggists, \$1.00 per tube.—Advertisement.
