CHICAGO, Feb. 24.—Chicago held its first non-partisan election of aldermen today, one municipal legislator being voted for by men and women in each of the city's 35 wards. Under the new law a candidate must receive a majority vote and experts predicted the issue in at least 10 wards would have to be decided at a supplemental election April 6. Ten wards had but one candidate each and in seven others it was a two-man fight.

EASY TO DARKEN YOUR GRAY HAIR

You Can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell because it's done so naturally, so evenly. Preparing this mixture, though, at home, is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. —Advertisement.

"Careful With Children!" Warning of Dr. House

"In our dealings with children, particularly, we must deal in constructive things, for to tell a boy he is lazy, stupid or good-for-nothing, or a girl that she is nervous, is to bring about the very condition you wish to avoid," said Dr. L. E. House, in the second of his series of lectures in the Reid Memorial church, Monday night. "To overcome weakening conditions there must come the remedial power of greater suggestion. These can be given by teacher, physician, healer or friend."

"Auto suggestion is the conscious mind talking to the sub-conscious mind. Hold before yourself the great ideals. Give yourself the idea that you are going to win. The mind can both create and destroy. The speaker treated his subject from the standpoint of modern psychology Tuesday night he will speak on "The Destroyers and Builders of Health." Tuesday afternoon he talked on "The Bridge of Faith."

Beauty Parlor Owner Felt So Bad She Didn't Care Before.

Madam Cravack, owner of a beauty parlor at 728 East McMullan street, Cincinnati, O., felt so bad until recently that she didn't care whether she had any customers or not.

"But since I have taken Vola-Tonic I feel like a different woman in every way, and I'm out after business again like I always used to be," Madam Cravack said.

"Last May I suffered a complete nervous breakdown. My nerves were in such a shattered condition that I was afraid it would be a long time before I got well. I couldn't sleep at all at night and didn't have any energy or strength or ambition. I suffered from headaches constantly."

"Finally, I got a bottle of Vola-Tonic and started taking it. It's the truth that this medicine has made me feel like a different person. I'm a great stronger and I can work in my parlor all day long without getting the least bit weak or nervous. Headaches I used to have are gone."

"I sincerely believe Vola-Tonic is one of the best medicines on the market and I am glad to recommend it publicly."

Vola-Tonic, "Builder of Strength" invigorates the entire system and builds up new strength and better health. It has helped thousands of men and women and it will do for you what it has done for others.

CATARRHAL DEAFNESS AND HEAD NOISES

TELLS SAFE AND SIMPLE WAY TO TREAT AND RELIEVE AT HOME

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels, you will be glad to know that these distressing symptoms may be entirely overcome. In many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parment (Double Strength). Take this home and add to it 1/4 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, headaches, cloudiness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless home treatment.—Advertisement.
