

LIBERTY WILL PLAY STIVERS HI; OTHER GAMES INTERESTING

The Liberty high school basketball team will "step out" in fast society Friday night, with Stivers high, at Dayton. Stivers high, at Dayton, has not lost a game. Stivers clinched the Dayton championship by trimming Steele about a month ago. Coach Snook has drilled the Liberty team ceaselessly.

Friday's scrap at Centerville will be the first for the Fountain City high school squad for over a month. Sickness has caused the cancellation of six games from the Fountain City calendar. Centerville rooters feel C. H. S. will emerge with the long end of the score.

Hagerstown Out of Slump.
Hagerstown high school expects little difficulty in taking the Lewisville measure Friday night. Hagerstown has completely recovered from the slump last month, and has been a consistent winner. Hagerstown holds a weekly practice upon the large playing floor at Newcastle. Hagerstown will close its 1920 basketball season next week at Newcastle.

Both the first and second New Paris high school teams will clash at Whitewater Friday night. The second team will stage a curtain raiser. Considerable interest is attached to the main go of the evening, as Whitewater hopes to cut a figure in the Newcastle tourney and results of Friday's game will shed light upon their chances.

The Richmond high school team, which is considered not far below the first in playing strength, will oppose New Paris varsity. Should Whitewater wallow New Paris by a greater score than did Richmond, it would indicate Whitewater's chance good.

Bowling Notes

By grabbing three games the Kayser Number Ones, Thursday night, the Cokes firmly clinched second place over the Wilson Cleaners aggregation. The opening clash of next Tuesday night, between the Cokes and Tramps, will about decide the final standing of the league. A one game victory for the Cokes will not give them first place, but will largely cut the lead of the leaders. However, should the Tramps take all three games, then "curtains" for the aspirations of the Cokes.

The second performance of Thursday night's bowling saw Hill's Ladies taking the measure of the A. S. M. five, two out of three games, Runge, Laddy anchor man, by virtue of the 252 score in the third game, leads the procession for the hat offered by Ray Lichtenfels. High average was 205. Second honors were captured by Bennett, of the Cokes, with 198.

OLD ADAGE IS SLOGAN OF FORT WAYNE WOMAN

"Would Rather Pay the Butcher Than the Doctor," Fits Her Case Well.

Fort Wayne, Ind. Feb. 20.—There is an old adage that runs something like this: "I'd rather pay the butcher than the doctor." See how well it fits the case of Mrs. Jenny Ramsey, a Fort Wayne woman of 618 Madison street. Mrs. Ramsey says that she has but one fault with Trutone, the new tonic she has been using, and that is this: "her appetite is most too good now." "Along about the first of July I began having trouble with my stomach," Mrs. Ramsey said. "I commenced having rheumatism pains in my lower limbs. I had just fair appetite but the food I ate did not taste right and I didn't seem to be deriving any benefits from my eating. I would usually feel bloated after meals and at times I suffered dizzy spells. Constipation bothered me a great deal. My lower limbs would ache terribly at times. I've noticed that I don't feel tired out and dragsy since taking Trutone. My appetite is most too good now. My food tastes better than it did and I am getting more good out of it. I haven't had a dizzy spell since first taking Trutone, neither am I bothered with constipation or the former bloated feeling. The pains in my legs are greatly relieved. I'm convinced that Trutone will do just what is claimed for it and I'm glad to recommend it." Trutone is now being introduced and explained in Richmond at Thistlethwaite's Drug Stores.—Advertisement.

Earlham Win Over Wabash Would Scramble Standing; May Have To Be—Mowe

The Earlham-Wabash basketball scrap, in the coliseum at 8:30 p. m., Friday night, is attracting state wide attention, for should the Quakers come out on top, I. C. A. L. standing will resemble a Bolshevik mob.

Coach Mowe is an enemy of Bolshevism, but if an Earlham victory will cause riot among the other I. C. A. L. teams, the Quaker mentor announces it may have to be.

Maloney, conference referee and graduate of Notre Dame, will referee the Earlham-Wabash scrap. He permits no football tactics to be employed. Both Earlham and Wabash men were seriously injured in their last engagement.

H. S. Basketball Men Ready for Two Games

Coach Fries' squad of Richmond high leathers tossed made final preparations for the Steele and Manual games, in the coliseum Thursday afternoon. No line-up for the Steele game was named, although Dollins may play at center; Monger, Reed and Wilson, forwards; and Motley, Price and Martin, guards.

Richmond and Steele will play the curtain raiser and the game will be called at 7:30 p. m. Horace Parker will referee.

Asking the price before you buy doesn't make it any cheaper, but it makes you feel like you've done your duty in trying to lower prices.

S. A. L. MEN TO MEET; INTEREST IS HIGH

A meeting of Saturday Afternoon league managers will be called for next week by Sam Vigran, president. Vigran has been waiting to see what disposition will be made of Exhibition park.

Pre-season S. A. L. interest is greater now than ever before, says Vigran, and he is confident a league will be formed. A suitable playing field is the chief requirement, and next week's meeting will serve to develop plans for a field in case Exhibition park cannot be obtained.

Athletic park could not possibly be put into playing condition unless several hundred dollars were spent. The Twenty-second street playgrounds, however, could be put in high class condition for a small expenditure. Reid field at Earlham, and the diamonds at Easthaven, are other playing fields.

BIRDS NOT NORTH YET, BUT AINSWORTH'S SOUTH
MACON, Ga., Feb. 20.—Eddie Ainsworth, catcher of the Detroit American league team, was the first arrival in the Tiger's training camp again this year. The Tigers' manager, Jennings, and pitching instructor Jack Combs are expected early next week.

Comb Sage Tea Into Gray Hair

Darkens Beautifully and Restores its Natural Color and Lustre at Once.

Common Garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients. A large bottle, at little cost, at drug stores, known as Wyeth's Sage and Sulphur Compound, thus avoiding a lot of fuss.

While gray faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. Just wash your hair with the brush with it and draw this through your hair, taking one small strand at a time by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.—Adv.
