Co-operative Store to Be Opened Here Soon

Formal opening of the grocery store at 178 Fort Wayne avenue, owned by the Richmond Co-Operative company, recently incorporated, will be made Saturday, officials of the organization said Tuesday.

It is the plan of the incorporators to run a general grocery business first, which if present plans materialize will result in a general store. The company is to charge the usual retail prices. Stockholders are to receive dividends based on the amount of their purchases during the dividend period which probably will be every six months. Not more than two shares of stock, at \$25 a share, will be sold to any one individual.

Employees of the Pennsylvania railroad organized the company. C. C. Ryan is president and George Harper is secretary-treasurer.

She'd make curl papers out of it—and so would I. What a girl that's down wants is the sympathy of another girl."
